BALTIMORE LOCK HOSPITAL.—DR. JOHNSTON, the founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Gleets, Strictures, Seminal Weakness, Pain in the Loins, Constitutional Debility, Impotence, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Diseases of the Head, Throat, Nose or Skin; and all those serious and melancholy disorders arising from the destructive habits of Youth, which destroy both body and mind. These secret and solitary practices are more fatal to their victims than the song of the Syrens to the mariner Ulysses, blighting their most brilliant hopes, or anticipations rendering marriage, &c., impossible.

YOUNG MEN,

Young Men especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talent and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre; may call with full confidence.

MARRIAGE!

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston.

He who places himself under the care of Dr. Johnston may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS!

IMMEDIATELY CURED AND FULL VIGOR RESTORED.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived of the pleasure of healthy offspring, and the most serious and destructive sympathy to mind and body arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, cough, symptoms of consumption.

Office No. 7, South Frederick Street,

seven doors from Baltimore street, East side, up the steps. Be particular in observing the name and number, or you will mistake the place.

☞ A CURE WARRANTED IN TWO DAYS.
No Mercury or Nauseous Drugs.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the hospitals of London, Paris Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE!

When the misguided and imprudent votary of pleasure find he has imbibed the seed of this painful diseases, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nobs on the shin, bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in and the victim of this awful disease becomes a horrid object of commisseration, till death puts a period to his dreadful sufferings, by sending him to "that bourne from whence no traveller returns." To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable secrecy; and from his extensive practice in the first Hospitals of Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskillfulness of ignorant pretenders who by use of that dreadful poison, Mercury, ruin the constitution, and either send the unfortunate to an untimely grave, or make the residue of life miserable.

TAKE PARTICULAR NOTICE!

Dr. J. addresses those who have injured themselves by private and improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth, viz:—Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY, the fearful effects on the mind are much to be dreaded; loss of Memory, confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evil effects.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, have singular appearance about the eyes, cough, and symptoms of Consumption.

DR. JOHNSTON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

By this great and important remedy, Weakness of the Organs is speedily cured, and full vigor restored.

Thousands of the most nervous and debilitated, who had lost all hope, have been immediately relieved. All impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Trembling, Weakness or Exhaustion of the most fearful kind, speedily cured by Dr. Johnston.

YOUNG MEN,

who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school, the effects are nightly felt, even when asleep, and if not cured render marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature, and indulging in a certain secret habit. Such persons, before contemplating

MARRIAGE

should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.

OFFICE No. 7 SOUTH FREDERICK STREET,
BALTIMORE.

TO STRANGERS.

The many thousands cured at this Institution in the last fifteen years: and the numerous important surgical Operations performed by Dr. J., witnessed by the reporters of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee to the afflicted.

N. B. There are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the already afflicted, Dr. Johnston deems it necessary to say to those unacquainted with his reputation, that his Diplomas hang in his office.

BARLOW'S INDIGO BLUE. Dealers and Consumers of the above *Celebrated Wash Blue*, will please take notice that the *Labels* are altered to read "INDIGO BLUE, Put up at ALFRED WILTBERGER'S Drug Store, No. 233 North Second Street, Philadelphia." The quality of this Blue will be the same in every respect.

It is warranted to color more water than twice the same quantity of Indigo, and to go much further than any other Wash Blue in the market. It dissolves perfectly clear, and does not settle on the clothes as most of the other makes do. One Box dissolved in a half pint of water will make as good a liquid blue as any that is made, at one-third the cost.

As it is retailed at the same price as the Imitations and inferior articles, housekeepers will find it very much to their advantage to ask for that put up at WILTBERGER'S.

All Blue put up after this date with BARLOW'S name on it is an imitation.

The new label does not require a stamp. For sale by Storekeepers generally.   fel7-6m.

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.

* * * I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink."

Yours truly,   LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Chronicle, Philadelphia.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROOWN, Philada.

From the Rev. Jos. H. Kennard, Pastor of the 10th Baptist Church.

Dr. Jackson:—Dear Sir: I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause.

Yours very respectfully,   J. H. KENNARD.

From Rev. Warren Randolph, Pastor of Baptis Church, Germantown, Penna.

Dr. C. M. Jackson:—Dear Sir: Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects on others.   Yours truly,
WARREN RANDOLPH, Germantown, Pa.

From Rev. J. H. Turner, Pastor of Hedding M. E. Church, Philadelphia.

Dr. Jackson:—Dear Sir: Having used your German Bitters in my family frequently I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.   Yours respectfully,
J. H. TURNER, 726 N. 19th Street.

From the Rev. J. M. Lyons, former Pastor of the Columbus (N. J.) and Millerstown (Penna.) Baptist Churches.

NEW ROCHELLE, N. Y.

Dr. C. M. Jackson:—Dear Sir: I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed.   J. M. LYONS.

From the Rev. Thomas Winter, Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir: I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.   Respectfully yours,
T. WINTER, Roxborough, Pa.

From the Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks county, Pa.

Dr. C. M. Jackson:—Respected Sir: I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Yours with respect,   J. S. HERMAN.
