COMMENDATIONS.

From Hon. Lewis D. Campbell, M. C., Ohio.

My family and friends all concur in the opinion that the Ambrotype in your rooms is more like than any thing we have yet had of the kind. My daughter has been repeatedly taken by different Artists in various ways, but I have never yet had one which gave her features so true to nature as all the features upon which your picture is composed seem to do.

From Hon. F. Joy M. C. ills. Nominee to Italy.

The opinion of friends, beauty and value of your portraits, coupled with their durability of color and faithfulness to the original, can not fail to commend them to the attention and patronage of all who appreciate true art.

From Col. James Page.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a man of taste in obtaining, and skill in producing, a good picture, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful in art. LINDSEY'S Improved
BLOOD SEARCHER,
A STANDARD MEDICINE
For the speedy relief and effectual cure of all Diseases arising from IMPURITY OF THE BLOOD

THIS medicine has wrought the most miraculous cures in desperate cases of scrofula

Cutaneous Diseases,	Concealed Gonorrhœa,
Pimples on the face,	Erysipelas, Boils,
Old, stubborn Ulcers,	Sore Eyes, Scald Head,
Tetter or Salt Rheum,	Rheumatic disorders,
Dyspepsia, Jaundice,	Costiveness,
Mercurial diseases,	Salt Rheum,
Liver Complaint,	General debility,
Low Spirits,	Loss of Appetite,
	Total Prostration.

Persons troubled with any of the above diseases should give this remedy a fair trial, and they can not but be convinced of its efficacy in purifying the blood.

The above is a portrait of David M'Creary, of Naples Tow., who, on the 21st day of August 1858, made affidavit before Justice Gourley that he was treated for the cure of Cancer by three physicians of Bradford county, and by Dr. Newton of the Lebanon Valley, Chatham, for a period of nearly eight months, notwithstanding which he (p. 90) says, "I grew worse and worse every day, and every week worse than the last, and although I had no hope when I first tried the medicine, I thought it was better than to die without a trial." And so he tried it. First he thought it killed him, and although only discharged, there is no question but that this invaluable medicine saved his life. The full particulars of this remarkable cure may be seen in a Circular to be had free of the Agents.

We subscribe for a copy of Amos Blackburn's, of Elderton, Armstrong Co., Pa., record of Cancers, after being unable to get out of it for 30 years.

To the record of Jos. Jackson's, of Sparrowbush, Orange Co., who was afflicted with cancer in the right breast.

To the case of George Weber, residing in Carrollstown, Cambria Co., Pa., who was so badly afflicted with Cancer that it cut his clothes to rags, and his case was worse, if possible, than M'Creary's.

The particulars of these cures—every one of which was cured by the use of the "Blood Searcher"—may also be found in a Circular to be had of any of the Agents.

ALL IN BOTTLES.—I beg leave to call the attention of the citizens of the U. S. to the above WINES and LIQUORS, imported by UDOLPHO WOLFE of New York, whose name is familiar in every part of this country for the purity of his celebrated SCHIEDAM SCHNAPPS. Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says:

"I will stake my reputation as a man, my standing as a merchant of over thirty years' residence in the City of New York, that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser."

Every bottle has the Proprietor's name on the wax and a fac-simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. For sale at RETAIL by all Apothecaries and Grocers in Philadelphia.

[Read the following from the *N. Y. Courier.*]

EXTENSIVE RECEPTION OF NEW YORK MERCHANTS.—We are happy to inform our fellow-citizens that there is one place in our city where the pleasures of gallantry, and roaring merriment can still be purchased pure Wines and liquors, as pure as they used to be, of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive warehouse, Nos. 18, 20 and 22, Beaver St., and 17, 19 and 21, Mechanic St. The amount of orders now on hand ready for shipment could not have been less than one hundred thousand dollars, some 300 packages. Visiting at the Brandy, some 30,000 gallons. Undertaking to analyze and test the purity of Madeira, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He had also three large cellars filled with Brandy, Wine, &c., in casks, under Custom House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to 150,000 dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines.

His business merits the patronage of every lover of his liquors. Private families who wish pure Wines and liquors for medical use, should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a movement, should be encouraged against his tens of thousands of opponents in the liquor trade, who sell nothing but intoxicating poisons, ruinous alike to human health and happiness.

DR. O. PHELPS BROWN'S
CALIFORNIA EXPECTORANT
FOR THE PERMANENT
CURE OF CONSUMPTION, BRONCHITIS, ASTHMA, COUGHS, COLDS, & GENERAL DEBILITY, &C.

This remedy is offered as affording a means of speedy relief for the large number that die annually in our land of what is commonly supposed to be such a fatal disease, when in many instances only severe cases exist. Young and old are alike subject to its ravages.

EVERY PERSON

can name one or more of his acquaintances who is suffering from a cough, or some of the kindred complaints, which if not attended to in season, inevitably results in the sad three as a premature grave. To such, help is at hand if they will but avail themselves of it, and hope—the harbinger of brighter days—may be assumed without fear of ultimate disappointment. Dr. O. Phelps Brown's California Expectorant does just what is claimed for it, and can be relied upon by the sick as being the most successful in curing lung and throat disorders, of any remedy known at the present day. The many phases assumed by these complaints preclude the apprehension of those who have reason to fear its approach, either from sensitive chest or hereditary tendency.

While the discoverer of this remedy does not believe that people should be constantly dosing themselves with medicine

TO PREVENT SICKNESS,

there are many cases where disease in the lung allowed to remain unchecked in the system, and a slight cough, regarded by many as too trivial to notice, has fastened upon the life of the patient. In impure state of the blood, through deterioration of the lungs, fails the system with mortal honors, and pulmonic become feeble or are affected to a fearful intensity—the heart, liver, and kidneys, especially performing functions of vital importance, have their energies impaired in their regular action—the entire organic fabric in their task, and refuses to perform the process of repairing the continual losses from local and the whole mental being is well nigh ready to shake under the burden of life. The patient so affected, accounts for every complication of disorders, and often refuses to resort to the inhalation from his thorough belief in any prospect of cure. To such

I ASK THE TRIAL,

of the AMERICAN BALSAM, as thoroughly worthy the confidence of all. Every symptom of consumption is surely and permanently eradicated by its use. To others are some cases that disappointing and remediless in the ordinary modes. Bronchitis, Asthma, Coughs, Colds, and General Debility are effectually cured by its use. Night sweats, Loss of Flesh, and Wasting away of the Muscles, Loss of Appetite, Soreness of the Throat, Chest, and Lungs, Liver Complaint, Palpitation of the Heart, Difficulty of Breathing—all these affections disappear in an incredible short time after using Dr. O. Phelps Brown's American Balsam.

It nourishes and strengthens the patient who is too much reduced to partake of ordinary food. It destroys diseased cores, tubercles and inflammation. It strengthens, heaves and ventilates the brain, and is without a rival as a tonic, supplying electricity or magnetic force to every part of the enfeebled and prostrate body. It needs no lengthy trial to convince any that the AMERICAN BALSAM is truly the greatest remedy of the day, as its beneficial qualities are fully apparent in eight and forty hours after trial.

Let the invalid, then, no longer delay, but make the trial, and the result will surely be of the most gratifying character.

The AMERICAN BALSAM is prepared with the greatest care, and the best materials. No pains or expense are spared to make it what it is—the best known remedy of the age. It may be taken by children and of all ages, and at all times, with perfect safety, and it is more the less powerful in conquering those diseases which sap the foundation and destroy the lives of so many in our midst. Every family should have it, and regard it as a household treasure.

GREAT CURE OF SCROFULA.

The following letter from a highly respected member of the Society of Friends, affords strong evidence of the great superiority of the DEPURATIVE over sarsaparillas and SARSAPARILLA MIXTURES, as well as the various other Medicines in general use for Scrofula.

CURE OF GAINER P. MOORE.

PATTERSONVILLE, Chester Co., Pa., June 21, 1851.

DR. WM. A. DAVIS—Respected Friend: I received a letter from thee a few days since in which thee wished me to give thee a correct statement of Gainer's case from his first attack. He was taken in the fall of 1849, when in his 16th year, with severe pain in his hip and thigh, and a sore broke out on the outside of the thigh. In the course of that time, an ulcer formed on his thigh, which discharged a great deal of bloody water; the knee of the affected leg then commenced swelling, and was very painful; his leg was just now bent, had natural size, there were four holes broke out near his knee and discharged a great quantity of thick matter. He by was advised from his father to try a bottle of Dr. Davis's Compound Extract of Juglans, which he did, and before he had taken the bottle he was able to move the knee joint, which had been stiff ever since the knee was first affected. He then took pains in his arm, and had ulcers on both, which were very painful and sore, and pieces of bone were frequently discovered from the ulcers. His arm was drawn up, and could not be straightened, or extend of itself at will. He accordingly by a physician for a considerable length of time without much benefit. He then took five bottles of DEPURATIVE SARSAPARILLA, without any effect. We next applied to a physician of Lancaster who prescribed a great deal of different medicine without any improvement. Upon receipt of thy sarsaparilla, procured the ingredients to make an Apothecary in Lancaster, and made a gallon, which he took, besides a great quantity of tea made of sarsaparilla root and Sassafras mixed; also Prickly Ash and Burdock Root, but all did little good until he took thy medicine, which we heard of from the benefit it was doing to the son of a neighbor, Henry Brosius. In a very short time, an improvement was perceptible, and continued until he was cured, which was with the twelfth bottle. It has entirely changed him both in health and spirits, for which I feel very grateful indeed and am willing to do all I can (consistent with truth) for the advancement of thy DEPURATIVE and the good of the suffering.

Thy sincere friend, LYDIA MOORE.

Thee may do as thee sees fit with this in welcome.

THROAT DISEASE.

This large class of diseases, including Ulcerations, Inflammations, Bronchial Irritations, &c., is most successfully treated by the use of Dr. Davis' Depurative and Dr. Davis' Throat Application. Read the following case of speedy cure after long continued suffering:

EAST TOWN, Chester Co., July 2, 1859.

DR. DAVIS—Dear Sir: About five years ago, I was attacked with a disease of the throat, which came on gradually, but at times when I would take cold the pain and suffering would be very distressing, accompanied with loss of voice to such an extent that I could not speak above a whisper. The disease continued getting worse, notwithstanding I was under medical treatment of four different physicians. Becoming alarmed at my condition, I concluded to go to Philadelphia and consult you, which you recollect I did in the winter of 1858, when you recommended me to take your Depurative; and by the use of four bottles of it, in connection with your throat application, I was entirely cured, and have remained well. It is now more than a year since the cure was effected. Respectfully, your friend,

MARGARETTA F. BISHOP.

Buckeye Reaper & Mower,

THE Buckeye Reaper & Mower was introduced in 1857, and so perfectly was it adapted to the work designed that at the Greatest Practical Field Trial ever held in this country, in July of the same year, at Syracuse, it triumphantly carried off the

Grand Gold Medal and Diploma!

At the Indiana State Trial, held at Laporte, in 1858, nearly as many machines were represented and as thoroughly tested as at Syracuse, and the

Buckeye was again the Victor!

And so also at nearly all the field trials and exhibitions in 1858, '59 and '60, when it was a competitor. At a number of exhibitions it received the First Premium as a Mower, First Premium as a Reaper and First Premium as a Combined Machine. These numerous awards prove conclusively the correctness of the decision at Syracuse.

The combined opposition of the manufacturers of Mowing and Reaping Machines and their efforts to crush and to bring into disrepute the Buckeye, only served to prove its SUPERIORITY; and the fears they entertained of its final success and triumph were evidences of the real worth and merit of the machine.

The Machine has now passed through four harvests, and during the last three over Nine Thousand have been built and sold—and the farmer may judge of its reputation by the numerous awards made by committees both at field trials and at State and County Exhibitions, as well as from the numerous demands, which the manufacturers have never yet been able to supply.
