The Last Struggle.

The secessionists in the border States of the South are making now their last desperate struggle. Disheartened (the word is literally) by the loss of the last agony. The cries of the mobs set upon Union men in the streets of Richmond, and the vain boasting resolutions of "The Great Hall Hoxer" who attempted, a few days ago, to get up a secession meeting in the midst of the Union-loving population of Louisville, are the last utterances of secession in the southern border States. They are the sounds of the death rattle in the throat of dying institutions. The hearts of the people of Maryland and Virginia and North Carolina and Kentucky and Tennessee and Missouri, and even Arkansas, are fixed unalterably upon the Union. They love the stars and stripes, and will not, with craving cowardice, abandon them from mere whim, or to humor the caprice of reckless demagogues, and disappointed, dishonest politicians, who "deal the livery of heaven to serve the devil in," and

"Cheat the deluded people with a show of liberty, which yet they safer must taste of."

The people of these border States are not only Union-loving, they reverence the constitution and the laws, and they will not on the bidding or on the persuasion of traitors and rebels forswear their allegiance and wantonly disregard their oaths and their duties as citizens. They see nothing as yet in the present administration, Republican though it be, that is not as fair, as just, as equitable to them, as were the administrations of the democratic Pierce and the imbecile Buchanan; aye, they see in the government as it is now administered even more fairness, more justice, more equity, more regard for right and for the common weal than in those which for the last four years have cursed the country and hatched treason in the high places of power, and brought the country to the very verge of perdition.

Disunionism is dying out and a reaction is beginning—a healthful reaction, which will soon extend itself into the seceded States, and with indignation and curses, perhaps with not unprovoked violence, overthrow the mobocratic governments there, set up and maintained by simple force of organisation and of arms, the Union man in the South, even in the gulfs that are now under a military despotism, aspiring to exclaim against the secession fetters, "Let go my right hand!" and sorrow; domestic calamities.

"They say by these our hands, and the tide of power, Yet, whom they please, they shall not, from destruction. Bring whom they please, and I one, Drive as like wrecks the calm of Nature, Whilst so hold's fit these domestic spoilers, All that bear, and tell us 'tis our charter."

But the tide is already begun. The people of the North as well as of the North are growing impatient at the petty despots who would drive the whole nation in ruin, and bring poverty to our homes and desolation to our hearthstones, to gratify their mad ambition and avenge their ignominious but well deserved defeat. They are asking why the cry of distress is heard throughout the land; Why are our wharves silent, our manufactories idle, our business operations everywhere suspended, our mechanics suffering with want, and our hitherto good reputation become a scoff and by-word among nations? The Union men are rousing themselves to their duty, and to indignation, towards those who have done and are doing this grievous wrong. The clamor that was lately heard against the North is being silenced by the thunder tones of an abused people, uttering curses against the southern demagogues who have wantonly and needlessly brought these calamities upon us. This voice of the people will be heard. It will rise from muttering to exclamation, and from exclamation to action, from the banks of the Susquehanna to the shores of the Gulf. The secessionists have had their time. The Union men will now insist upon being heard and heeded. This folly has run its course. It is time for Reason to speak. The voice of Treason must be hushed, for Patriotism is at last aroused.—[Baltimore Clipper.

Where the Slaves Prefer to Fight.

A correspondent of the Philadelphia *Ledger*, writing on board the United States steamer *Wyandotte*, off Pensacola, makes a remarkable statement. He says:

"So far, everything remains quiet here. The Florida and Alabama troops are busy preparing to attack Fort Pickens. It will certainly be a sorrowful day for the attacking party, the day Pickens is compelled to fire. Lieut. Slemmer, in command of Fort Pickens, has arrested eight slaves during the past week. The slaves were making their way to the fort to assist Lieut. Slemmer. They report that they were told there was going to be war, and they must fight. *They preferred fighting under the Stars and Stripes.* They report that one hundred and fifty more are coming to join Pickens. Capt. Bryson, of our ship, took them on board, and delivered the fugitives to the Marshal at Pensacola, to be sent to their masters."

CURE OF ASTHMA.—I feel indebted to Dr. Schenck some time ago in one of his visits to Pittsburgh, at the office of Dr. Keyser, No. 140 Wood st. He was examining patients with lung diseases. One of my lungs and the bronchial tubes were found to be badly diseased. Oftentimes when I coughed I expectorated blood and matter in large quantities. I had night sweats and a great cough, and was greatly debilitated. Dr. Keyser prescribed for me his "Pulmonic Syrup," "Seaweed Tonic" and "Vegetable Pills," and after taking these one month I have so far recovered that I do not spit any more blood or matter, and the cough has nearly left me. I live in Connellsville, Fayette county, Ohio, where I can be seen at any time. Very respectfully, JAMES KOON.

I, WILLIAM W. ALEXANDER, residing on Ann street, Allegheny city, do hereby certify that I have been a sufferer from severe cough and pain in the breast for a number of years. During the whole of this time I have had general debility and dissolution of spirits. I tried every medicine I could hear of, but nothing took hold of my disease. I heard of Doctor Schenck's "Pulmonic Syrup," and that Dr. Keyser, of Pittsburgh, was the agent for the sale of the Doctor's medicines. I purchased one bottle of the "Pulmonic Syrup," and after taking that one bottle I have so far recovered that I do not spit any more blood or matter, and the cough has nearly left me. I live in Connellsville, Fayette county, Ohio, where I can be seen at any time. Very respectfully, WM. W. ALEXANDER.

A Card to the Public.

The amount of bodily and mental misery arising from a neglect of small complaints is incalculable, and it is there before of the utmost importance that a strict attention to the first and most trifling bodily ailments should be had; for diseases of the body invariably affect the mind. DR. MOFFATS VEGETABLE LIFE MEDICINES, in every instance where they have been thoroughly used, have TRIUMPHED OVER DISEASE in almost all its diversified forms. The salutary effects of the Life Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public.

THESE MEDICINES

Have now been before the public for a period of 30 YEARS, and during that time have maintained a HIGH CHARACTER in almost EVERY PART OF THE GLOBE for the extraordinary curative properties which they possess.

IN MANY THOUSANDS

of certified instances, they have even RESCUED SUFFERERS from the very VERGE OF AN UNTIMELY GRAVE, after all the deceptive nostrums of the day have invariably FAILED. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their great, fast and sensible action in purifying the springs and channels of life, and sending them with renewed tone and vigor, that they were indebted for their name.

MOFFAT'S LIFE PILLS

Are composed of VEGETABLE INGREDIENTS, and searching, extensive, as can be ascertained by the great apertient of prominent qualities are those of a gentle purgation, of though perfectly mild and mild, yet effectually searching the kidneys and bladder; a gentle aperitive, promoting the exciting appetite by the a pleasant diuretic, invigorating and cheering the mind with and of a delightful invigorated health which is one of the demands of action of our nature.

PHŒNIX BITTERS!!!

Eliminated from their astonishing powers of dressing and strength, as it were from the ashes of the old dilapidated constitution—are to be strongly tonic and more immediately invigorating than the Pills combining the same choice vegetable extracts as the latter, in a different medication. Although really less cathartic than the LIFE PILLS, they nevertheless begin to cleanse the alimentary canal much sooner, and generally slightly operating within three or four hours, and producing a decided sense of relief to the Head and Stomach, and exhilarating the Mind, even in less time than this.

MOFFAT'S LIFE PILLS!!!

In All Complaints of the Head, such as Headache or Nervous Headache, for these Pills will be found to be the most salutary efficacy.

MOFFAT'S PHŒNIX BITTERS!!!

Have been happily used for the cure of FEVER AND AGUE, with INVARIABLE SUCCESS!

BILIOUS COMPLAINTS, AND A MODE OF CURE!!!

A well-regulated and proportionate quantity of bile upon the stomach is always requisite for the promotion of good health—it stimulates digestion and keeps the bowels in healthy action, and thus keeps the system free from all obstructions. When there is a deficiency of bile, the body becomes constantly costive. On the other hand, an overabundance of bile causes frequent nausea in the stomach, and often promotes a very severe attack of diseases, which sometimes end in death.

Dr. Moffat's Life Medicines!!!

Should be taken in the EARLY STAGES of Bilious complaints and if persevered in strictly according to directions, will POSITIVELY EFFECT A CURE!

PILES! PILES! PILES!

As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deservedly merited and enjoyed the most extensive reputation. It is well known to hundreds in this city that the former proprietor of these vegetable Medicines was himself afflicted with this complaint for upwards of *thirty* years; and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced as totally improbable, but absolutely impossible, by any human means.

MOFFATS

Life Pills and Phoenix Bitters!!!

CURES DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind; FLATULENCY, LOSS OF APPETITE, HEADACHE, GIDDINESS, FULNESS OF BLOOD, &c., &c., and MELANCHOLY, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

THE

LIFE MEDICINES!

FOR BILIOUS AND LIVER COMPLAINTS, with their many well-known attendants, *Bilious and Sick Headaches, Pain and Oppression after Meals, Giddiness, Dizziness, Heartburn, Loss of Appetite*, are acknowledged to be vastly superior to anything ever before offered to the public.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these medicines a speedy and sure cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

SCROFULA!

The most horrible cases of *Scrofula*, in which the Face, Bones and Limbs of the victim had been preyed upon by this loathsome disease, are proved by undeniable authority to have been cured by the use of these Medicines, after all others had failed.

Acute or Inflammatory Rheumatism!

ARTHRITIS CHRONICA, OR CHRONIC RHEUMATISM!!

These diseases, which are among the most painful, and, by ignorant treatment, the most intractable to which suffering humanity is liable, are cured, *rapidly* and permanently cured, by a proper course of the LIFE PILLS and PHŒNIX BITTERS.

MOFFAT'S PILLS AND BITTERS!!!

"But it is unnecessary to enumerate the many cases in which these purely vegetable medicines have been successful, but let an inquiry, Why are they so universal in their happy effects?

Because they PURIFY THE BLOOD, and thus remove all causes of disease in the system.

Because they act powerfully upon the secretions of the bowels, and remove all impurities at once.

Because they do not reduce the system, but invigorate it—thus requiring no restraint from pleasure or business during their operation.

TRY MY MEDICINES!!!

Try but a Single Dose of the

LIFE PILLS!!

TRY THEM! BE SATISFIED!! BE CURED!!!

In all Acute diseases, such as Fevers, Inflammations, Diarrhea, Dysentery, Croup, Rheumatism, and such eruptive diseases as Scarlet Fever, Measles, and Erysipelas, the advantages of giving the proper remedies promptly is obvious, and in all such cases the specifics will prove a blessing. The entire disease is often arrested at once, and in all cases the violence of the attack is moderated, the disease shortened, and rendered less dangerous.

Coughs and Colds, which are of such frequent occurrence, and which so often lay the foundation of diseased lungs, bronchitis and consumption, may all be at once cured by the Fever and Cough Pills.

In all chronic diseases, such as Dyspepsia, Weak Stomach, Constipation, Liver Complaints, Piles, Female Debility, and Irregularities, old Headaches, Sore or Weak Eyes, Chronic Rheumatism, and other old eruptions, the case has specifics which have proved application will afford a cure in almost every case. Often the cure of a single chronic difficulty, such as Dyspepsia, Piles or Catarrh, Headache or Female Weakness, has more than paid for the case ten times over.

HENRY H. COSTAR.—All the summer I have been troubled with Roaches and Mice. I was at last advised of the house, for the Roaches were every where. I purchased a box of your Exterminator and tried it, and in one week there was not a Roach or Mouse to be seen.—JOHN S. GIVANS, No. 91 Elm Street.

HOUSEKEEPERS—troubled with vermin, need be no longer, if they use "Costar's" Exterminator.—It has never failed with us, and if a box cost $5, we would have it.—W. Ward, Hudson st.
