DR. SWAYNE IN THE SOUTH.

THE following letter just come to hand, and will be read with interest. The patient suffered intolerably, and could find no relief until he used Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY. It is certainly the most wonderful cure on record!—Read it.

Wilmington, N. C., Jan. 12th, 1847.

DR. SWAYNE—Dear Sir: Having been almost miraculously cured by your valuable medicine, I think it not more than common gratitude in me to make one addition to the long list of certificates which you have received of remarkable cures by your medicine. During the two years preceding last August, I was very much distressed by a very bad cold and racking cough, and during the latter part of the time it continued to grow worse, and indeed, in July my friends gave me over, having tried all kinds of medicine, said to be good for such diseases, without the least good effect. I was reduced almost to a perfect corpse, and had scarcely any flesh upon my body, and for a long time never thought to rise from my bed again. A friend one day asked me if I had tried Dr. SWAYNE'S Compound Syrup of WILD CHERRY, and advised me to do so at once, as he heard that it had worked a great many wonderful cures. I took his advice, and after using up several bottles of it, I grew so much better that I was enabled to leave my bed, and afterwards to walk about the house, and on out into the street. I was encouraged by this, and continued the use of your medicine, and now, by means of its wonderful curative powers, I am perfectly well, and enjoy the use of all my faculties, just as much as if I had never been afflicted in the way I described to you. I have written this not thinking that it will at all interest you, but humbly hoping that it will have its mite of influence in causing your valuable medicine to be spread among mankind, and in assisting to raise you to that station which you richly deserve, for your persevering efforts for the public good.

Respectfully your friend and admirer,
JAMES R. MAISLAND.

Comment on such evidence as the above is unnecessary. A single trial will place Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY beyond the reach of competition in the estimation of every patient.—But its healing virtue will be its best recommendation.

Beware of Imposition—Attempts have often been made by unprincipled individuals to impose upon the community a spurious article. Stealing nearly the whole of the name of my preparation. To fully guard against such base and palpable imposition, the public should shun all preparations purporting to contain Wild Cherry, except that bearing the signature of DR. H. SWAYNE on each bottle. The name of DR. SWAYNE, in connection with the Compound Syrup of Wild Cherry, has never yet been counterfeited. So if persons would bear in mind the name of DR. SWAYNE, they may be sure of obtaining the original and genuine article.

Beware of the worthless 'Balsams,' 'Bitters,' 'Syrups,' &c., as they contain none of the virtues of the original preparation.

The (original and only) genuine article is prepared by DR. SWAYNE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

VENI, VIDI, VICI.—Dr. ALLEN'S VEGETABLE COMPOUND for the cure of DYSPEPSIA, LIVER COMPLAINT, NERVOUS DEBILITY, BILIOUS AFFECTIONS, &c. This Medicine is offered to the public under the assurance that there is no article in existence having stronger claims to their consideration. Being compounded by a regular Graduate of Jefferson College, Philadelphia, and a practising physician of twenty years' standing in Philadelphia, his long experience has confirmed him in the opinion that a compound medicine was required to prevent and remedy the debilitation produced by residing in low, miasmatic climates, and to counteract the prostrating influences of many nervous disorders with which the human family are afflicted.

DR. ALLEN is a well known physician, and has used the above medicine in his practice for 8 years with the most astonishing effect, having tested its qualities in above

FIVE THOUSAND CASES.

No medicine ever received more flattering recommendations from physicians of eminent standing than has been bestowed on this.

DYSPEPSIA OR INDIGESTION AND ITS CONSEQUENCES.—An eminent Professor says:—"It chiefly arises in persons who lead either a very sedentary or irregular life. Although not regarded as a fatal disease; yet if neglected or improperly treated, may bring on incurable Melancholy, Jaundice, Madness, or Vertigo, Palsy and Apoplexy. A great singularity attendant on it is, that it may and often does continue a great length of time without any remission of the symptoms.

CAUSES.—Grief and uneasiness of mind, intense study, profuse evacuations, excess in venery, excessive use of spirituous liquors, tea, tobacco, opium, and other narcotics, immoderate repletion, over distention of the stomach, a deficiency of the secretion of the bile or gastric juice, exposure to cold and damp air, are the chief causes of this disease.

SYMPTOMS.—Loss of appetite, nausea, heartburn, acidity, and fœtid eructations, gnawing of the stomach when empty, uneasiness in the throat, pain in the side, costiveness, chillness, languor, lowness of spirits, palpitations, and disturbed sleep."

TREATMENT.—*DR. ALLEN'S VEGETABLE COMPOUND* has never failed in affording immediate relief, and a radical cure for this disease.

☞ This Medicine can be had of H. B Masser, Sunbury; J. C. Martin, Pottsville, Medlar & Bickel, Orwigsburg; and of Druggists generally.

DR. CULLEN'S Indian Vegetable Panacea.

STILL ANOTHER CURE.

MESSRS. ROWAND & WALTON.—Gentlemen,—It is with pleasure that I give you the following history of my case, which, from its severity and long continuance under the best medical attendance I could procure, affords a striking illustration of the wonderful superiority of your Dr. CULLEN'S INDIAN VEGETABLE PANACEA over all the popular remedies of the day.

It was my misfortune to inherit Scrofula, which made its appearance (as my mother informed me) when I was but a few months old, but was not very troublesome until my 25th year, when it attacked my right elbow, and stiffened the joint. About eight years after this, it made its appearance on my arm again, almost covering it with ulcers. At the same time it attacked my throat also, filling it with ulcers. My tongue became frightfully swollen, and almost as hard as a piece of wood.

I applied to one of the most skilful physicians in Norristown, Pa., where I resided at the time, but the disease seemed beyond his reach. He advised me to come to Philadelphia and consult the late Dr. Parrish. I did so, and was under his care for a short time, when he advised me to return home, as my physician could do as much for me as he could. This was certainly not very encouraging. I returned, and was for four or five years most of the time under treatment, when the Doctor informed me that his resources were exhausted, and I was at liberty to try any thing I thought would do me good.

I then took Oakley's Sarsaparilla, which at first seemed to do me good, but soon lost its power, and was discontinued. I have taken Swaim's Panacea, Marshall's, Houck's, Leidy's and other preparations of Sarsaparilla, without effect. My throat was still ulcerated, my palate entirely eaten away, my face and nose much swollen, and exceedingly painful.

This state rested so in January last, when I commenced with Dr. CULLEN'S INDIAN VEGETABLE PANACEA, and I frankly confess, if your medicine had required FAITH to ensure a cure, it would have failed in my case; for I had tried so much trash that my confidence in medicine was gone; and it was only as a drowning man will grasp a straw, that I commenced with the Panacea.

But strange as it may appear, the inflammation and soreness were almost entirely removed in 36 hours, satisfying me that I had got hold of a medicine which I had not used before, and which would cure me. My anticipations have to all appearance been realized, for I am healthier than I have been for seventeen years. My skin has assumed a healthy appearance. My head, which had troubled me for so many years, is now free from all disagreeable sensations; my throat is sound; and so far as I can judge, the disease is completely eradicated from my system.

I shall be happy to give any further information to any who choose to call upon me at my residence in Poplar street, first house east of Eighth street, north side. JOSEPH BARBOUR.

PHILADELPHIA MEDICAL HOUSE,

Established 15 years ago, by Dr. KINKELIN.

The oldest, surest and best hand to cure all forms of secret diseases, diseases of the skin and solitary habits of youth, is

DR. KINKELIN,

N. W. corner of 3d and Union sts., between Spruce and Pine, 1½ squares from the Exchange.

YOUNG MEN! if you value your life or your health, remember, the delay of a month, may, even a week, may prove your ruin, both of body and mind. Hence let no false modesty deter you from making your case known to one who, from education and respectability, can alone be friend you. He who places himself under Dr. KINKELIN'S treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be forever locked the secret of the patient.

Too many think they will hug the secret to their own hearts, and cure themselves. Alas! how often is this a fatal delusion, and how many a promising young man, who might have been an ornament to society, has faded from the earth.

COUNTRY INVALIDS,

finding it inconvenient to make personal application, can, by stating their case explicitly, together with all their symptoms, (per letter post-paid,) have forwarded to them a chest containing Dr. K's medicines appropriated accordingly.

Packages of Medicines forwarded to any part of the United States at a moment's notice.

SILENCE

THAT DREADFUL COUGH! THE LUNGS ARE IN DANGER, THE WORK OF THE DESTROYER HAS BEEN BEGUN, THE COUGH OF CONSUMPTION HATH IN IT A SOUND OF DEATH.

ARE YOU A MOTHER? Your darling child, your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, her thin shrunken fingers, tell the hold disease has already gained upon her—the sound of her sepulchral cough pierces your soul.

YOUNG MAN, when just about to enter life, disease sheds a heart crushing blight over the fair prospects of the future—your hectic cough and feeble limbs tell of your loss and hope, but you need not despair. There is a balm which will heal the wounded lungs, it is

SHERMAN'S
ALL-HEALING BALSAM.

Mrs. ATTREE, the wife of Wm. H Attree, Esq. was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. GARRABRANTZ, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels and makes the lungs sound again.

Rev. HENRY JONES, 108 Eighth avenue, was cured of cough and catarrhal affections of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy street, gave it to a sister-in-law who was laboring under consumption, and to another sorely afflicted with the Asthma. In both cases, its effects were immediate, soon restoring them to comfortable health.

Mrs. LUCRETIA WELLS, 95 Christie street, suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

Price 25 cents and $1 per bottle.

Dr. Sherman's Cough and Worm Lozenges, and Poor Man's Plaster sold as above.

SIX YEARS AGO

THE children began to cry for Sherman's Lozenges. The noise was not so loud at that time, but it has kept increasing ever since, and now has become so great that the mouths of the little ones can scarce be stopped. Dr. Sherman sympathizes with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his infallible

WORM LOZENGES,

he has entered into arrangements for enlarging his Manufactory, by means of which he thinks he will be able to supply the demand. And the same pains and care will be taken, that these celebrated Lozenges be made as they have always been, in order that those who depend upon them, may not be disappointed in their hopes. He knew when, he commenced the manufacture of the *Worm Lozenges*, that they would supersede the use of every other vermifuge, as the Lozenge is *very pleasant* to the taste, *speedy* in its effects, as well as *certain*, and the quantity required to effect a *perfect cure*, is very small. These properties in connexion with the fact that they are sold for 25 cents per box, thus placing them in the reach of the poorest man in the land, has not only caused them to take the place of every other vermifuge ever offered, but also rendered them popular to the community.

Dr. Sherman's

COUGH LOZENGES

continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of Breathing, and other diseases of the Lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight cold, they have only to step to either the Dr's. office, or one of the Agents, and obtain a box of his Cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects, will never be without them.

SHERMAN'S

POOR MAN'S PLASTER

has cured more cases of Rheumatism, Pain in the Back, Side and Chest, Lumbago and Weakness, than any application that has ever been made. As the celebrity of the Plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and palm it off upon the community as the genuine. ☞ Beware of Deception. ☞ Remember that the true and genuine Plaster is spread upon red linen paper made expressly for the purpose, and in every case the signature of Dr. Sherman is print d upon the back of the Plaster, and the whole secured by Copy Right. None others are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau street, and you will not be disappointed.

Remember the number, 106 Nassau st., where all Dr. Sherman's Lozenges are sold. His Agents are Mrs. Hays, 139 Fulton street, Brooklyn; Hinsson, Williamsburg; and Redding & Co., Boston, and JOHN YOUNG, Sunbury.

DR. LE ROY'S Vegetable Universal Pills,

The only known Medicine that at the same time purges purifies and strengthens the system.

LONDON, July 7, 1846.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no re-action. Dr. Le Roy's pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations. ☞ Price 25 cents per BOX.
