WE GUARANTEE LOWEST PRICES!

30 DAY PRICE GUARANTEE
If you should find identical merchandise that you can purchase at a lower price than we sold it to you, Wander Way will refund the difference to you in cash within 30 days from date of purchase. All merchandise must be available from another established local area merchant, be the same make and model, and be new — not a floor sample. If anything you purchased is to be found at a lower price in this area, we will refund the difference plus 10%.

ONE YEAR SPEAKER EXCHANGE
If for any reason within one year after purchase of a component system from Wander Way, you would rather have a different speaker system, you will receive FULL CREDIT of your purchase price toward the price of any equivalently or higher priced speaker.
