WASHINGTON, Sept. 15, 1862.

HEADQUARTERS ARMY OF THE POTOMAC, Three miles beyond Middletown, September 14—9:40, p. m.

To H. W. Halleck, General-in-Chief: After a very severe engagement, the corps of Gens. Hooker and Reno have carried the heights commanding the Hagerstown road.

The troops behaved magnificently. They never fought better.

Gen. Franklin has been engaged on the extreme left. I do not yet know the result, except that the firing indicates progress on his part.

The action continued till after dark, and terminated in leaving us in possession of the entire crest.

It has been a glorious victory.

I cannot yet tell whether the enemy will retreat during the night or appear in increased force in the morning.

I regret to add that the gallant and able General Reno is killed.

(Signed) G. B. McCLELLAN, Major General.

SECOND DISPATCH FROM M'CLELLAN'S HEADQUARTERS.

HEADQUARTERS ARMY OF THE POTOMAC, September 15—3 o'clock A. M.

Major General H. W. Halleck, General-in-Chief: I am happy to inform you that Franklin's success on the left was as complete as that on the centre and right, and resulted in his getting possession of the Gap, after a severe engagement in all parts of the line.

The troops, old and new, behaved with the utmost steadiness and gallantry, carrying with but little assistance from our own artillery, every strong position defended by artillery and infantry. I do not think our loss is very severe.

The corps of A. S. Hill and Longstreet were engaged with our right. We have taken a considerable number of prisoners.

The enemy dispersed during the night.

Our troops are now advancing in pursuit of them. I do not yet know where he will next be found. Signed,

GEO. B. McCLELLAN, Major General Commanding.

THIRD DISPATCH FROM GEN. M'CLELLAN.

HEADQUARTERS ARMY OF THE POTOMAC, September 15—8 a. m.

To H. W. Halleck, General-in-Chief: I have just heard from Gen. Hooker, in the advance, who states that the information is perfectly reliable that the enemy is making for the river in a perfect panic, and Gen. Lee, last night, stated publicly that he must admit they had been shockingly whipped. I am hurrying everything forward to press their retreat to the utmost.

(Signed) GEO. B. McCLELLAN, Major General.

FOURTH DISPATCH.

HEADQUARTERS ARMY OF THE POTOMAC, BOLIVAR, September 15—10 o'clock A. M.

To Gen. Halleck, Commander-in-Chief:

Information has this moment been received, completely confirming the rout and demoralization of the rebel army. Gen. Lee is reported wounded, and Gen. Garland killed. Gen. Hooker alone has over one thousand more prisoners, seven hundred having been sent to Frederick. It is stated that General Lee gives his loss at fifteen thousand. We are following them as rapidly as the men can move.

(Signed) G. B. McCLELLAN, Major General.

PHILADELPHIA, Sept. 15.—The *Bulletin* has the following special dispatches from Harrisburg this noon:

It has been ascertained that the firing heard yesterday at Greencastle and Hanover was from a battle near Middletown, Md., between Gen. McClellan's advance and the rebels. The latter fell back two miles, and sent for support. Longstreet's Division was sent from Hagerstown to reinforce, and it is probable that there has been a renewed battle to-day.

The rebel pickets have fallen back to within a mile and a half of Hagerstown.

The force remaining there consists of Bunn's cavalry and a small force of infantry.

A force of Union cavalry reached Green Castle, from Harper's Ferry, this morning. Gen. Miles, in command there, still held his position, but the rebels were planting guns on the Maryland Heights, which command Bolivar Heights on the Virginia side, where Gen. Miles is posted. It is feared that Miles will be compelled to surrender to-day.

BALTIMORE, Sept. 15.—A dispatch from the Monocacy says that there has been no firing this morning, and it is presumed that the battle has not been renewed.

Gen. Reno's body is expected to arrive here this afternoon.

From Harrisburg—The Forces in Maryland—The Draft Postponed.

HARRISBURG, Sept. 15.—Scouts who left Hagerstown at three o'clock yesterday afternoon, say that Longstreet's division, except Toombs' brigade, had left Hagerstown.

The citizens report that McClellan had been driven back two miles, but the final issue was so critical as to make it necessary for the rebels to order back Longstreet's corps to reinforce them.

Col. Bunn's cavalry and Gen. Toombs' brigade remain at Hagerstown.

Loring's division, which was encamped on the Boonsboro road, had also left.

A large body of our cavalry has arrived at Green Castle, cutting their way through from the neighborhood of Harper's Ferry. Gen. Miles still held his position.

Five of the rebel cavalry were captured by a squad of infantry at a point between Green Castle and the State line, who brought them into Chambersburg this morning.

By authority of Governor Curtin, the draft, which was ordered to have been made on the 15th, has been postponed till the 25th.

From Western Virginia—Col. Lightburn's Advance at Ripley.

CINCINNATI, Sept. 15.—Advices from Gallipolis say that Col. Lightburn's advance reached Ripley, Va., at 10 o'clock last night. Passengers on the Marietta & Cincinnati railroad report heavy cannonading in the direction of Ravenswood, on the Ohio river.

Consul Recognized.

WASHINGTON, Sept. 15.—The President has recognized George H. Gerlach Consul of the Free Hanse City of Lubeck, for the States of Ohio, Indiana, Illinois and Wisconsin, to reside at Cincinnati.

Latest from Europe.

CAPE RACE, Sept. 14.—The steamship Bohemian passed this point this morning. Her dates are to the 5th inst.

The steamship Scotia arrived on the 4th, and the Bavaria on the 5th inst.

Italian affairs remain unchanged. It is still uncertain what disposition will be made of Garibaldi.

LIVERPOOL, Sept. 5th.—The sales of cotton for the week have been 5,000 bales, 5,500 bales being taken by speculators and exporters. The market opened buoyant, with an advance, but closed nominal, with only an advance of ⅛d on the week, owing to expected heavy arrivals. Middling Orleans is quoted at 29d. The stock in port amounts to 58,000 bales.

Breadstuffs are quiet and steady.

Provisions are dull.

Consols are quoted at 93⅜@93½.
