Go to Tipton's in the corner—
In the corner in the Diamond—
In the Diamond near McClellan's,
If you want your hair dressed finely—
If you want your face shaved smoothly.
Bachelors who never knew it—
Tip's the fellow that can do it—
Do it in the latest fashion—
Do it quick and do it neatly,
And improve your fine looks greatly,
Make you look so young and sprightly,
Make you feel more young and brightly,
Make you feel like going nightly
To call upon some pretty damsel
Who before would not look at you,
At you as you passed her daily,
Daily on the public street.
And young men who wear moustaches,
Who want some one to sew patches—
Patches where your brooches tear—
Tip's the boy to make up matches—
Matches with some lady fair.
Then repair to Tipton's shop,

The Liver Invigorator,

PREPARED by Dr. SANFORD, compounded entirely from GUMS, is one of the best Purgative and Liver Medicines now before the public, that acts as a *Cathartic*, easier, milder, and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liver* remedy, acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build up with unusual rapidity.

THE LIVER is one of the principal regulators of the human body; and when it performs it functions, the powers of the system are fully developed. The *stomach* is almost entirely dependent on the healthy action of the *Liver* for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, suffers in consequence, and the whole system of one organ—the LIVER—having ceased to do its duty.—For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than 20 years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with LIVER COMPLAINT, in any of its forms, has but to try a bottle, and conviction is certain. It removes all morbid or bad matter from the system, supplying in their place a flow of bile, invigorating the stomach, causing good DIGESTION, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

BILIOUS ATTACKS are cured, AND, WHAT IS BETTER, PREVENTED, by the occasional use of the LIVER INVIGORATOR.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents NIGHTMARE.

Only one dose taken at night, loosens the bowels gently, and cures COSTIVENESS.

One dose taken after each meal will cure DYSPEPSIA.
