One Member of Assembly;

One Associate Judge;

One County Commissioner;

One County Auditor;

Particular attention is directed to the Act of Assembly, passed the 27th day of February, 1839, entitled "An act relative to voting at elections in Adams, Dauphin, York, Lancaster, Cumberland, Bradford, Centre, Greene, and Erie," [illegible]

SECTION 2. That any fraud committed by any person voting in the manner above prescribed, shall be punished by the existing laws of this Commonwealth.

Attention is also directed to the following section of the Act of the General Assembly of the session of 1851, entitled "An act to provide for the election of Judges of the several Courts of this Commonwealth:"

SECTION 4. That the election for Judges shall be held and conducted in the several election districts in the same manner in all respects as elections for representatives are or shall be held and conducted, and by the same Judges, Inspectors, and other officers; and the provisions of the act of the General Assembly, entitled "An act relating to the elections of this Commonwealth," approved the second day of July, one thousand eight hundred and thirty-nine, and the several supplements, and all other laws, so far as the same shall be in force and applicable, shall be deemed and taken to apply to the election of Judges: Provided, That no than three said Electors shall vote for judges of the Supreme Court on a separate piece of paper, and for all other judges required to be learned in the law, on another separate piece of paper.

And in order that the qualified voters of the several counties may be informed that the act of Assembly entitled "An act relating to vote tickets, and for other purposes," passed April 20th, 1840, it is enacted, that the whole said 14th section, shall not be construed, to prevent any qualified officer or borough officer, from serving as judge, inspector or clerk, at any general or special election in this Commonwealth.

ISAAC LIGHTNER,

Sheriff's Office, Gettysburg, Sept. 13, '58.

And in pursuance of the act of Assembly, I hereby make known and give notice that the General Assembly of the Commonwealth of Pennsylvania, at their session which will commence on the first Tuesday of January next, will be informed that there have been no returns of any election of Judges, Inspectors and Judges of elections within the counties of Adams, Franklin, Bedford, Fulton and Juniata, on the day of the last general election, for the reason that no votes were given for Judges of the Supreme Court, Canal Commissioner and Congress, and that in the several townships and districts in said counties no votes were given for Inspectors and Judges of elections, for the reason that no tickets were voted for the persons to fill those offices.

Elastic Cement Roofing.

THE subscriber is prepared to contract and put on at the shortest notice, W. E. Child & Co's. *Patent Fire and Water Proof Elastic Cement Roofing.*

It is perfectly Fire and Water proof, and in point of durability is equal to, if not superior, to any Metalic Roofing. It can be put on over tin, tar, iron, or shingle roofs, however flat or steep they may be.

In point of resisting the elements of fire and water, nothing has yet been discovered equal to the Elastic Cement.

Those who have used it, have testified that it is the very perfection of Roofing, and that there is no further room for improvement.—No one will now think of putting on shingles, when this Cement can be had for much less money and will outwear four shingle roofs. This Roofing is warranted as represented.

The Elastic Cement is the cheapest and best protection from decay for wood exposed to the weather or dampness of the ground. It is also the best paint for iron, effectually preventing rust, and wherever applied perfectly excludes dampness.

The subscriber has this Cement for sale in quantities to suit. For further information, apply to GEORGE A. COLE,
Frederick City, Md.

The Great Ambassador of Health to all Mankind.

Holloway's Pills.

A BOON TO THE SICK!—The want of a sterling medicinal to meet the ills and necessities of the suffering portion of humanity, and one entirely free from mineral and other deleterious particles, was severely felt till this all powerful medicine was ushered into the world; HOLLOWAY'S INVALUABLE PILLS have become the household REMEDY of all nations. Their attribute is to PREVENT as well as to CURE; they attack the RADIX or root of the complaint, and thus by removing the hidden cause of disease reinvigorate and restore the drooping energies of the system, assisting nature in her task of VITAL and FUNCTIONARY REFORMATION.

DYSPEPSIA.—The great scourge of this continent yields quickly to a course of these antiseptic Pills, and the digestive organs are restored to their proper tone; no matter in what hideous shape this Hydra of disease exhibits itself, this searching and unerring remedy disperses it from the patient's system.

GENERAL DEBILITY AND WEAKNESS.—From whatever cause, lowness of spirits, and all other signs of a diseased liver, and other disorganizations of the system, vanish under the eradicating influence of this all powerful antiseptic and detergent remedy.

BILIOUS DISORDERS.—The proper quantum and right condition of the bile is of momentous importance to the health of the human frame; this anti-bilious medicine expels the hidden seeds of the complaint, and renders all the fluids and secretions pure and fluent, cleansing and resuscitating the vital functions of the body.

SICKLY FEMALES—Should lose no time in trying a few doses of this regulating and renovating remedy, whatever may be their complaint, it can be taken with safety in all periodical and other disorganizations. Its effect is all but miraculous.

UNREFUTED PROOF.—The testimony of Nations is unanimously borne to the health-giving virtues of his noble remedy, and certificates in every living language bear witness to the undeniableness of their intrinsic worth.

Holloway's Pills are the best remedy known in the world for the following diseases:

Asthma,	Dropsy,	Inward Weakness,
Bowel Complaints,	Debility,	Liver Complaints,
Coughs,	Fever and Ague,	Lowness of Spirits,
Colds,	Female Complaints,	Piles,
Chest Diseases,	Headaches,	Stone and Gravel,
Costiveness,	Indigestion,	Secondary Symptoms,
Dyspepsia,	Influenza,	Venereal Affections,
Diarrhœa,	Inflammation,	Worms of all kinds.

☞ *Caution!*—None are genuine unless the words "*Holloway, New York and London,*" are discernible as a *water-mark* in every leaf of the book of directions around each pot or box; the same may be plainly seen by *holding the leaf to the light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

☞ Sold at the Manufactories of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 63 cents, and $1 each. A. D. BUEHLER, Agent Gettysburg.

☞ There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box. (June 7, 1858. 6mwly.)

The Liver Invigorator,

PREPARED by Dr. SANFORD, compounded entirely from GUMS, is one of the best Purgative and Liver Medicines now before the public, that acts as a *Cathartic*, cooper, milder, and more effectual than any other medicine known. It is not an *Cathartic*, but a *Liver* remedy, acting first on the Liver to effect its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses, will strengthen and build up with unusual rapidity.

The LIVER is one of the principal regulators of the human body; and when it performs it functions well, the powers of the system are fully developed. The *stomach* is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the LIVER—having ceased to do its duty. For the diseases of that organ one of the proprietors has made it his study, in a practice of more than 20 years, to find some remedy where with to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with LIVER COMPLAINT, in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a flow of bile, invigorating the stomach, causing food to digest well, PURIFYING THE BLOOD, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

BILIOUS ATTACKS are cured, AND, WHAT IS BETTER, PREVENTED, by the occasional use of the LIVER INVIGORATOR.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents NIGHTMARE.

Only one dose taken at night, loosens the bowels gently, and cures COSTIVENESS.

One dose taken every each meal will cure DYSPEPSIA.

☞ One dose of two teaspoonfuls will always relieve SICK HEADACHE.

One dose taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves CHOLIC, while

One dose often repeated is a sure cure for CHOLERA MORBUS, and a preventive of CHOLERA.

☞ Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

☞ One bottle taken for JAUNDICE removes all sallowness of complexion from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose, often repeated, cures CHRONIC DIARRHŒA in its worst forms, while SUMMER and BOWEL complaints yield almost to the first dose.

One or two doses cure attacks caused by Worms in Children; there is no surer, safer, or speedier remedy in the world, as it *never fails.*

☞ A few bottles cure DROPSY, by exciting the absorbents.
