Special Notices.

HOLLOWAY'S OINTMENT AND PILLS.—*Spurious Preparations.—Counterfeits of these celebrated remedies* may be instantly detected. Unless the words "Holloway, New York and London," are distinguishable as a water-mark on each leaf of the book of directions accompanying the preparations, the articles are fraudulent—Erysipelas, or St. Anthony's fire, salt rheum, neuralgia, and acute or chronic rheumatism, are among the external diseases for which the Ointment is an absolute obliterant; and indigestion, with all its painful concomitants, is effectually disposed of by the use of the Pills. They are at once cathartic, disinfectant, alterative, and restorative.

COMFORT FOR THE BALDHEADS.—A Paris letter writer says: "All the great bankers are bald—all the diplomatists, all the editors, all the managers of the theatres, all the officers of the army, all the senators, all the deputies, all the counsellors of State, all the magistrates. The most elegant men of Paris are bald; the writers are all bald. Baldness is becoming the sign of power, for every man who thinks hard in these days, thinks off his hair—Hail to the Bald-Head oracy!" In this country all the hard thinkers are distinguished by wearing garments procured at the Brown stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth, Philadelphia.

NOTHING ELSE DOES ME ANY GOOD.—LANCASTER C. H., S. C., May, 1856.—Dr. C. M. Jackson, Philadelphia. *Dear Sir*—I have been afflicted with *Dyspepsia for a number of years*, and until three weeks since I could find nothing which would afford me relief. Fortunately for me, I heard of "Dr. Hoofland's German Bitters," and thought I would try them. I did, however, with much faith that I should be benefited by their use.

To my surprise, I found that on taking a few doses I was relieved of the pain in my side and chest, my appetite became good, I gained strength, and in fact felt stronger and in better health than I had for a long time. I do not allow myself to be out of the Bitters if I can obtain them, for nothing else does me any good. I am willing at all times and ready to state my case to any one who may wish to know the full particulars, and shall with pleasure recommend them to all who may be afflicted with Dyspepsia or Liver Complaint, for I believe if anything will give them relief, they will be relieved by Hoofland's German Bitters. Many persons in this district have used the Bitters with beneficial results, and I have no doubt you could get a number of certificates, were you to ask for them. For my certain knowledge quite a number have been very much benefited by the use of your medicine.

I almost forgot to mention that my daughter, about six years of age, was cured of Jaundice by Hoofland's German Bitters. I think best to mention this, as I have never known the medicine used in any other case of the kind.

Respectfully yours, A. HALES.
Witness—J. D. Glenn. Silversmith.

These Bitters are prepared by Dr. C. M. Jackson, 418 Arch street, Philadelphia, Pa., and are sold at 75 cents per bottle, by druggists and storekeepers in every town and village in the United States, Canadas and South America.

FITS! FITS! FITS!—Persons laboring under this distressing malady will find Dr Hasse's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits. These Pills possess a specific action on the *nervous system; and although prepared especially for the* purpose of curing Fits, they will be found of especial benefit to all persons afflicted with weak nerves, or whose nervous system has been prostrated or shattered from any cause whatever. The dyspeptic patient, whose stomach has lost the power of duly converting food into a life sustaining element, is relieved by a single course of the extraordinary Pills. The gastric fluid re-acquires its solvent power, and the crude nutriment which was a load and a burden to the sufferer, while his digestive organization was paralyzed and unstrung, becomes under the wholesome revolution created in the system, the basis of strength, activity, and health.

THE OXYGENATED BITTERS.—Nature, in her great laboratory, has stored some remedy adapted to every disease which "flesh is heir to." But it requires the investigation and research of the philosopher to discover and apply this remedy. Such research and investigation has succeeded in discovering a remedy for that most afflictive dispensation, the DYSPEPSIA, with all its lesser and numerous evils; and it may be safely asserted that until the appearance of the Oxygenated Bitters a case of Dyspepsia cured, was a rare experience in medical practice. Now under the influence of these Bitters the rule is to cure, the rare exception, failure to cure.

Read the following, which the subscriber requests us to publish for the benefit of the afflicted:

An Obdurate and Inveterate Case of Dyspepsia Cured by the Oxygenated Bitters.—The following from a gentleman well known in the region in which he lives ought to satisfy all those of little faith:

WAYNESTOWN, N. Y., July 28, 1858.

S. W. FOWLE & Co., Boston.—Sirs:—Nine years since I was afflicted by that curse of all diseases, Dyspepsia, which has afflicted me as to cause great oppression, fullness, and bloating of the bowels immediately after eating, accompanied with terrible pains in the stomach, often occasioning nausea, vomiting, debility, and headache, together with general debility and suffering, altogether rendering life a burthen.

After having tried every known remedy without effect, and despairing of ever regaining my lost health, I was induced to make use of the Oxygenated Bitters, the good effects of which were immediately visible on my health and system. Before using a whole bottle I was entirely cured; and I feel a pleasure in inducing all like sufferers as myself to make use of this remarkable remedy.

Dr. M'Lane's

CELEBRATED VERMIFUGE & LIVER PILLS.—We beg leave to call the attention of the Trade, and more especially the *Physicians of the country, to two of the most* popular remedies now before the public. We refer to DR. CHAS. M'LANE'S CELEBRATED VERMIFUGE AND LIVER PILLS. We do not recommend them as universal Cure-alls, but simply for what their name purports, viz: The VERMIFUGE, for expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms. The LIVER PILLS, for the cure of LIVER COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of FEVER AND AGUE, preparatory to or after taking *Quinine*, they *almost* invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the Proprietors, FLEMING BROTHERS, PITTSBURG, PA., to dispose of their Drug business, in which they have been successfully engaged for the last 20 years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest materials, and compound them in the most thorough manner. Address all orders to

FLEMING BROTHERS, Pittsburg, Pa.

P. S.—Dealers and Physicians ordering from others than Fleming Bros., will do well to write their orders distinctly, and *take none but Dr. M'Lane's, prepared by Fleming Bros., Pittsburg, Pa.* To those wishing to give them a trial, we will forward per mail post paid, to any part of the United States, one box of Pills for twelve three-cent postage stamps, or one vial of Vermifuge for fourteen three-cent stamps. All orders from Canada must be accompanied by twenty cents extra.

For sale by A. D. Buehler, Agent, Gettysburg, and by dealers generally throughout the county.

New Boot & Shoe

ESTABLISHMENT, in the N. W. corner of the Diamond, Gettysburg, Pa.—The place to buy in order to save money!—The subscriber would most respectfully inform the citizens of Gettysburg and surrounding country, that he has opened a large Boot and Shoe Establishment, in the northwest corner of Centre Square, Gettysburg, in the rooms recently occupied by D. Wills, Esq., as a Law Office, where he has now on hand, and will continue to keep for sale, an extensive variety of work, of his own manufacture. The work is made up in the best and most durable manner, *including all the newest styles*, and embraces BOOTS & SHOES, Men's, Women's and Children's GAITERS, in short, every article usually to be found in a first class establishment of the kind. He has now and will continue to have employed a number of workmen, "hard to beat," to make up customer work. That he will sell CHEAP, is easily proven. Give him a call, examine his Boots, Shoes and Gaiters, and get his prices. With unexceptionable work and low rates, he hopes for and expects a fair share of the public's patronage.

☞ Shoemakers are informed that he always keeps on hand "UPPERS," for Shoes and Gaiters, ready for bottoming, which he disposes of on pleasing terms. JOHN BALLWEG.
