THE GAS WORKS.—Mr. HELME, the contractor for the construction of the Gas Works, is pushing forward the work with commendable energy. The gas-house is under way; and a large amount of main pipe laid. A number of our citizens have taken the pipe into their dwellings, ready for the "gas," and others are preparing to follow suit.

It says: now that warm days are at hand, those whose cellars contain vegetable matter, such as turnips, potatoes, cabbage, celery, &c., should lose no time in having it removed. Special Notices.

WONDERFUL, BUT TRUE.—A few days since, Mr. Jas. H. Beadle, of Huntsville, Alabama, called on us and gave us permission to publish for the benefit of suffering humanity, the astonishing cure which has been effected in the case of his wife by the use of Dr. Hance's Vegetable Epileptic Pills. He informed us, that at the time his wife commenced using the medicine, her system was so entirely prostrated, by the number of spasms she had undergone, as to reduce her weight to 100 lbs. Since she has been taking the pills, she has entirely got over the spasms and has gained in weight and bodily health. She now weighs at least 200 lbs., and declares she is in better enjoyment of health than ever before in her life. Mr. Beadle also related the case of Mr. Harrison Lightfoot, of the same town, who has been entirely cured of the worst form of Epilepsy by these same pills. Mr. Lightfoot's case was so bad that he never passed a week without having an attack, often falling down in the street. He has not had an attack for more than a year. Mr. Beadle thinks that if the pills ever fail in curing a case, it is for the want of a proper perseverance on the part of the person in taking them, as he feels assured from observation in the case of his wife, that if they are taken for a sufficient length of time, they will cure any case. Sent to any part of the country by mail, on the receipt of a remittance. Address SETH S. HANCE, 108 Baltimore street, Baltimore, Md. Price, one box, $3; two, $5; twelve, $24. ap. 16. 1m

☞ The great strengthening and tonic medicine is HOOFLAND'S GERMAN BITTERS.—It gives you an appetite, it makes you feel well, it cures the Dyspepsia, and diseases arising from a disordered Stomach. For sale by druggists everywhere, at 75 cents per bottle.

☞ THE PUBLIC BLESSING which is now universally admitted to exist in Moffat's Life Pills and Phœnix Bitters, is every day demonstrated by their astonishing efficacy in the cases which they are announced to cure. All the complaints of the stomach and bowels, weakness of the digestive organs and of the system generally, bilious and liver affections, night fevers, head aches, piles, costiveness, consumption, rheumatism, scurvy, impurity of the blood, or blotched and sallow complexions, soon yield to their curative properties. A single trial invariably secures them the title of the best family medicines now before the public. For sale by the proprietor, W. B. MOFFAT, at his office, 235 Broadway, N. Y., and by Store Keepers and Druggists generally. [Feb. 13. 1y*

A CARD TO THE SUFFERING.—The Rev. WILLIAM COSGROVE, while laboring as a missionary to Japan, was cured of Consumption, when all other means had failed, by a recipe obtained from a learned physician residing in the great city of Jeddo. This recipe has cured great numbers who were suffering from Consumption, Bronchitis, Sore Throat, and Colds, and the debility and nervous depression caused by other disorders.

Desirous of benefitting others, I will send this recipe, which I have brought home with me, to all who need it, free of charge. Address

Bright visions from above;

They robed the dying babe.
And then a brilliant crown
They placed upon her head,
And with the little innocent
Away to heaven they fled. S. A. N.

Thy spirit too is there. S. A. N.

The Old County

BUILDING, known by every man in the county, and no doubt many a one wished there never had been such a place, as many were broken up by permitting, or rather obliged to have their names entered upon the county dockets. But look at the change. It is a pleasure now to call there and buy goods of SAMSON, so much astonishingly reduced prices—lower than ever before offered in the county.

He has just received from the cities a large lot of new Ready-made CLOTHING, for men and boys' wear; with Hats, Boots and Shoes, Trunks, Valises, Carpet Bags, Clocks, Watches, Jewelry, Violins, Segars, Tobacco, &c., &c., &c. Call soon, and don't miss the great bargains now had at the old County Building, corner of the Diamond and York street, Gettysburg.—*That's the spot!*

Thankful to his old customers for their patronage, he hopes by his change of location not only to retain their custom, but secure a large number of new buyers.

An entire summer suit—coat, pants and vest—for $1.25! M. SAMSON.

Gas Fixtures.

WM. HELME, of Philadelphia, the contractor for the erection of the Gettysburg Gas Works, has taken the room lately occupied by Col. Samson, nearly opposite the Bank, for his office, and is prepared to fit out at once any building with Gas Fixtures. He will in a few days have the various styles on exhibition at his room, and invites attention to them, as those desirous of introducing the Gas will be saved the trouble and expense of procuring them from the city—his prices being as low as they can be procured anywhere else.

Fruit and Ornamental

TREES FOR SALE.—GEORGE PETERS & CO., Proprietors of "Fair Mount Nurseries," Bendersville, Adams county, Pa.

We would respectfully call the attention of the public to our large stock of Fruit and Ornamental Trees, such as Apple, Peach, Standard and Dwarf Pear, Cherry, Apricot and Plum Trees; Grapevines; Blackberry, Gooseberry and Currant stalks; Ornamental and Evergreens, which we offer for next fall sales.
