PITTSBURGH BOARD OF TRADE.
COMMITTEE FOR APRIL.

Movements of the Steamships.

Steamers.	Captains.	Leave Liverpool.	Leave America.

OFFICE PITTSBURGH GAZETTE,
Saturday Morning, April 17.

Weather milder and pleasant, all but the wind and dust.

There was 6 feet 3 inches water in the channel last evening at dusk, and falling slowly.

Business continues very brisk. The Wharves present the same busy aspect as for some time past.

The number of St Louis boats is now pretty well thinned out, and freights to that quarter are firmer.

The Steamer "American" was sold yesterday to Capt. Cherky, and Mr. Gray, both of Portsmouth, for $6000. She will still run in the Pittsburgh and Nashville trade.

It was rumored on the Wharf that the "swallow" was yesterday sold for $7,500.

Flour—The market was quite active yesterday, and all the Flour offered was taken. Round shipping lots realized $4,62½ readily. Small scattering lots in a most instances sold at $4,50. In the evening holders were asking more money than $4,62½.

Of Oats sale 600 bu in bulk at 27c, 150 bu at 27½, and 500 bu in several lots at 27½@28c.

Some 500 bu shelled Corn sold at 30c.

Land continues scarce and wanted. Sales of about 100 pigs, all rough and irregular at 16—for one.

A lot of 15,000 lbs bulk Pork Sides brought 7½c 30 days.

About 20 bbls Roll Butter sold at 11c 12½c 15c.

Sales 500 gals Linseed Oil at 72½c, 4 mos. The market is unsteady.

In Ashes some business doing, but not much—Sales reported for two days 60 caks Pots at 4½ 4½c, the last at the lower figure, 4 mos. Scorchings rate at about the same as Potash, with sales 40 cks and bbls. For both kinds the market is not steady.

The 2736 pigs Lead arrived on Wednesday is starting to be sent forward when freights are more favorable. Consequently, the market is still almost bare. Shot continues very scarce.

Saleratus is something plentier, and a little cheaper.

The market is bare of prime Cheese, as for a month past. Cecks and bits of such are here fetching 6@7c.

Bacon continues in brisk demand with considerable sales and at rather fuller prices.

Market for Groceries steady, and large sales in general Bills at former prices.

For Cotton Yarns an active demand prevails, and sales are brisk and large at previous quotations.

Thompson's N. Y. Bank Note Reporter has the following new counterfeit—Ten Bank of Kinderhook; Vignette—Shield surmounted by Globe and Eagle and supported on the right by Justice, on the left by Liberty. Ends nearly 1½ inches wide, with the word Ten at top and bottom of each, with head in the middle. Steamship between President's and Cashier's names. Appearance blurred. Engraved by Rawdon, Wright & Co., N. Y.

The N. Y. Tribune of Tuesday says:

"Freights have broke down. The unfavorable news from the other side and the enormous amount of British tonnage offering has enabled shippers to get better terms. Flour for Liverpool cannot be quoted over 6s, and shipments can be made at 5s 3d. Corn 3½d. The ship Robert Peel took 25,000 bushel that figure, and shipments were reported at even a lower figure. To Ireland 2½d has been accepted. A vessel was taken at Boston at 2½d to load here, and another to go to Baltimore on private terms. To other ports the rates are too much unsettled for quotations.

"The receipts at the Custom House last week were large—$610,000 against $397,000 same week last year. The large arrivals of last week have produced this result.

"The Sub-Treasury here now contains in its big iron chest nearly two millions of the precious metals. The whole amount sent to Philadelphia for coinage is $1,250,000."
