OFFICE PITTSBURGH GAZETTE, Thursday Morning, April 23.

Weather clear and quite warm. The Rivers are falling slowly—4 feet 10 inches water at dusk—Plenty of light draught boats in port.

Oats are advancing again—sales 300 bu yesterday at 30c ⅌ bu.

Flour has declined. In the morning a few small lots sold for use at $4,62½ ⅌ bbl, but the market soon receded, and $4,50 was the most it would realize. At that sales 500 bbls. Sellers tried the market thoroughly, but most of the small dealers have withdrawn from it at present.

Sales small lot Deer Skins in hair at 15c ⅌ lb—a decline.

Lumber is selling at advanced rates—12 M White Oak Bbl Staves brought $12, long count; a cargo of about same number Red Oak, $9; some 12 M small bbl Hoop Poles, $6,50 ⅌ M. Pine Lumber has sold at $7,75 and $16 for common and clear.

Some sales Junista Blooms at $70, cash and 4 mos.

Freights to Cleveland have advanced—30c ⅌ 100 lbs on Iron, &c., and 45c on Dry Goods, are now the rates. To Erie prices are about the same as these. There is a corresponding advance to Lake points. River Freights are stiffening up, and are rather firm.

STATE CHARGES ON THE MAIN LINE OF THE PENNSYLVANIA IMPROVEMENTS.
From Philadelphia to Pittsburgh.

The following shows the aggregate amount of State Tolls (including Motive Power, Trucks, Boat Toll, &c., &c.) on Freight, agreeably to the rates established for the present year by the Board of Canal Commissioners.—

A. R. CUMMINGS, Cl'k.

We understand the goods for the West, via Canal, have accumulated here in such quantities that there is no storage for more, and the merchants in New York have been advised to send, forwarding here till the canal opens.—[Albany Atlas, April 21.

Correspondence of the Pittsburgh Gazette

CINCINNATI, April 20, 10 ⅌ M.

Immediately subsequent to the receipt of the Steamer's news, the price of Flour declined 25@37½ ⅌ bbl; sales having been effected at $4.40@4.50. To-day prices rallied again, and the market closed at $4.50@4.70, with more buyers than sellers. Prices are very unsettled, however, and a great deal depends on the tenor of the next advices from the East.

The Provision market was stimulated somewhat to-day, by the favorable advices from Europe, and an advance of fully 50 ⅌ bbl, was fully realized for Pork, and I now quote Prime at $12,50; Mess 14,50; and Clear 15,50, at which prices 411 bbls were taken. Previously, 2500 pcs common Bacon Hams sold at 7½c, net; and 10 hhds Shoulders at 6c, pdc. Nothing doing in Lard or bulk meat.

Considerable sales of Oats, in Sheep sacks, at 40@42c per bu, and 40c, and a small lot at 38c. Dealers generally, holding off for private advices ⅌ Steamer.

Sales of Linseed Oil to-day at 68c ⅌ gal.

MISCELLANEOUS.

CONSUMPTION ARRESTED—To those afflicted with Diseases of the Lungs.—This is to certify to those afflicted with the first premonitory symptoms of Consumption, that I have been laboring for several years with a bronchial soreness of the throat and hoarseness. I used many medicines, but found no relief in any preparation of medicine, until I made use of DR. DUNCAN'S EXPECTORANT REMEDY. I have been using this valuable medicine for several years, and always find it to relieve whenever I make use of it. My occupation as an Auctioneer, which keeps me almost constantly engaged, causes my disease, at times, to become very alarming, when I at once procure this medicine. I therefore take pleasure in making this public statement, that others affected with a disease of the lungs and expectorant organs may know the virtues of this "all healing remedy," and may be cured. I have recommended Dr. Duncan's Expectorant Remedy to many of my friends, some of whom owe their lives to this medicine.
Somerset, Ohio, Oct. 13, 1845 JAMES HEWIT

The proprietor of the above medicine would, also refer to the undersigned persons, who reside in Perry county, on whom any person may call upon and be convinced that there are virtues found in the above medicine that cannot be excelled—

David Culbertson, Somerset; Dr. B. Stone, do. Francis Colver, Jackson tp. Mr. Larimer, do; Gen. Polhert, Reading tp. Mr. Sherman, Hopewell tp

SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms, whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, is a disease from one and the same cause, viz: a peculiar poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected. But if this principle be once destroyed, the disease depends, is removed, a cure must of necessity follow, no matter what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. Prepared and sold at No. 8 South Third Street, Philadelphia.
Sold at the Pekin Tea Store, No. 72 Fourth street Pittsburgh. mch31

VEGETABLE PULMONARY BALSAM
Most for years, a popular remedy for the severer pulmonary complaints, and consulted several physicians without effect, I commenced using the Vegetable Balsam of a friend. I recommenced using the Vegetable Pulmonary Balsam, and derived immediate relief from its use, and continued using it for a time my cough was entirely removed. I have since always taken it myself, and recommended it to others, when similar complaints, and never knew it to fail of giving immediate relief, although I have recommended it to many for a very severe period, and may be found as follows
I am therefore, with confidence recommend it.

PURIFY THE BLOOD AND CLEANSE THE BODY. It is an established fact that a very large class of diseases can only be cured by such medicines as will enter into the blood, and circulate with it through every portion of the body, for only by this means can the remedy be brought into immediate contact with the diseased part. Hence the necessity of some one preparation, so universally successful as to be DEFYING ALTERATIVE, such as Kings Evil or Cancer and Cancerous Tumours, White Swellings, Enlargement of the Bones, Obstinate Skin diseases, Ulcers, Eruptions of every kind on the Skin, old and indolent Ulcers, Glandular Swellings of the Throat, &c., are cured with a certainty that has established for Dr. Mc. Lane's Celebrated Liver Pills the character of the most pleasant articles that can be taking into the system, for all diseases arising from a disordered liver, and all depraved conditions, imparting a glow of animation and health unequalled by anything in the Materia Medica.
