PROCLAMATION BY THE PRESIDENT.

A Day of Thanksgiving and Praise.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA:

A PROCLAMATION:

It has pleased Almighty God to hearken to the supplications and prayers of an afflicted people, and to vouchsafe to the Army and the Navy of the United States victories on land and on the sea, so signal and so effective as to furnish reasonable grounds for augmented confidence that the Union of these States will be sustained, their Constitution preserved, and their peace and prosperity permanently restored.

But these victories have been accorded not without sacrifices of life, limb, health, and liberty, incurred by brave, loyal, and patriotic citizens. Domestic afflictions in every part of the country follow in the train of these fearful bereavements. It is meet and right to recognize and confess the presence of the Almighty Father, and the power of His hand equally in these triumphs and these sorrows.

Now, therefore, be it known, That I do set apart Thursday, the 6th day of August next, to be observed as a day of national thanksgiving, praise, and prayer, and I invite the people of the United States to assemble on that occasion in their customary places of worship, and in the forms approved by their own conscience, and render the homage due to the Divine Majesty for the wonderful things He has done in the nation's behalf, and invoke the influence of His holy spirit to subdue the anger which has produced and so long sustained a needless and cruel rebellion, to change the hearts of the insurgents, to guide the counsels of the Government with wisdom adequate to so great a national emergency, and to visit with tender care and consolation throughout the length and breadth of our land all those who, through the vicissitudes of marches, voyages, battles, and sieges, have been brought to suffer in mind, body, or estate, and finally to lead the whole nation through the paths of repentance and submission to the Divine will, back to the perfect enjoyment of Union and fraternal peace.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington, this, the 15th day of July, in the year of our Lord one thousand eight hundred and sixty three and of the Independence of the United States of America the eighty-eighth.

(L. S.) ABRAHAM LINCOLN.

WM. H. SEWARD, Secretary of State.

Special Notices.

Singer & Co.'s Letter A Family Sewing Machine, with all the new improvements (Hemmer, Braider, Binder, Feller, Tucker, Corder, Gatherer, &c., &c., &c.) is the cheapest, and best, and most beautiful of all machines for Family sewing and light manufacturing purposes. It makes the inter-locked stitch (which is alike on both sides), and has great capacity for sewing ALL KINDS of cloth, and with ALL KINDS of thread. Even leather, as well as the finest muslin, may be sewn to perfection on this machine. It will use 200 spool cotton as well as No. 30 linen thread. What it can do can only be known by seeing the machine tested. The Folding top Case is among the most valuable of the new improvements. It may be opened out as a spacious and substantial table to sustain the work, and when the machine is not in use it may be folded into a box, which protects the working parts of the Machine. There is no other machine to equal the Letter A in simplicity, durability, rapidity and certainty of correct action at all rates of speed. The Family Sewing Machine is fast becoming as popular for family use as Singer & Co.'s Manufacturing Machines are for manufacturing purposes.

The Branch Offices are well supplied with silk twist, thread, needles, oil, &c., of the very best quality.

Send for a PAMPHLET and a copy of "SINGER & CO.'S GAZETTE."

A Card to the Suffering.

The Rev. WILLIAM COSGROVE, while laboring as a Missionary in Japan, was cured of Consumption, when all other means had failed, by a recipe obtained from a learned physician residing in the great City of Jeddo. The recipe has cured great numbers who were suffering from Consumption, Bronchitis, Sore Throat, Coughs and Colds, and the debility and nervous depression caused by these disorders.

Desirous of benefitting others, I will send this receipe, which I have brought home with me, to all who need it, free of charge.

HON. GEO. W. WOODWARD.

The Democratic party has never made a nomination that has been welcomed with more sincere enthusiasm by the patriotic masses than that of Judge Woodward. It is felt that he is emphatically the man for the times, possessing as Mr. Clymer said in his speech at the Convention, "shoulders broad enough, head stout enough, and brain big enough," to meet any emergency. Everybody who is at all acquainted with him recognizes the ability of his mind and the purity of his character. With such a man in the Executive chair, the long needed improvement in the management of State affairs, that every true citizen has sighed for would soon be accomplished, and Pennsylvania would take her stand as one of the best governed of all the members of the Union.—*Hollidaysburg Standard.*

The Coming Elections.—The States in which the most exciting and important elections take place during the coming autumn, are Pennsylvania and Ohio. In the latter State not only is there a Governor to elect in place of Governor Tod, but also both branches of the legislature, which is there only elected once in two years. The Governor serves for two years also. In this State we have a Governor and Supreme Judge to elect.—In New York and New Jersey no important offices are to be filled. In Indiana, Illinois, Michigan and Wisconsin, no election except for county officers takes place; but Iowa and Minnesota elect Governors in place of Messrs. Kirkwood and Ramsey. In the Border States a fierce contest will take place on the question of emancipation and kindred matters.

New Prisons.—The government is about establishing two large military Prisons—one at Point Lookout, Md., which will be capable of accommodating 10,000 men, and one at Rock-Island, Ill. The latter will consist of one hundred buildings, each 200 feet long. A guard has arrived here and will shortly go down to guard the materials.—*Wash. Star.*

☞ James E. Murdoch, the elocutionist and actor, has volunteered in an Ohio military company.

The Compiler for the Campaign.

The approaching Gubernatorial campaign will be one of the most important, and therefore one of the most interesting, ever witnessed in the old Keystone. Feeling that no effort should be spared by the Democratic press to give the people all the light possible, we shall labor unceasingly to that end—never forgetting the happy and prosperous condition of our country under Democratic rule, and the sad picture it presents under the guidance of fanatical and destructive Abolitionism. In striving for the success of Democratic principles and men, we shall be doing that which we conscientiously believe to be for the good of the country. Thus impressed, and desiring to increase to the largest extent the number of readers of the COMPILER, we have concluded to furnish it for the campaign—from this time until after the October election—at the low price of FIFTY CENTS, *in advance.*

We trust that every Democrat in the county, for the sake of the glorious old cause in which we are mutually engaged, will each interest himself in this matter, and send us at least one subscriber.

On the 26th ult., at the residence of his mother, near Gettysburg, WILLIAM McGREW, aged 26 years 8 months and 14 days, of wounds received on the battle-field of Gettysburg near the Round Top, on the 2d day of July. He was a member of Co. K, (formerly the lamented Capt. Bailey's,) 1st Regiment, P. R., having entered the service on the 4th of Sept., 1862. An amiable youth, a faithful and patriotic soldier, may he rest in peace. Long live the Republic in defence of which he gave his life.

Communicated.

Died, after a long and painful illness, on the 22d of July, in Chambersburg, at the house of her brother-in-law, Mr. P. S. Dechert, Miss CAROLINE A., daughter of the late Samuel Hoffman, of this county, aged 23 years 11 months and 18 days. After her decease, her remains, accompanied by her mother and other relatives and friends, were removed to the old homestead, in Adams county, now occupied by the only surviving son, Walter F., from which on the 24th, attended by a large circle of mourning relatives and sympathizing friends, her body was laid to rest in the Cemetery of St. Paul's Ev. Lutheran Church, near New Chester. Appropriate services were conducted on the occasion by Revs. J. Steck and P. Raby. The departed was much loved and esteemed—amiable in disposition and exemplary in deportment, her early death is a loss to the church of which she was a member, and a heavy affliction to her mother and surviving brother and sister. May the testimony of her faith in Jesus, and the confident hope of the re-union of believers in heaven, comfort and sustain them. R.

THE PUBLIC DEBT.

That portion of the National Debt which is represented by bonds and notes is telegraphed from Washington to have been, on the 1st of July, within a small fraction of ELEVEN HUNDRED MILLIONS OF DOLLARS! But this does not embrace any of the claims for which mere certificates of indebtedness have been issued, nor any part of the very large amount due on every variety of claims against the Government, adjusted and unadjusted, due and maturing. All these doubtless amount to several hundred millions more, and, altogether, they form any thing else than a pleasing reflection to the tax-payers of the country. If the war continues another year, the public debt will be at least *Two Thousand Millions of Dollars!* Who can begin to realize the immensity of this sum, and how is it ever to be paid?—*Isanc. Intel.*

A NATIONAL CEMETERY AT GETTYSBURG.

HARRISBURG, July 31.—Arrangements have been made to purchase a part of the battle-field at Gettysburg for a cemetery, in which it is proposed to gather the remains of our dead. The ground embraces the point of the desperate attack made upon the left centre of our army. Eight other States have already united with Pennsylvania in this project.

Cincinnati, July 26.—Advices have been received from Jackson, Miss., to the 25th instant. Gen. Sherman had evacuated the town, his army going via Clinton to Vicksburg. The only two buildings left standing in Jackson are the State House and the Governor's Mansion.

Philadelphia, July 30.—Jay Cooke, subscription agent, reports the sale to day of $1,558,450, by the various agencies. Deliveries of bonds are being made to July 15th, inclusive.

☞ The Sanitary Commission has disbursed nearly the value of the large sum of $5,000,000 in supplies, medicines, clothing, &c., since its organization, which the documents of the Commission exhibit.

To the Public.

GENTLEMEN:—It is reported in some parts of the county, by some evil disposed person, that I have withdrawn from being a candidate for the Sheriffalty—said report being wholly devoid of truth. To my friends I would say that I never needed more of their assistance than now, as by the ravages of the war I have been deprived of the means from which I could make a living. Yours,

ZACHARIAH MYERS.

Eureka, Eureka!

THE "EXCELSIOR WASHER!" is acknowledged by all who see it, to be the most complete, and without exception, the most perfect Labor-Saving Washing Machine ever before invented. Its superiority over all others consists in the simplicity and durability of its construction, the rapidity and completeness of its work, and the almost incredible ease with which it is managed. A child of ten years, possessing ordinary judgment, can learn to work it in five minutes time, and manage it as well as a grown person, except for very heavy goods. In a word this is the machine that is destined to take the place of every other now in use. Persons intending to get a machine will find it greatly to their advantage to examine this one before purchasing.

The undersigned have purchased the Patent Right for Adams County (excepting one township) and are making extensive preparations for their manufacture. Every machine will be built in the best manner and warranted. Price $8 00. In connection with this machine there is a Patent Wringer, which performs this laborious part of washing with the greatest ease and much better than it can be done by hand. They may be attached to a common Wash Tub, and are sold with the machine or separately as desired. Samples of each may be seen at our Gallery, in East York Street, opposite the Bank, Gettysburg, Pa.
