OFFICE PITTSBURGH GAZETTE,
Tuesday Morning, May 6.

Weather clear and very pleasant. The Rivers have been on a stand for several days—there was 5 feet water in the channel at dusk last evening.

The bulk of receipts of Flour coming in are to go forward, and in consequence of the small stock on sale, the business is quite limited. The market is $4,406 4,56¼ ⅌ bbl, with sales of 300 bbls. From store 100 bbls at $4,62½@4,68¾ ⅌ bbl.

The demand for Bacon is very active, and all coming in is picked up quick. Sales yesterday of 14,000 lbs, country cured, pkd, at 6¾, 7¼, and 7½c for Shoulders, Sides and Hams, and 50c for rough cuts; 4000 lbs at 6 and 7½c for Shoulders, Sides and Hams; 10,000 lbs at 6¾c for Shoulders, and 8c for sides and Hams; and about 30,000 lbs in various lots, at and within these figures. Sales of city smoked to extent 30,000 lbs at previous prices.

A good demand exists for Deer Skins in hair, and sales are reported at 14 to 18c—14@15c for small lots; 1000 lbs very prime brought 16c. Cheese of good quality continues very scarce. G Apples continue in very active demand, and sales of 50 bbls at 75c to $2,50, as in size, quality, &c. Some 4½@5 bs cake at $3,50. Of Butter, 75 kegs at 8¼@9c. Some Lard at 8½c. 10 bbls Roll Butter at 11@12c. 16 bbls prime Scorchings at 4½c, 3 tons at 4½—all credit. 200 gals Linseed Oil at 70c.

Business, generally, is quite active.

RIVER ITEMS.

The Dominion from New Orleans passed St Louis for Galena on the 25th, with 200 tons freight to the latter place.

They have a painter at St Louis named Bingham, who devotes himself to River Scenes, exclusively. A picture of his, "Mississippi boatmen listening to a yarn," recently sold for $250.

Capt Tom Phillips' new boat is called Ne Plus Ultra. She arrived at St Louis on the 25th, on her first trip.

The Brooklyn arrived at St Louis on the 25th, Tagloni same day.

We tender our thanks to the proprietors of the Hibernia No 2, for the large and spirited Lithograph of that magnificent boat. She has established her claims as one of the swiftest, most elegant, and best boats that ever sat on the waters of the West. She leaves for Cincinnati this morning, as usual.

A new boat has been launched at Louisville to be called "Buena Vista." Too late—Capt Sweeny is entitled to the name by prior choice and actual possession. Ha boat is about ready to leave on her first trip.

THE IRON TRADE—BIRMINGAM, Saturday—During the present week the usual preliminary meeting of the ironmasters of South Staffordshire, Shropshire, and East Worcestershire has been held at Dudley, at which it was resolved, notwithstanding some inducements to an advance, that no alteration of price should take place at the ensuing quarter day. This will be deemed by the hardware and hollow-ware manufacturers, and the factors of Birmingham and Wolverhampton, generally, a highly prudent and satisfactory determination. There can be no question that an advance in the price of iron would have immediately led the workpeople to demand an immediate advance of the rate of wages, for even at the present time a great portion of the iron now coal iron, in these districts, however ungrounded and unreasonable may be their complaints, are ill satisfied with the existing rates of remuneration. It is said that the Welsh masters are called upon sooner than was anticipated to test the soundness of the resolutions adopted by them at Radley's Hotel some few weeks ago. Private letters received in Birmingham yesterday, mention that the workmen have given notice of a strike to take place on Saturday next, and already a number of furnaces have been blown out—an interruption of a general cessation of labor on the part of the hands engaged in the manufacture of iron in South Wales.

DOMESTIC MARKETS.

LOUISVILLE, April 24.—Business rather dull.—Money matters are more stringent than heretofore, and good notes difficult to negotiate at the banks. Weather warm. The river continues to fall slowly. Cotton—Sales of 300 bls at 11@12c. The prevailing rates appear to be 10@12c for inferior to good Bacon—We quote sales of hog round from wagons at 6c—we quote shoulders 5c, hams 6@6½c; sides 7@7½c. Our quotations from store are at about ½c advance. Flour and Grain—small retail sales of flour from stores at $5@5,25. Light receipts of corn selling from wagons at 45c ⅌ bu in the ear. Oats 35@40c. Wheat 75@80c ⅌ bu. No receipts.—[Journal.

DEAN'S CHEMICAL PLASTER.
From Rev. Charles Marion, Minister of the Baptist Church, Wooster, late of Ashtabula, O
Messrs H. Harris & Co, Proprietors of E Dean's Chemical Plaster, Gentlemen:—For several years I have from time to time tested the virtues of E. Dean's Chemical Plaster by using it in my family as a remedy for Rheumatism; weakness and lameness of the back, pain in the breast, inflammation of the throat and eyes, ague in the breast, &c; and I take pleasure in say ng to you and to the public, that in every case I have found it useful, and I do believe that Plaster possesses virtues of more than ordinary character, and that it will generally be found a sufficient remedy for those diseases for which it is recommended, and is justly entitled to the notice and patronage of an enlightened community.
Yours truly,
