LITTELL'S LIVING AGE.

THIS work is conducted in the spirit of Littell's Museum of Foreign Literature, which was favorably received by the public for twenty years, but as it is twice as large, and appears so often, we not only give spirit and freshness to it by many things which were excluded by a month's delay, but while thus extending our scope and gathering a greater and more attractive variety, are able so to increase the solid and substantial part of our literary, historical, and political harvest, as fully to satisfy the wants of the American reader.

The elaborate and stately essays of the Edinburg, Quarterly, and other Reviews; and Blackwood's noble creations on Poetry, his keen political Commentaries, highly wrought Tales, and vivid descriptions of rural and mountain Scenery; and the contributions of Literature, History, and Common Life, by the sagacious Spectator, the sparkling Examiner, the judicious Athaneum, the busy and industrious Literary Gazette, the sensible and comprehensive Britannia, the sober and respectable Christian Observer: these are intermixed with the military and naval reminiscences of the United Service, and with the best articles of the Dublin University, the New Monthly, Fraiser's, Tait's, Ainsworth's, Hood's, and Sporting Magazines, and of Chambers' admirable Journal. We do not consider it beneath our dignity to borrow wit and wisdom from Punch; and, when we think it good enough, make use of the thunder of The Times. We shall increase our variety by importations from the Continent of Europe, and from the new growth of the British Colonies. The steamship has brought Europe, Asia and Africa, into our neighborhood, and will multiply our connections as Merchants, Travelers and Politicians, with all parts of the world; so that, much more than ever, it will become a very intelligent American to be informed of the condition and changes of foreign countries. And this, not only because of their near connection with, but because the nations seem to be hastening through a rapid process of change, to some new state of things, which the merely political prophet can not compute or foresee.

TERMS—The LIVING AGE is published every Saturday by E. Littell & Co., corner of Tremont and Bromfield Sts, Boston. Price 12½ cts. a number, or Six Dollars a year, in advance. Remittances for any period will be thankfully received and promptly attended to. To ensure regularity in mailing the work, orders should be addressed to the office of publication, as above.

Clubs, paying a year in advance, will be supplied as follows: Four copies for - - - - - - $20 00
Nine - - - - - - - - - 40 00
Twelve - - - - - - - - 50 00

WASHINGTON, Dec. 27, 1845.

Of all the Periodical Journals devoted to Literature and Science which abound in Europe and in this country, this has appeared to me to be the most useful. It contains indeed the only exposition of the current literature of the English language, but this by its immense extent and comprehension includes a portraiture of the human mind in the utmost expansion of the present age. J. Q. ADAMS.

SARSAPARILLA BLOOD PILLS,

AHEAD OF ALL OTHERS!

The Envy of all Pill Manufacturers,

BECAUSE they are safer, better, and more efficacious than any others.

500,000 Boxes

have been sold annually for the last five years.

YOUNG AND OLD, MALE AND FEMALE, can always take them with equal safety, without fear. *If Pills be necessary*

for purging and cleansing the Stomach and Bowels, and purifying the Blood and fluids of the body, take no others—for no other pills produce those combined effects, or contain Sarsaparilla in them.

Eat, Drink and Live as usual,

and pursue your usual occupation whilst taking them, without fear of taking cold, during all kinds of weather.

One Thousand Dollars

are wagered that more *genuine* certificates (from physicians, clergymen, Members of Congress, and respectable citizens) can be produced of their efficacy than of any others, and

TEN DOLLARS

will be forfeited in every instance where One Box will not do more good than Two Boxes of any others.

Forty Pills in a Box!!

and sold at *Twenty-Five Cents a Box*, with directions and much wholesome advice accompanying each box.

They have no taste or unpleasant smell,
Free from dust or powder of any kind,
Do not gripe the Stomach or Bowels,
Produce no sickness, vomiting, or bad feelings,
THEY ARE GOOD AT ALL TIMES,
And adapted to most diseases common to mankind.

No one having once taken them will be willing afterwards to take any others, because they always do good, and if they do not, then no others will.

Dr. N. B. Leidy, The Proprietor and Manufacturer, is a regular Druggist, Chemist, and Physician, of fifteen years' experience in Philadelphia; Graduate of the University of Pennsylvania; Member of different Medical Institutions of Philadelphia, New York, Boston, Baltimore, &c., and associate and corresponding member of several Medical Institutions of London and Paris, &c.

OUTRAGE AND IMPOSITION.—Beware of all pills called by names nearly similar, got up to be sold on the reputation of Dr. Leidy's Sarsaparilla Blood Pills; the first Sarsaparilla pills ever introduced and the only pills containing Sarsaparilla. Take no others and you will not be deceived. Others by similar names, or nearly similar, are a gross fraud. Beware, then, of Imposition!!
