COMMERCIAL RECORD.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR JUNE.

J. CAROTHERS, WM. A. HILL, N. B. CRAIG,

OFFICE PITTSBURGH GAZETTE, } Tuesday Morning, June 15. }

The weather yesterday was quite cold—the result of the rains Sunday night.

The Rivers are rather on a stand, though swelling if anything, with 4 feet 3 inches water in the channel.

A sale of 190 M ft common Pine Lumber in Raft at $7—will be run below. A sale of 120 M Shingles from the river at $2.50 ⅌ M. There have been sales 5a600 M ft. Pine at $8 and $16 for common and clear.

Sales 80 tons h b H R Pig Iron at $35, and 50 tons c b do at $36, all usual credit.

Flour—There appears to be no stability in the market. Saturday, it was active and at improving prices. Monday it was perfectly quiet—very little was done—in fact, we are not advised of a sale of importance during the entire day. $6 continued to be the nominal price. From store, in a retail way, 12½a25c more. The receipts are quite large, but nearly all to go forward. Sales Fine at $5.50. A sale 25 bbls Rye Flour at $3.75 ⅌ bbl.

Cheese—The market recedes a little. Sales new W R at 5¾a6¼c ⅌ lb.

A sale small White Beans from store at 90c ⅌ bu.

Sale 6 tons Saleratus in casks at 6¾c, cash.

A week or so ago we noticed a contract for Pearlash—it turns out to have been at 6¼c.

Wool is coming in with more freedom, and finds very ready sale at full prices.

Small sales prime Feathers at 30c ⅌ lb.

THE "HIGHLANDER."

This is the name of Capt Parkinson's new steamer, recently arrived from Brownsville, where she was built. She is expressly adapted for a low water Packet, drawing only 15 inches all complete, and is very handsomely fitted up for a boat of her class—Her cabins contain 32 state rooms, all neatly furnished. Length of keel 1[illegible]3 ft, of deck 147 ft, beam [illegible]

MEDICAL.

DR. TOWNSEND'S SARSAPARILLA,

Most extraordinary Medicine in the World.

This extract is put up in Quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickness or debilitating the patient.

GREAT SPRING AND SUMMER MEDICINE!

The great beauty and superiority of this Sarsaparilla over all other Medicine is, whilst it Eradicates Disease it Invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the whole system and strengthens the person, but it *Creates New, Pure and Rich Blood*, a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years more than 35,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than

3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
7,000 cases of different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of Disease of the Kidney and Dropsy;
3,000 cases of Consumption.

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Sick Headache, Pain in the side and Chest, Spinal Affections, &c, &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq. one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character. It is the best medicine for the Preventive of disease known. It undoubtedly saved the lives of more than

5,000 CHILDREN THE PAST SEASON!

As it removed the cause of disease, and prepared them for the Summer season.

UNITED STATES OFFICER.

CAPT. G. W. McLEAN OF THE UNITED STATES NAVY and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan 25, 1847.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W. McLEAN late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN.

Dr. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have only taken four bottles. It took them away, for which I feel myself under deep obligation. Yours respectfully,

MISCELLANEOUS.

TO CONTRACTORS.

PROPOSALS will be received at the Office of the James' River and Kanawha Campany, in Richmond, Va., until the 15th July next, for the construction of three stone dams across James' River on the line of the Company's Canal between Lynchburg and the mouth of the North river. The first of said dams will be about 31 ft high and 400 feet long, and situated about 4 miles above Lynchburg; the second will be about 15 ft high and 560 ft long, and situated about 9 miles west of Lynchburg; the third will be about 22 ft high and 300 ft long, and situated about 13 miles west of Lynchburg. The foundation of these dams are of rock, and the superstructures will be required to be raised as high as low water level, during the present season. Plans of said works may be seen, and specifications obtained, at the Company's Office in Richmond, or at the subscriber's Office on said line above Lynchburg, on and after the 1st of July next.

WALTER GWYNN, Chief Engineer
James River & Kanawha Co
Richmond, 24th May, 1847. my29-3tawtJy12

NEW MEDICAL WORK—Practical observations on some of the diseases of the Rectum Anus, and Contiguous Textures; giving their nature, seat, cause, symptoms, consequences, and prevention, especially addressed to the non medical reader: by W. Bodenhamer, M. D., of Louisville, Ky.

The author of this work has within the last few years successfully treated upwards of seven hundred cases of Piles and Fistula in Ano, without either the knife, the actual, or the potential cautery.

For sale at the Bookstore of J L READ
