BRANT'S
PULMONARY BALSAM,
The Great COUGH REMEDY.

Many years of experience, and more than **a Hundred Thousand Cures** of **Consumptive** Complaints, have proved to the undoubted satisfaction of all persons who have become acquainted with this *wonderful remedy*, that it is **greatly superior**, because it is *soothing* and *healing*, and *more* **certain** to **cure Consumption** of the **Lungs**, than any other Remedy in the world. We know, however, that it is said by some that Consumption can not be cured. Be that the opinion of the many or the few, we shall not attempt to argue with such, but this we *will say*, and do *assert* as a fact, which can be proved in **thousands** of cases, that this medicine **has cured** *Coughs* and *diseases* which, *before the cures were effected*, were called **real Consumption**, and which were attended with *symptoms* that resembled, and were in **all** *respects like* the symptoms of those *who die*, and *when dead* are said to have *died* with that fatal disease **Consumption.** This Balsam has cured *thousands* of persons who were said to be hopelessly afflicted—who had *hard, dry, racking* **Coughs**—*Pains* in the **Breast**, *Side*, and *Back*—**Difficulty** of **Breathing**—*Painful Expectoration*—*Hectic Fever*—*Night-Sweats*—and **wasting away** of the **Flesh** and **Blood.** Persons having such complaints have been cured after it was said they *could not live a week* longer. This Medicine has cured some who were supposed to be in **a dying state**, but, by the use of this remedy, they **now live**, and enjoy good health.

This Balsam is *purely a vegetable compound*. It is pleasant to take, and *never does injury* in any stage of disease or under any circumstances. It effects its **wonderful** and *almost* **miraculous Cures** by **Purifying**, *Strengthening*, and **Invigorating** the whole system—*by equalizing the circulation*, and producing a *healthy action*—thus *allaying* **Cough**—*soothing the* **Nerves**—and *aiding and facilitating* **Expectoration.** It Cures the following diseases, viz.:—

Consumption,

COUGHS and *Colds, Bronchitis, Asthma, Spitting of Blood, Bleeding at the Lungs, Pains in the Breast, Side, and Chest, Croup, Night Sweats, Palpitation of the Heart*, and all **FEMALE WEAKNESSES** and *Complaints* arising therefrom, **Cholera Infantum**, &c.

☞ **For Proof** and particulars of Cures, see our **Pamphlets** and *Handbills*—all our Agents have them to give away.

GREAT COUGH REMEDY!

CHERRY PECTORAL:

For the Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, CROUP, ASTHMA, WHOOPING-COUGH AND CONSUMPTION.

The annals of medical science, affording as they do ample proof of the power and value of many medical agents, have furnished no examples to compare with the salutary effects produced by "*Ayer's Cherry Pectoral.*"

The remarkable cures of disease of the Lungs which have been realized by its use, attested as they are by many prominent professors and physicians in this and foreign lands, should encourage the afflicted to persevere with the strong assurance that the use of the "Cherry Pectoral" will relieve and ultimately cure them.

We present to the public unsolicited testimonials from some of the first men in our country, upon whose judgment and experience implicit confidence may be placed, one of the most learned and intelligent physicians in the country, considers it a "composition of rare excellence for the cure of that formidable disease, Consumption."
Norwich, April 26, 1846.

Dr. J. C. Ayer—Dear Sir: Agreeable to the request of your agent, we will cheerfully state what we have known of the effects of your Cherry Pectoral, and they have been astonishing indeed. Mrs. Betsy Streeter had been afflicted with a severe and relentless cough, which reduced her very low; so low that little hope could be entertained of her recovery. Numerous remedies had been tried without effect, before the Cherry Pectoral. And that has cured her. George Watkinson, Esq., had to our knowledge been afflicted with Asthma, *for eleven years*, and grown yearly worse, until the Cherry Pectoral, has now removed the disease and he is as free from any symptoms as we are. The Rev. Mark Bone had been so severely attacked with the Bronchitis, as to disable him from his duties, and nothing had afforded him relief until I (Mr. Thorning) carried him a bottle of your Pectoral, which cured him at once, and he now officiates as usual in his place.

These are three of the cases in which we have known it successful, but never to fail. We have great pleasure in certifying to these facts; and are, respected sir, your humble servants.
REV. DAVID THORNING.
HON. JOSEPH BATTLES.

Among the distinguished authorities who have given their names to recommend Cherry Pectoral, as the best remedy that is known for the Affections of the Lungs, are "The London Lancet," "Canadian Journal of Medical Science," "Boston Medical and Surgical Journal," "Charleston (S. C.) Medical Review," "New Jersey Medical Reporter," Prof. Webster, Harvard College, Prof Bartlett, Transylvania University of Medicine, President Perkins, Vermont Medical College, Dr. Valentine Mott, New York City, Parker Cleaveland, Bowdoin College, Prof. Butterfield, Willoughby College, Ohio, Prof. Braithwaite, Leeds, (Eng.) Medical School, Sir Richard Kane, Queen's College, Ireland, Prof. Rosenbaum, Leipsic.

The public have but to know the virtues a most astonishing success of the "Cherry Pectoral," in curi sinpicuous of the Lungs, when they will feel secure ring these dangers, whenever this remedy may be obtained.

LIGHTNING RODS.

THE awful calamities that every City, Town, Village and country falls victim to annually, thro' the gross neglect of its inhabitants, is beyond calculation, especially when the remedy is so easy to obtain—this is found in
Armitage's Patent Magnetic Lightning Rods,
and in this alone. This rod has been examined by the most scientific gentlemen in the world—Professors M'Murtrie, Johnson, Wallor, and many others that have examined them, recommend and speak of them in the highest terms of approbation and have pronounced them the only safe rods now in use in this or any other country *for the protection of Lives and Property*. One advantage is to divide and throw back a part of the electric fluid harmless to the clouds, this is in time of a stroke, this enables the rod to conduct that portion of fluid that belongs to the earth without the slightest danger of leaving the conductor. This rod has many other advantages over the old one.

The patentee takes pleasure in informing his friends and the public in general that after many years' close investigation and numerous experiments he has arrived at the true principle of protecting Families, Dwellings and property from the destructive influence of LIGHTNING
SAMUEL HOOVER.
