June 1851 BARTON & CHALFANT

A Literary Paper for the People.

THE BOOK TRADE.

A Monthly Record of New Publications and Literary Advertiser, at 25 Cents per Annum—in advance. H. Wilson, Publisher, 49 Ann St., N. Y.

☞The second volume of this journal commenced in August, 1851. Back numbers can be supplied to a limited extent.

Each number consists of from 12 to 16 large quarto pages, printed on new type and excellent paper; forming in a year a volume of from 150 to 200 pages.

Its contents are—A list of all books published in the U. States in each month; Literary Intelligence; Reviews of New Books, &c. &c., occupying about one half the sheet; the remaining half is devoted to selections from the best literature of the day, and to a very interesting miscellany.

It is the object of the publisher to render the "Book Trade" agreeable to the taste of the general reader, while it conveys intelligence of what is going forward in the world of literature; a species of information, which it is presumed, is worth more than the subscription to every intelligent person.

All communications by mail, must be prepaid.
