FRIDAY MORNING, MAR. 27, 1857.

ADVERTISE!—Manufacturers, Merchants, Mechanics, Professionals in City and Country, Publishers—all who wish to buy or sell—small by or by—I recommend the columns of the Chronicle Office, which has a large and increasing circulation in a community containing a large proportion of active, current-purchasers, consumers and dealers, in any in the state.

☞ **See New Advertisements.**

☞ The Musical Convention will hold its second and closing Concert in the Baptist Church office THIS EVENING, Friday, March 27, commencing at half past 7 o'clock. This Convention, we are glad to say, is well patronized by our citizens, and is a source of much pleasure and profit to all who attend. Prof Johnson has shown himself to be a gentleman of fine musical attainments, and is unsurpassed as a teacher. Go to the Concert, to-night.

☞ A PUBLIC RECEPTION will be given by the Principal and Pupils of the LEWISBURG ACADEMY, on Tuesday Evening next, March 31, in the Basement of the New Presbyterian Church, to commence at 7 P. M. Parents, guardians, and the public generally are cordially invited to attend. The exercises will be enlivened with Music by a company of young ladies and Gentlemen who have kindly consented to take part.

SERIOUS ACCIDENT.—A year or two ago, says the Harrisburg Herald, a young man named Cason married the daughter of a farmer, named David Hassler. The latter sued up on the ground of a suit for damages against the young man, who was tried the week, and was found guilty for heavy damages. The jury rendered a verdict in favor of the plaintiff of $2,500 damages. Cason is to pay the costs, which, including his attorney fees, will amount to at least $900 more—making $3,000 in all.

☞ A letter from a Harrisburg friend received yesterday, says: HENRY WARD BEECHER delivered his Lecture here last night, on the "Christian Commonwealth." It was a *great* lecture—no other adjective can properly describe it. It contained more of fundamental Christianity, and Democracy (in the general meaning of the latter term) than has been heard here in a life time before."

☞ The water has been let into the North Branch canal and Susquehanna Division; the packets commenced running from Northumberland to the Junction yesterday. The West Branch canal will be navigable about the 1st prox.

☞ On Saturday afternoon last, a small frame house on N. 5th St. in Lewisburg, belonging to Levi Sterner, was found to be on fire, but a little timely labor extinguished the flame with but small damage.

☞ The Railroad whose Bonds are advertised in another column, runs from Racine on Lake Michigan thro' Freeport, Mt. Carroll, &c., to Savanna, on the Mississippi.

CORRECTION.—Miss Rowland will keep her School in the room late the *Girls'* Grammar School, instead of the *Boys'* Grammar School, as printed last week.

☞ Rev. Mr. Hayhurst of the Baptist church baptized 8 young persons in the Susquehanna at Lewisburg, on Sunday morning last.

☞ Subscribers, changing residences this Spring, will please inform the Carrier or leave word at this office.

☞ Frick, Slifer & Co. started over 20 of their large boats, with the spring tide, from Lewisburg for New York, this week.

☞ James Geddes Maxwell has been appointed and confirmed as Lieutenant in the U. S. Navy.

☞ LEWISBURG ACADEMY advertisement for Summer Session, next week.

MAY JURY LISTS on the opposite page.

☞ The Lewisburg Borough Ticket announced in our last week's issue, was elected from A to Z—the average majority being about 156 in 369 votes polled—over 2 to 1—a little better than last fall. The latter day Democracy formed a ticket (with one or two of our men upon it to give it a chance,) which they voted secretly; and also a "Citizen's Ticket," composed of 'alf an' 'alf, which they tried to Fillmore it upon such as they thought they could use that way.....but 'twasn't 'mo use;' the Republicans voted in solid column for their own "good men and true." The Democratic goal of triumph of last Spring, is now a very different kind of a howl—more resembling that of a "bear with a sore head."

In East Buffaloe, the Democracy did not take the trouble to elect even an Inspector: they knew the Republicans are honest and will do them justice.

☞ The closing exercises of the University and Female Seminary, were held as announced, and attended by large and interested audiences. The Orations and Essays, and the names of their writers, we subjoin:

Vendue Notes *at the Chronicle Office*

HOLLOWAY'S PILLS have been placed by the common consent of mankind, at the head of internal remedies. To say that in warm climates they save thousands upon thousands of persons annually from falling a sacrifice to dyspepsia, dysentery, diarrhea, constipation, liver complaint, general debility, remittent fever, etc., is simply to relate a fact attested by clouds of witnesses. No sufferer from scorbutic affections has ever failed to experience relief from them, and they are guaranteed to cure chronic diseases of the internal organs, which have previously baffled the skill of the most successful practitioners.

Wonderful, but True.

A few days since, Mr Jas. H. Beadle, of Huntsville, Alabama, called on us and gave us permission to publish for the benefit of suffering humanity, the astonishing cure which had been effected in the case of his wife by the use of Dr. Hance's Vegetable Epileptic Pills. He informed us, that at the time his wife commenced using the medicine, her system was so entirely prostrated, by the number of epidemics she had undergone, as to reduce her weight to 70 lbs. Since she has been taking the pills, she has entirely got over the epidemic and has gained in weight and bodily health. She now weighs at least 200 lbs., and declares she is in better enjoyment of health than ever before in her life. Mr. Beadle also related the case of Mr. Harrison Lightfoot of the same town, who has been entirely cured of the worst form of Epilepsy by these same pills. Mr. Lightfoot's case was so bad that he never passed a week without having an attack, often falling down in the street. He has not had an attack for more than a year. Mr. Beadle thinks that if the pills ever fail in curing a case, it is for the want of a proper perseverance on the part of the person in taking them, as he feels assured from observation in the case of his wife, that if they are taken for a sufficient length of time, they will cure any case. Sent to any part of the country by mail, on the receipt of a remittance. Address SAM'L S. HANCE, 108 Baltimore street, Baltimore, Md. Price, one box, $5, two, $9, 1 bottle, $2.

A MEDICAL REVOLUTION!

THE WORLD ASTONISHES!

HOLLOWAY'S OINTMENT.

THE GREAT COUNTER IRRITANT!

The virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflammation, promptly and invariably subdues it, whether located in the kidneys, the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the counless tubes that communicate with the skin as summer rain passes into the parched earth, diffusing its cool and regenerating influence.

SKIN DISEASES AND GLANDULAR SWELLINGS

Every species of exterior irritation is quickly reduced by the anti-inflammatory action of this Ointment. ANGRY ERUPTIONS, such as SALT RHEUM, ERYSIPELAS, TETTER, RINGWORM, SCALD HEAD, NETTLE RASH, SCURVY (or ITCH) &c. die out, to return no more, under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

ULCERS, SORES, AND TUMORS.

The effect of this unrivaled external remedy upon Scrofula and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration, and, proof flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS.

In cases of the fracture of the bones, injuries caused by steam explosions, Burnsides, Burns, Scalds, Bruises, Sprains or the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvelous remedy has been introduced to the inventor in person into all the leading Hospitals of Europe, and no private household should be without it.

UNDENIABLE TESTIMONY.

The Medical Staff of the French and English Armies in the Crimea have officially signed their approval of Holloway's Ointment, and the most reliable dressing for sabre cuts, stabs, and gun shot wounds. It is also used by the surgeons of the Allied Navies.

Both the Ointment and Pills should be used in the following cases:

Bunions	Mercurial Eruptions	Swelled Glands
Burns	Piles	Sore Legs
Chapped Hands	Rheumatism	Sore Breasts
Chilblains	Ringworm	Sore Heads
Fistula	Salt Rheum	Sore Throats
Gout	Scalds	Sores of all kinds
Lumbago	Skin Diseases	Sprains
Stiff Joints	Tetter	Ulcers
Venereal Sores	Wounds of all kinds

DENTAL CARD.

THE new method of inserting artificial Teeth, Gum, &c., known as

Allen's Continuous Gum Work,

is, without exception, the best improvement ever made in the art of Dentistry. This work, when properly constructed, is the most beautiful, the cleanest, combines the greatest strength with durability, and adds more to a clear and distinct articulation, than any other kind of work ever brought before the public. And not only this. By a beautiful discovery in combination with this style of work, we can give the face its natural expression, without it, in the least, interfering with the usefulness of the teeth in mastication.

I would take this method of informing those interested that I have purchased the Patent Right for this valuable improvement, of the inventor, John Allen, (now of New York) for this and several adjoining counties, and that I am now manufacturing an article of Teeth and Gums that will compare favorably with anything in that line that has ever been made in this or any other country. I ask all, and especially those that need teeth (if they have engaged them or not,) to call, and examine for themselves.
