OFFICE PITTSBURGH GAZETTE, Friday Morning, August 27.

Our markets generally, are without change from last report. There is little promise of rain, and a little less activity in the river trade, arising mainly from a want of demand for shipments. There is still a large number of boats of a sufficiently high draught to forward any amount at the usual reasonable rates.

Flour—The feeling in the market continues with but little variation from our last report. The supply still continues limited and the prices firm—Transactions amounting to some 350 bbls have occurred at $4,87 to 5,00. Retail sales from store have been made as high as $5,25 ⅌ bbl.

There is no prospect of a change in prices unless it be for an advance, which must take place, unless the present limited supply is increased.

Grain—The market continues quiet, presenting nothing beyond the limits of regular or retail sales. We quote moderate sales of Wheat at 87@90c; Rye at 40@45c; Corn at 37@40, and Oats at 20,25 and 25 cents ⅌ bu. Very little is coming in at present, and the prices are firm as above quoted.

Provisions continue without change. Of Bacon the sales have been moderate at the following rates: Hams 9c; Sides 8½@9c; Shoulders 7, and Hoground at 8@8½ ⅌ lb.

Fish—The market is inactive, without, however, any falling off in the price. We note sales of 55 bbls of No 3 Mackerel in different lots at $7 ⅌ bbl, and some small lots of large No 3 at $7,50 ⅌ bbl.

Cheese continues in fair demand as last quoted, with sales of 100 bxs at 5@6½c ⅌ lb.

Soda Ashes are slightly on the advance, with sales of 4 tons at 4½c cash—par funds.

The following statement from the Springfield Republic, gives a good account of the Wool Product of Clark county:

Springfield, Aug 4, 1847.

Messrs Gallagher & Crain:—At your request, we furnish you with the following statistical account, as near as can be ascertained, of amount of wool grown in this county. The amounts purchased by the different buyers, are as follows:

Paist & Jones, South Charleston	70,000
Bean & Gregg, Springfield	60,000
Irwin, Springfield	40,000
W. Pugley, of Madison county	20,000
Making in all	170,000
Add to this surplus, say	20,000
	190,000

In the hands of the farmers for their own consumption, and you have 200,000 lbs at 24c per lb., which is the average cost of our own purchases, making the neat little sum of $49,000. So much for Clark.

The Detroit Free Trader, in speaking of the Lumber trade of Michigan, say:—There are annually manufactured in this city 3,300,000 feet of boards, and 1,700,000 Lath. Besides these, there are received here by the different agencies 16,081,000 feet of Lumber, and 725,000 Lath. It is estimated by one well conversant with the business, that there are in the State about 800 mills, which annually manufacture 272,000,000 feet of Boards, etc.—The number of persons employed is about 8600, and the money invested in land for this business about half a million of dollars.

The Memphis (Tenn) Enquirer, of the 11th inst, says:—Farmers' and Merchants' Bank paper, we understand, has declined to 50 cents on the dollar. The statement of its condition has not made its appearance, and we have ceased to expect it."

DOMESTIC MARKETS.

CLEVELAND, August 12—Pork—For common logs $1 to $1 for interior leaf 1,50 to 2,75; common 2,50 to 3,50; good and fine 3,50 to 5; choice 6 to 10 ⅌ 100 lbs. Sales during the past three days embrace only 17 bbls, the greatest part consisting of inferior, also in quality or condition, and 50 kids were refused Received this week 522 kids.

Hemp—On monday 31 bls inferior were taken at $90@91; 29 bls in loose order at 92; 67 bls good, in order, at 95, and 61 bls at 96 ⅌ ton.

Lead—The market remains firm, and on Monday two lots were taken for shipment, 1,500 pigs at $3,37½, and 1222 pigs at 3,40, which are the only sales reported.

Flour—For common country brands $4,50; good and choice 4,62½ to 4,75; City Mills sell in a retail way at 4 to 5 ⅌ bbl.

Grain—For Spring and inferior 60 to 70c; fair and good, 75 to 80; prime and choice 85 to 88c ⅌ bu.

Corn—Sales have been limited: we now quote 33 to 35. A lot of 3000 bu White and Yellow was sold on Monday, to arrive at 35c ⅌ bu.—[Rep.
