"HERE IT IS"
AN ARTICLE OF REAL MERIT.
HENDERSON'S CARMINATIVE.
A REMEDY
That has been tried and stood the test, not only in an occasional case, but in every community where used it has been pronounced the safest and most reliable remedy known for
CHOLERA
DIARRHŒA, DYSENTERY, CRAMP IN THE STOMACH OR BOWELS, CHOLERA MORBUS, &c.
It contains nothing irritating or injurious to the stomach, and is mild but prompt in its action, and effects a permanent cure by removing the cause of the complaint. No FAMILY should be without it, as the cost is trifling compared with the suffering that may be avoided by having it at hand in case of a sudden attack.

INCREASE OF RATS.—*The Farmers Gazette* (English) asserts and proves by figures that one pair of RATS will have progeny and decendants no less than 651,000 in three years. Now, unless this immense family can be kept down, they would consume more food than would sustain 65,000 human beings.
☞ See "Costar's advertisement above.
1866.
RATS *versus* BIRDS.—Whoever engages in shooting small birds is a cruel man; Whoever aids in exterminating Rats is a benefactor. We should like some one to give us the benefit of their experience in driving out these pests. We need something besides dogs, cats, and traps for this business.—*Scientific American, N. Y.*
☞ See "Costar's" advertisement above.
1866.
"COSTAR'S" RAT EXTERMINATOR is simple, safe and sure—the most perfect RAT-ification meeting we have ever attended. Every rat that can get it, properly prepared, will eat it, and every one that eats it will die generally at some place as distant as possible from where it was taken.—*Lake Shore Mich., Mirror.*
See "COSTAR's advertisement above.
1866.
HOUSEKEEPERS troubled with vermin need be so no longer, if they use "Cost2r's" Exterminator. We have used it to our satisfaction; and if a box costs $5, we would have it. We have tried poisons but they effected nothing; but "Costar's" article knocks the breath out of Rats, Roaches, Ants. and Bed-Bugs, quicker than we can write it. It is in great demand all over the country.—*Medina, Ohio, Gazette.*

A VOICE FROM THE FAR WEST.—Speaking of "Costar's" Rat, Roach, Ant, &c., Exterminators—"more grain and provisions are destroyed annually in Grant County by vermin, than would pay for tons of this Rat and Insect Killer."—*Lancaster Wis., Herald.*

1866.
FARMERS AND HOUSEKEEPERS, should recollect that hundreds of dollars' worth of Grain, Provisions, &c., are annually destroyed by Rats, Mice, Ants, and other insects and vermin—all of which can be prevented by a few dollars' worth of "Costar's" Rat, Roach, Ant, &c., Exterminator, bought and used freely.
