Worms and Worm Fever.

MEDICINES that are strong, acrid and heating to the stomach, when given to children suffering with Worms, only increases the Fever, and renders the child restless and uncomfortable. Medicines proper in such cases, should combine with a Worm Antidote or destroyer, such others as will open the pores of the skin, and operate mildly on the *Liver, Bowels and Kidneys*, and thus aid nature in ridding the system through its natural channels of whatever obstructs its action, or poisons the fluids and irritates the nerves. No Worm Medicine yet discovered, combines all these qualities so perfectly as CARTER'S GERMAN WORM CANDY, manufactured by the original proprietor, WILLIAM NYE, (from Germany,) for the present proprietors, CARTER & BROTHER. Those wishing to use this kind of Worm Medicine should be particular to ask for CARTER'S GERMAN WORM CANDY, and not let themselves be put off with any other

is manufactured from common salt, and is prepared entirely different from other Saleratus. All the deleterious matter extracted in such a manner as to produce Bread, Biscuit, and all kinds of Cake without containing a particle of Saleratus when the Bread or Cake is baked; thereby producing wholesome results. Every particle of Saleratus is turned to gas and passes through the Bread or Biscuit while Baking; consequently nothing remains but common Salt, Water and Flour. It is packed in one pound papers, each wrapper branded, "B T Babbitt's Best Medicinal Saleratus;" also, picture, twisted leaf of bread, with a glass of effervescing water on the top.
