PITTSBURGH BOARD OF TRADE.
COMMITTEE FOR NOVEMBER.
J. SHIPTON. J. BREA. J. S. CLARKE.

OFFICE PITTSBURGH GAZETTE, Tuesday Morning, November 23.

We have no change of importance to notice in the market. Regular sales continue quite brisk, with but slight variation from our last report.

Flour—The market is quiet, and former quotations are fully sustained. We quote regular sales from store at $4,50@5,12½, as in quality. Usual retail prices, 5,25@5,31 ⅌ bbl.

Wheat—The supply continues quite limited, and prices are merely nominal. Moderate sales are quoted at 95c ⅌ bu.

Rye—Sales of 100 bu at 45c.

Barley—We notice moderate sales from store at 45 to 50.

Corn—Sales of 500 bu at 40 to 45c.

Oats—Sales of 300 bu at 27c. The supplies of grain, generally, are light, and prices firm.

Bacon—Supplies are limited, and the demand moderate. Regular sales occur at the following prices:—Hams 8¾ to 9c; Sides 7¾; Shoulders 6¾ to 7c ⅌ lb.

Lard—Sales of 500 lbs at 8¾ to 8¾c.

Butter—Receipts are light, and supplies rather limited. We notice sales of 700 lbs, in kegs, at 9¾ to 9½c ⅌ lb. Moderate sales of bbls at 9@9½c ⅌ pound.

Cheese—Sales of 350 bxs W R at 6¼@6¾—as in quality.

Tallow—A sale of 300 bbls is reported at 8¾@9c ⅌ lb.

Window Glass—Sales continue quite brisk at the following prices—City brands 8x10 $4; Country do 8x10 $3,50@3,62 ½ ⅌ bx.

Powder—We notice sales of Hazard brands, to the trade, at the following rates:—Blasting, $3,12½; Beer, $1,75; Ky Rifle $5 ⅌ kg.

Beeswax—The market is rather dull, with moderate sales at 23c ⅌ lb.

Flaxseed—Sales of 50 bu at 87½c ⅌ bu.

EXPLOSION.—We regret to learn that one of the boilers of the steamer Caroline burst, while on her way down, on the 18th inst. Three deck hands and one fireman were badly scalded, one of whom has since died. Mr. William Peacock is missing, and is supposed to have jumped overboard in the moment of excitement. The boat and cargo are uninjured.

ANOTHER—The Talisman, bound for St Louis, and the steamer, Tempest, bound down, came in collision near Cape Girardeau, which resulted in the immediate sinking of the former in deep water, carrying down with her forty persons! The Talisman is said to be a total loss.

Since the above was in type, a despatch has been received from Capt Coles, of the Talisman, stating that the number of lives lost is 25 or 30, mostly deck passengers.

We are indebted to the kind considerations of the accommodating clerk of the Packet steamer New England, No 2, for files of Cincinnati papers in advance of the mail.

To the accommodating clerk of packet steamer Hibernia, No 2, we are indebted for late Cincinnati, Louisville, and St Louis papers.

The splendid fast running steamer Robert Morris, Capt Campbell, will leave as per advertisement, this day at 10 o'clock, a m. Those going that way, therefore, will do well to avail themselves of this opportunity, as they will be sure to find in Capt Campbell, and his accommodating clerk, M A Ingram, officers highly qualified to render easy and comfortable all who may give them their patronage.

TOBACCO.—In Ohio, the quantity raised this season is supposed to be not over 6000 or 8000 hhds, against 20,000 hhds last year. A good deal of last year's crop will be kept at home, on account of the break in the Pensylvania Canal, and will be sent to market the coming summer with the new.

WESTERN WATERS.

The river at this port fell very slowly during Wednesday night and to day, but at dark this evening was nearly at a stand.—Cin Gaz, Nov 19.

The river has fallen two inches in the last 24 hours. Last evening there were 8 feet 4 inches water in the canal. The weather is quite warm.—[Lou Jour, Nov 20

The Nashville Whig of the 16th, reports the Cumberland to be very high.

The upper Mississippi is very low and falling—22 inches water only on the lower Rapids. From thence down to this point, there is scarcely a foot water in the channel; and from this city down, there is six feet on the bars. In the Illinois there is now four feet water in the channel below Peru.—The Missouri has three feet in the upper and four feet in the lower part of the river.

The weather was cloudy and more mild yesterday, and it commenced raining in the evening.—St Louis Rep, Nov 15.

Navy Yard, in Georgetown, in Alexandria, and in Baltimore, the same evening, at 64 cents a week, payable to the Role Agent for the Whig. L. Gilbert, Esq, is the Role agent. It is also mailed to any part of the United States for $4 per annum, or $2 for six months, payable in advance.

Advertisements of ten lines or less inserted one time for 50 cents, two times for 75 cents, three times for $1 one week for $1 25, two weeks for $2 75, one month $4 two months $7, three months $10, six months $16, one year $30—payable always in advance.

The NATIONAL WHIG is what its name indicates. It speaks the sentiments of the Whig party of the Union on every question of public policy. It advocates the election to the Presidency of ZACHARY TAYLOR, subject to the decision of a Whig National Convention. It makes war to the knife upon ALL the measures and acts of the administration deemed to be adverse to the interests of the country, and exposes without fear or favor the corruptions of the party in power. Its columns are open to every man in the country, for the discussion of political or any other questions.

In addition to politics, a large space in the National Whig will be devoted to publications upon Agriculture, Mechanics, and other useful arts, Science in general, Law, Medicine, Statistics, &c. Choice specimens of American and Foreign Literature will also be given, including Reviews, &c. A weekly list of the Patents issued by the Patent Office will likewise be published—the whole forming a complete family newspaper.

The Weekly National Whig,

One of the largest newspapers in the United States, is made up from the columns of the Daily National Whig, and is published every Saturday for the low price of $2 per annum, payable in advance. A double sheet of eight pages will be given whenever the press of matter shall justify it.

The memoirs of General Taylor, written expressly for the National Whig, are in course of publication. They commenced with the second number, a large number of copies of which have been printed to supply orders for back numbers. A W FISHER, Proprietor of National Whig

IMPUDENCE.

FROM a published card of McCallmont & Bond, of Philadelphia, the public would be led to believe that we have been claiming a privilege we had no right to. That "they have abandoned some time since the exclusive agency system," and that we have no right to claim "exclusive privileges with their teas." I never pretended to sell the teas of this spurious concern. I have been selling the teas of the New York Pekin Tea Co. for the last two years, as the public are aware, and have been to New York four times in that time, and never heard of this new concern until lately but as wood dealers.

The Tea business of McCallmont & Bond is about 1 month old, and not a month passes but the Tea Company's name is because a name is open for any man or firm to assume, but the fact intended to imply thereby, that they have any connection with the so called and well known Pekin Tea Company of New York is entirely false, they having been denied even an agency. Philadelphia is the only City in the Union, the Company having refused even thus far to confide in them. I know not what kind of wood they keep or what kind of teas, but I know they keep or claim none of the Pekin Tea Company's of New York.

Any person reading their card will see the gross deception they wish to practice on the public, and to the injury of my business. McCallmont & Bond are wood dealers in Philadelphia and have certain agent out here paid wood over the eyes of some of our good citizens Look out for a black sheep. ALEX. JAYNES

NEW YORK PEKIN TEA COMPANY
Caution to the Public.

ALEXANDER JAYNES is the only authorized agent in Pittsburgh and Allegheny cities, for the sale of the Pekin Tea Company's Teas at 25 and 77 Fulton st, New York. Any other person in Pittsburgh pretending to sell our Teas is an impostor, and deceives all who may patronise him. It is commonly known that the Pekin Tea Company's Teas have proved superior to all other Teas sold, and for this reason many persons have dishonestly pretended to have the sale of the Pekin Tea Company's teas, when they are all the while retailing trash and cheap stuff, which they have obtained elsewhere. Others again assume the name of Tea Company and imitate our packages, and thereby deceive many.

We are informed that there is a person in Pittsburgh selling Teas under the name of the New York and Philadelphia Pekin Tea Company. We have only to say that this assumed company have no connection whatever with the New York Pekin Tea Company, as commerce will soon fully discover by comparing the article they sell with the genuine Tea sold by the New York Pekin Tea Company, at the store of A. Jaynes, 72 Fourth st.

N. B.—Messrs. McCALLMONT & BOND, of Philadelphia have no connection whatever with the New York Pekin Tea Company, and if they say they have, they are to sell Teas under a name so nearly resembling ours, as to have a tendency to mislead the public.

TO PRINTERS.

THE subscriber has commenced in the city of Pittsburgh, the manufacture of Printers Ink, in all its various branches.

Printers throughout the country who are in want of inks, would do well by calling on the subscriber previous to supplying themselves, as they will be sold at considerable reduction from eastern prices. They cannot be excelled in point of beauty, richness, or the excellence of manufacture, by any inks now manufactured. The subscriber cannot but believe where a superior article is offered for a less price, that a sufficient inducement is advanced to return the patronage of all who use Printing Inks. He is also satisfied that his inks upon trial will correspond with the above representation, and would therefore solicit the custom of those who feel disposed to encourage the manufacturing of the article in this city.
