OFFICE PITTSBURGH GAZETTE, Saturday Morning, December 4.

In reviewing the market to-day, we have still to report the weather as inclement and gloomy, and business as rather partaking of dullness. Considerable rain has fallen for some days past, and the river at dusk, last evening, was again rising, with about ten feet water in the channel.

The market generally is quiet, with no material change in prices.

Flour— Receipts continue light, and the supplies moderate; prices, however, are without change.— Sales from store are regular at $5@5,12½ ⅌ bbl.— Sales from river and wagon at 4,90@5,00 as in quantity and quality.

Wheat—We notice some arrivals by river, though we have heard no sales reported to any extent.— Limited supplies are held nominally at 90@95c ⅌ bu.

Rye—Receipts are light, and very little is doing in the article. Moderate sales are reported at 45c ⅌ bu.

Barley—Is in fair demand, with sales at 45@50c ⅌ bu.

Corn—Sales in different lots of 500 bu at 40@45c ⅌ bu.

Oats—Are in fair request, with regular sales at 27 ⅌ bu.

Provisions are without change. Bacon is dull, with moderate sales at the usual rates, via—Hams 8@9c, Sides 7½; Shoulders 6@6¾ ⅌ lb.

Lard—Sales of 1000 lbs in kgs, at 8½@8½c ⅌ lb.

Butter is scarce, and in good demand. Limited sales are reported at 9@9½c, and small lots of choice at 10c ⅌ lb.

Cheese—We notice further sales of 300 bxs W R at 6½@6½c. Goshen is sold at 10c ⅌ lb.

Groceries—The market is quiet, with regular sales at last quotations.

Ashes—Sales of 5 tons Pots at 5½@5¾; and 8 tons Scorchings at 3¼@3½c. Regular sales of Saleratus at 7½@7½c, and Pearls at 7½ ⅌ lb.

Apples—The market at present is fairly supplied with a good article. Sales of 30 bbls at 100@125 ⅌ bbl.

Dried Fruit—Continues in fair request, with regular sales of Peaches at $1,50@1,56—and of Apples at 50@62½ ⅌ bu.

Cranberries—Sales at $1,75@1,87 ⅌ bu as in quality.

Rye Flour—Supplies are moderate, with limited sales at $3,50@3,62 ⅌ bbl.

Buckwheat Flour is selling in a regular way at $2 ⅌ 100 lbs.

Flaxseed—Sales occur at 85@90c ⅌ bu.

Feathers—Receipts continue light, and supplies limited. Sales to a moderate extent at 32c ⅌ lb.

Fish—The market is without change. We quote regular sales of Salmon at $20; Shad $10; Mackerel No 3 at 7,37@7,50; Herring at 6,25@6,50, and Lake Fish at $3@3,50 ⅌ bbl.

Counterfeit 5's, on the Merchents and Manufacturer's Bank of Pittsburgh, are in circulation in Cleveland, says the Times.

RISE IN THE RIVER.—Since Thursday night last, the river at this place has risen about twenty three feet, and it is still rising. Two feet more will bring it to the foot of Main street. The mine above must have been very general and heavy, for we hear that all, or nearly all the tributaries to the upper Ohio have been much swollen. At Pittsburgh the Ohio was higher than at any time since 1832.— The rise in the Kanawha was greater than has been known for 18 years. The injury to the salt works along that river is said to be quite considerable.— Arches have been injured, boilers displaced, and vats destroyed, so that it is supposed the works will not be able to resume operations before the first of January.—[Cin Com.

The New York Journal of Commerce, in noticing the Money Market, says:

"The amount of specie to be shipped by the Acadia from Boston, will probably be about £30,000 or $400,000. By various sailing vessels, since the departure of the Washington, there has gone, and will go, on the 1st of December, about as much more, making in all near a million of dollars sent off during the latter part of November. More than half the specie has been received from the West and the South, and the rest from the interior of the banks, though some of them have more specie than they had a month ago. The aggregate, we presume is somewhat less.

"The export of silver to France is suspended, or nearly so, and cotton and other produce is going instead. Some of our large houses have, since the last fall in cotton at the South, returned to the old mark of doing business, and offer to make advancements on consignments to their friends in England; and the general impression is, that a moderate restoration of order in England would cause free shipments of produce, and yet not produce at once a big shipments of gold. In the meantime, money, though scarce, and 1 to 1½ a month in the street, has been easier this week that it was last, from the conviction that the difficulty has been measured, and its temporary character made certain. The banks discount about three fourths of their receipts, and upon the whole, the week has closed leaving affairs in a good way.

BALTIMORE Cattle Market—The demand is slightly improved and prices advanced. There were 1450 head offered at the scales yesterday, and 910 head taken by drovers and packers at $2 to 3,25 ⅌ 100 lbs, on the hoof, equal to $4@5,25 net, and averaging 2,62½ ⅌ 100 lbs gross; of the above 400 head were driven to Philadelphia, and 50 head left over unsold.

Hogs—The supply is fair. Sales of live are making at $5@5,25 ⅌ 100 lbs.—[Pat.

Balm of Columbia—Hair Tonic—To the Bald and Gray—If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness it will more than extend your expectations. Many who have lost their hair for 20 years have had it restored to its original perfection by the use of this balm. Age, sex or condition appear to be no obstacle whatever; it also causes the fluid to flow with which the delicate hair tube is filled, by which means thousands (whose hair was gray as the Atlantic Eagle) have had their hair restored to its natural color by the use of this invaluable remedy. In all cases of fever it will be found the most pleasant wash that can be used. A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a rich glossy appearance, and as a perfume for the toilet it is unequalled; it holds three times as much as other miscalled hair restoratives and is more effectual. The genuine manufactured by Comstock & Co, 51 Courtlandt st, New York.

Sold in Pittsburgh, only genuine, by WM JACKSON 50 Liberty st, head of Wood; in Washington, Pa, by Sweeny & Son; in Brownsville, by Bennett & Crockett; in Connellsburg, by Dr. Youst; also, by our agents in every town in Pa, Ohio and Md. nd1d&w3m7

Salter's Ginseng Panacea.—MEDICAL TESTIMONY.—We beg leave to call public attention to the following, from Dr. Wm. Dean, of Withansville Clermont Co., and one of the very first practitioners in the county in which he resides, and late Senator in the State Legislature. It is cheering thus to see the leading men of the profession, burying the bonds of professional prejudice, and giving merit its due:

"SIR: I have in my practice been using some of your Ginseng Panacea, and, so far, am well pleased in its effects in Catarrhal and Bronchial Complaints. Please send me half a dozen bottles—put them at low as you can; as I expect it I continue to tender as general satisfaction as it has heretofore, to keep it constantly on hand. Respectfully, WM. DEAN, M. D."

NEW YORK PEKIN TEA COMPANY

Caution to the Public.

ALEXANDER JAYNES is the only authorized agent in Pittsburgh and Allegheny cities, for the sale of the Pekin Tea Company's Teas of 25 and 27 Fulton st, New York. Any other person in Pittsburgh pretending to sell our Teas is an imposter, and deceives all who may patronize him. It is commonly known that the Pekin Tea Company's Teas have proved superior to all other Teas sold, and for this reason many persons have dishonestly pretended to have the sale of the Pekin Tea Company's teas, when they are all the while selling a cheap sub stitute, which they have obtained elsewhere. Others again assume the name of Tea Company and imitate our packages, and thereby deceive many.

We are informed that there is a person in Pittsburgh selling Teas under the name of the New York and Philadelphia Pekin Tea Company. We have only to say that this assumed company have no connection whatever with the New York Pekin Tea Company, as purchasers of Tea will readily discover by comparing the article they sell with the genuine Tea sold by the New York Pekin Tea Company, at the store of A. Jaynes, 72 Fourth st.

N. B.—Messrs McCallum & Bond of Philadelphia have no connection whatever with the New York Pekin Tea Company, nor have they any right or privilege to sell Teas under a name so nearly resembling ours, as to have a tendency to mislead the public.

IMPUDENCE.

FROM a published card of McCallmont & Bond of Philadelphia, the public would be led to believe that they have secured a privilege we had no right to. That "they have abandoned some time since the exclusive agency system," and that we have no right to claim exclusive agency, which we claim, we have proceeded to sell the teas of this spurious concern—I have been selling the teas of the New York Pekin Tea Co for the last year, and have never heard of any complaint, and have been to New York four times in that time, and never heard of this new concern until lately but as wool doters.

The Tea business of McCallmont & Bond is about 8 months old, and their assumption of the Pekin Tea Company's name is because a name is open for any man or firm to assume, but the fact intended to imply thereby, that they have any connection with the so called and well known Tea Company of New York is entirely false, they having been denied even an agency in Philadelphia for the New York Company, that Company, Mr. J. R. Stockdale, is now at McMaster's, Eagle Hotel, Liberty st., Pittsburgh, ready to receive orders. All Teas sold by this Company, are warranted equal to any sold in the United States, and no payment required until buyers are entirely satisfied as to the fact.

Principal Warehouse of the Company, No 35 North Front street, Philadelphia.

BEACH'S UNIVERSAL EXPANSIVE SHELLER—This labor saving Machine, was Patented, April 15th, 1846, which in view of its great durability, cheapness and efficiency, its simplicity of construction, and the ease and facility with which it is used by either Boys or adults; is inevitably destined to supercede all other Corn Shellers for general use. It in fact supplies a desideratum which has long been wanted throughout the Western States, for while it costs less than one-tenth of the price of the injury shellers, one person can shell corn with it, as fast as with any. For sale at the Seed Store, corner of Wood and 6th sts.
