IMPUDENCE.

FROM a published card of McCallmont & Bond, of Philadelphia the public would be led to believe that we have been claiming a privilege we had no right to. That "they have abandoned some time since the 'exclusive agency system,'" and that we have no right to claim "exclusive privileges with their teas." I never pretended to sell the teas of this spurious concern. I have been selling the teas of the New York Pekin Tea Co. for the last two years, as the public are aware, and have been to New York four times in that time, and never heard of this new concern until lately but as wood dealers.

The Tea business of McCallmont & Bond is about 6 months old, and their assumption of the Pekin Tea Company's name is because a name is open for any man or firm to assume, but the fact intended to imply thereby, that they have any connection with the so called and well known Pekin Tea Company of New York is entirely false; they having never been denied even an agency in Philadelphia for the New York Company, that Company having refused even thus far to confide in them. I know not what kind of wool they keep nor what kind Teas; I am only certain they keep or obtain none of the Pekin Tea Company's of New York.

Any person reading their card will see the gross deception they wish to practice on the public, and to the injury of my business. McCallmont & Bond are wool dealers in Philadelphia and have sent an agent out here to pall wool over the eyes of some of our good citizens Look out for a black sheep. ALEX. JAYNES

MEDICAL.

SEVERAL REASONS WHY DR. LEIDY'S SARSAPARILLA BLOOD PILLS are becoming so universally popular.

First, Because they are prepared by Dr N B Leidy himself, a regular Druggist, Chemist and Physician of Philadelphia, who knows the nature, the quality and character of the Medicines used in his pills and their adaptation to disease.

Second, Because the public can take them with greater confidence than most other pills which are prepared by persons ignorant both of medicine and diseases.

Third, Because of their combined effects, properties not contained in any other pills; namely, purging from the stomach and bowels all unhealthy substances, and at the same time purifying the blood and fluids of the body.

Fourth, Because they are the cheapest and best medicine known—a single box costing but 25 cents, and containing 40 pills, saving to persons as many dollars oft-times in Doctor's bills, and numerous medicines bought & tried on the recommendation of others.

WHOLESOME ADVICE.

Whenever you have occasion to take any medicine, do not be trifling with your constitution by trying all kinds of pills or other medicines you see published and recommended by one and another but take at once

Dr. Leidy's Sarsaparilla Blood Pills

and you will not have occasion to take anything else. They will always be found good in almost all worms of disease, inflamation of the stomach, bowels, liver and intestines; cramps of the stomach; colic, Waterbrash; inward fevers, foul breath, bad taste in the mouth, Sour eructations and acidity of the stomach, costiveness and indigestion, want of appetite, bilious derangements, diseases of the spleen and kidneys, diseases of the skin, scaly eruptions dry and watery pimples or blotches of the face and body, tetter, rash, prickly heat and salt rheum, headache, giddiness, faintness, pains over the heart, of the breast, sides, along the back and spine, rheumatism and gout, fevers of all kinds, small pox, variloid, measels, scrofula, erysipelas, and in short they are good in all diseases having their origin in the stomach, liver, and intestines, and impurity of the blood

SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms, whether in that of King's Evil, enlargements o the glands or bones, Goitre, White Swellings, Cutaneous Eruptions, Tetter, Ringworm, Scald Head, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the Blood is conveyed to the minutest fibre, removing every particle of disease from the system. Prepared and sold at No. 2 South Third Street, Philadelphia.

DR. JAYNE'S CARMINATIVE BALSAM—RECOMMENDED by the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend D Jayne's Carminative Balsam, as a salutary medicin for diseases of the stomach and bowels. A SHINN

PILES.

DR. INGOLDSBY'S Piles Specific, an internal remedy a certain and radical cure, whether external, external bleeding or blind piles, for irritation of the kidneys and bladder, pains in the back and side, habitual costiveness, eruptions, &c.

Females before and after confinement are often troubled with constipation of the bowels or costiveness, as well as the piles. In all such cases the Specific can be taken with perfect safety, and is a certain remedy. The Specific is scrupulously pure, and is an entirely vegetable remedy, without a particle of gamboge, colocynth or aloes—pleasant to take and perfectly harmless in the most delicate cases.

This is to certify that I know Dr. Ingoldsby's Pile Specific to be a certain cure and safe remedy. Having seen its effect in several cases, among my family connections, I was induced to attend and severe cases of the piles, where it made an entire cure in every case. HENRY WHITEHEAD.

New York, May, 1845. 356 Sixth street.

I cheerfully give my testimony as to the certain and astonishing effects of Dr. Ingoldsby's Piles Specific, as I know it from my own experience and observation, to be infallible; having seen it used with success in several cases of piles, male and female. GEO. SHILLER,

B. FAHNESTOCK'S PNEUMONIC or Lung Balsam, has a great advantage over many other Cough preparations, as its pleasant taste permits it to be used without inconvenience. But its virtues as a Balsam for the speediness of its cure. We have known some of the most desperate coughs, some of which had been running on for a considerable length of time, yield immediately to its power.

In such weather as we have had during the past winter every one is liable to a cough, unless great prudence is used.

Wet feet and undue exposure to the inclemency of the weather often lay the foundation of a hacking cough which needs a quick remedy to prevent serious results.

We have numerous certificates of cures which it has performed, many of which are from persons in this city and its neighborhood, and they are a sufficient reference without saying another word in its favor.

Nothing is so good for sale wholesale and retail by B A FAHNESTOCK & CO, corner of Wood and 1st and Wood and 6th sts.

I was delighted with its immediate relief; as also several friends have been relieved in severe cases. I am therefore satisfied that it is a most valuable medicine, and will recommend it to those who may be afflicted with severe coughs and colds. W. K. BODEN.

DR. TOWNSEND'S

SARSAPARILLA.

Most extraordinary Medicine in the World.

This extract is put up in Quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickness or debilitating the patient.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicines is, whilst it Eradicates Disease it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the whole system and strengthens the person, but it *Creates New, Pure and Rich Blood*, a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 33,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than

3,000 cases of Chronic Rheumatism;	
2,000 cases of Dyspepsia;	
400 cases of General Debility and Want of Energy;	
7,000 cases of different Female Complaints;	
2,000 cases of Scrofula;	
1,000 cases of the Liver Complaint;	
2,500 cases of Disease of the Kidney and Dropsy;	
1,000 cases of Consumption.	

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c, &c. Together with numerous cases of Sick Headache, Pain in the Back and Chest, Spinal Affections, &c., &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from every part of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the Preventive of disease known. It undoubtedly saved the lives of more than

5,000 CHILDREN THE PAST SEASON!

As it removed the cause of disease, and prepared them for the Summer season.

UNITED STATES OFFICER.

CAPT. G. W. MCCLEAN, of the UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

BARNEY, Jan. 25, 1847.

A year since I was taken with the influenza, and my whole system fell in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the use of your medicine. I have recommended it to many, and I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W. MCLEAN, late U. S. N.

SCROFULA CURED.

This certificate convinces us that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented.

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your Sarsaparilla. They were afflicted very severely with bad sores; have only taken four bottles; it took them away, for which I feel myself under deep obligations. I remain, respectfully yours,

ISAAC W. CRAIG, 105 Wooster st.

New York, March 1, 1847.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for all complaints peculiar to females. Thousands of Whites, obstructed or difficult Menstruation, Incontinuances of Urine, or involuntary discharge thereof, and for the great weakness with which we are so generally troubled, are proofs of inherent cause or causes, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languide, from lifting it, at once become robust and full of energy and life. Pimples, eruptions, and blotches, disappear as the nerve, lessens of the female frame, which is the great cause of bad results.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy offspring.

Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering continually by pain in the back and side, and other symptoms of a female nature, I was induced to try your Sarsaparilla. Her health has long been a favorite one with the Provision Dealers of Pittsburgh, will, the coming season, present a larger field for their operations than heretofore, from the completion of the Rail Road to Indianapolis, 30 miles further into the hog raising region.
