From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Ehrenzeller, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and gradually by a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

PHILAD'A, June 23, 1861. J. NEWTON BROWN.

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor increased and kept up, and the result is all the horrors attendant upon drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt: Get *One Bottle Hoofland's German Bitters* and mix with *Three Quarts of Good Brandy or Whiskey*, and the result will be a preparation that will *far excel* in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will *cost much less*. You will have all the virtues of *Hoofland's Bitters* in combination with a *good* article of Liquor, at a much less price than these inferior preparations will cost you.

Attention, Soldiers, and Friends of Soldiers.

We call the attention of all having relations or friends in the army, to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases induced by exposure and privations incident to camp life. In the letts, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters:"

PHILADELPHIA, August 23d, 1863.

Messrs. Jones & Evans.—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who will fully corroborate all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs, and was gone seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of August, since that time I have been about as low as any one could be, and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and accordingly the physicians who had been working faithfully, though unsuccessfully, to prolong my life, gave me up. Being followed by the Angel Archer, frankly told me that they could do no more for me and advised me to see a clergyman, and to make such disposition of my limited funds as I desired me. An acquaintance, who visited me at the hospital, Mr. Frederick Middleton, of 811 Race below Ninth Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. Even at the time I commenced taking them I thought the chance of death very close, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has given the place of regardless to your Bitters will forever be a glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE.

We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health.

French Periodical Drops,

FOR FEMALES,

IT IS SURE TO CURE!

It is impossible to enjoy the blooms of health and vigorous spirits, unless the Menses are regular as to the time, the quantity and quality. When they are obstructed, nature makes her effort to obtain for it some other outlet, and unless these efforts of nature are assisted, the patient usually experiences Dispondency, Nervousness and fitfull, CONSUMPTION soon sets in, and prematurely terminates a miserable life.

IT REMOVES ALL OBSTRUCTIONS!

IT IS A PERFECT REGULATOR!

BEAR IN MIND

I GUARANTEE

MY DROPS are a preventive of the most painful and dangerous diseases, though cure should be taken if uncertain of pregnancy, as the cause, as the Drops would be sure to produce miscarriage; they will also certainly PREVENT CONSUMPTION, if taken two or three days before the monthly period, their fare, I wish it distinctly understood, that I do not hold myself responsible when used under such circumstances.

WHICH IS LYON'S DROPS!

THEY ACT LIKE A CHARM

by strengthening and invigorating, and restoring the system to a healthy condition. It moderates all excess, and removes all obstructions, and a speedy cure may be relied on.

To Married Ladies,

They are peculiarly adapted, as they bring on the monthly period with such perfect regularity.

SURE TO DO GOOD.

I could furnish any quantity of testimonials of its efficacy from my own patients, but the practice of parading bought and hireling cases before the public is so prevalent I do not deem it advisable. My object is to place my medicine before the public, not alone to make money, but to do good. It is practically true of the American Ladies, that not too perfectly healthy, can shake found in any one vicinity.

CANNOT DO HARM.

BE WISE IN TIME!

Let no disease destroy your constitution. Try a bottle of my PERIODICAL DROPS, and you will be satisfied that I am no imposter. Tell your afflicted friend what restored the bloom of health to your cheeks, and thereby confer a favor more valuable than gold. For painful or scanty Menstruation it is just the thing. I have now in my mind an instance of a lady who had been suffering from painful menstruation two or three years, confining her to her room each time; she had applied to several eminent physicians, without relief, when one bottle of my DROPS entirely cured her.

CATARRH.

DR. R. GOODALE'S CATARRH REMEDY

IT CURES CATARRH IN ALL ITS TYPES AND STAGES.

IT CURES CATARRHAL HEADACHE.

IT CURES CATARRH AND RESTORES THE EYE SIGHT.

IT CURES CATARRH AND RESTORES THE SENSE OF SMELL.

IT CURES CATARRH AND PAIN IN THE TEMPLES.

It penetrates to the very seat of this terrible disease, and exterminates it, root and branch, forever. Dr. Goodale is the first and only person who ever told the world what Catarrh really was—where it commenced—and who would cure it.

Over thirty years ago, Dr. Goodale boldly struck out from the fallacious theory and mode of treatment of this loathsome malady, as laid down in "Standard Medical Works" and teachings, to discover its true cause and locality, and to devise a permanent cure for it. Entire success has crowned his efforts, and he has now spent a lifetime in battling with this *foul disease*, exploring its secret approach, and making known to the world the fact that Catarrh, which has for years defied the skill and research of medical men and authors of this country and in Europe, can now be cured, with the same uniform certainty that morning follows night. Thousands who have tried every known means of cure in vain, have been permanently cured by Dr. Goodale's Catarrh Remedy, and now praise it in the most extravagant terms of delight.

Mad'e ZADOC PORTER'S Balsam is prepared with all the requisite care and skill, from a combination of the best remedies the vegetable kingdom affords. Its remedial qualities are based on its power to assist the healthy and vigorous circulation of the blood thro' the lungs. It is not a violent remedy, but emollient,—warming, searching and effective; can be taken by the oldest person or youngest child.

Mad'e ZADOC PORTER'S Balsam has been used by the public for over 15 years, and has acquired its present sale simply by being recommended by those who have used it, to their afflicted friends and others.

MOST IMPORTANT.—Mad'e ZADOC PORTER'S Curative Balsam is sold at a price which brings it in the reach of every one, to keep if convenient for use. The timely use of a single bottle will prove to be worth 100 times its cost.

NOTICE.—Save Your Money!—Do not be persuaded to purchase articles at 6s. to $1, which do not contain the virtues of a 13 cent bottle of Madame Porter's Curative Balsam, the cost of manufacturing which is as great as that of almost any other medicine; and the very low price at which it is sold, makes the profit to the seller apparently small, and unprincipled dealers will sometimes recommend other medicines on which their profits are larger, unless the customers insist upon having Madame Porter's and none other. Ask for Madame Porter's Curative Balsam, price 13 cts., and in large bottles at 25 cts., and take no other. If you cannot get it at one store you can another.

Sold by all Druggists and Store keepers at 13 cts., and in larger bottles at 25 cts.

PREVENTION IS BETTER THAN CURE

TO Ladies of delicate health or impaired organization, or to those by whom an increase of family is from any reason objectionable, the undersigned would offer a prescription which is perfectly reliable and safe, and which has been prescribed in various parts of the old world for the past century. Although the article is very cheap and simple, yet it has been put up in half pint bottles and sold very extensively at the exhorbitant price of $5 per bottle, the undersigned proposes to furnish the recipe for the small sum of $1, or the possession of which every lady can supply herself with a perfect safeguard, at any drug store, for the trifling sum of 25 cents per year. Any physician or druggist will tell you it is perfectly harmless, and thousands of testimonials can be procured of its efficacy. Sent to any part of the world on receipt of $1, by addressing

Dr. J. C. DEVERAUX, P. H. Box, No. 2253, New Haven, Conn.

TO NERVOUS SUFERERS OF BOTH SEXES.—A REVEREND GENTLEMAN having been restored to health in a few days, after undergoing all the usual routine and irregular expensive modes of treatment without success, considers it his sacred duty to communicate to his afflicted fellow creatures the means of cure. Hence, on the receipt of an addressed envelope, he will send (free) a copy of the prescription used. Address JOHN M. DAGNALL, 186 Fulton Street, Brooklyn. ja21-1y.
