Highly important!!

SCROFULOUS CANCER CURED.—The following is a certificate from a highly respectable lady, has been sent to Dr. Jayne by his agents, Messrs Jason Ham & Co:
Centreville, Ia., March 19th, 1847.
MR. JAYNE—Dear Sir—Duty to my fellow creatures demands that I should add my testimony to the well established efficacy of your ALTERATIVE. I have had what the doctors all pronounced an incurable Scrofulous Cancer of three year's standing. After a faithful use of the remedies of the profession, until my patience in their use, and hopes in their efficacy were completely exhausted, I commenced taking your Alterative. After I had taken it about six months, I was not only cured by it, but my Cancer was literally rooted out and dropped off. I am now completely and permanently cured, and have no hesitation in saying that it is the most efficacious constitutional remedy extant. I have no scruples nor fears in undertaking its virtues and commending it to all similarly affected.
Respectfully yours,
Dr. D. Jayne—Dear Sir—We enclose you a certificate from Nancy Falls, of an important cure performed on her by your Alterative. The facts stated by her we know to be true.—Yours,
Jason Ham & Co.

SELLER'S IMPERIAL COUGH SYRUP.—It has power to cure! PITTSBURGH, Feb. 14, 1847.
MR. SELLER—My wife has for years been subject to a distressing cough, accompanied with asthma, for the cure of which she used different cough remedies, and had the advice of the most eminent physicians in England, but all was unavailing. By chance I heard of your Imperial Cough Syrup, and was induced to buy a bottle for trial, although I had no belief that any medicine could remove her complaint. To my great surprise, two doses gave her immediate relief. She is at times troubled with a cough, but two teaspoonsfull of Syrup always stops it. I am satisfied, after a trial of three or four years, that Seller's Cough Syrup is the best cough medicine I have ever tried.—Yours, &c. A. Ross
World. WM. FAIRBOURNE,
Seventh Ward, city of Pittsburgh.
The above certificate should induce all who are troubled with cough or asthma, to give the Syrup a trial. It may be had for 25 cents a bottle, at the drug store of R F SELLERS, 57 wood st.
Sold by Dr Cassel, 5th ward, and D H Curry, Allegheny. jan5

THE NEW JERUSALEM STORE,
ST. CLAIR STREET, PITTSBURGH.
WM. T. BOWN, Sr., would respectfully solicit from his friends and old customers a continuance of those favors so liberally bestowed upon him in times past. It being so many years since he retired from business and a distinct set of his old friends and customers have almost forgotten him, and there being so many of the same or like names, now in business, is the cause of his particularizing the name of his store. The little addition, Sr., which I have made to my name, added to the fact that I am seldom in the Store, has also caused some to suppose I have left the establishment. I therefore take this opportunity of making it known to the public in general, and hope to partake of a share of their favors. All articles manufactured by WM. T. BOWN, Sr., are warranted good, and made from the best materials the market could afford at the time. jan1

WM. T. BOWN would respectfully call attention to his stock of Preserved Fruits, consisting of Strawberry, Raspberry, Gooseberry, Currant, Plum and Peach jams, and Cranberry and Currant Jellies; also keeps a general assortment of Fancy and Common Cakes, Foreign and Domestic Fruits, Nuts, &c. White and Brown Bread fresh every day. jan1:tw
