REDDING'S RUSSIA SALVE!

Is perfectly free from any mercurial matter or injurious particles, and in no case will its application interfere with the remedies that may be prescribed by a regular physician. The Medical Faculty, throughout the Union, are unanimous in its praise. The more its virtues become known the greater is the demand, and it is now considered an indispensable article of household necessity—being used alike by rich and poor.

REDDING'S RUSSIA SALVE!

Is prompt in action, removes pain at once, and reduces the most angry looking swellings and inflammations, as if by magic,—thus affording relief and a complete cure. The length of time this salve has been before the public is conclusive proof that it is no "catch-penny" preparation, put forth to have a fictitious popularity, and then sink to rise no more.

LADIES AND GENTLEMEN!

BEFORE PURCHASING

Piano Fortes

AND

MELODEONS!

Elsewhere, please examine my assortment of Instruments. They are warranted fully to stand any climate, and are of a tone and workmanship equal to any offered anywhere. I beg you reflect on the fact that the objections raised lately against my establishment by certain music teachers of this city, are caused only by my refusal to pay them (Professors?) an

ENORMOUS COMMISSION!

Which will hereafter benefit those who buy of me to the amount of from 16 to 25 per cent., for I would rather allow the same to the buyer than to the meddler who benefits no one besides himself.

I am a Union man, straight and forward, and hate crooked things and idlers.

I must not take the profits out of my friends' pockets, or defraud the Government out of it, or cheat myself and family into the Poor House for the sake of satisfying the hungry music teachers through whose whimpering my Pianos will not sell better, if they are not good, nor bad, if they are good.

I will pay to any man, woman or child, the amount received for a Piano with my name on it, if they are not pleased with it, and I will pay a *Thousand Dollars* to any one who will show me one on which the Frame is broke, like so many New York and Buffalo Pianos have done in this city and county. Let the people tell where my poor Pianos are—not the teachers—especially those with Southern sentiments; let such go where they belong. My Pianos are warranted to be supplied with all late good improvements, and must give satisfaction or no pay.

Eastern Pianos of all makes can be had of me as well and cheap as any other man.

Parties ready to purchase anything in the music line, will please remember that I am dealing largely in Musical Merchandise generally, and can offer inducements rarely excelled by any *Short-Stay* dealer.

Pianos warranted by me can be relied upon, I being Manufacturer, Tuner, Player and Musician, as well as Teacher. My warrant is good, because I am *good for* the amount. My opinion in many cases has been a benefit to those who purchased Pianos, and some who did not believe me at first found the truth after a while by their loss.

A Piano Forte made elsewhere is no better for that reason, but all Pianos are good which are made right, the good are good and the bad—bad. Eastern Pianos are furnished by me, as above said, at Manufacturers' prices. My stock on hand consists of a very choice selection, and in larger than any ever offered for sale here.

WHEELER & WILSON'S

IMPROVED

SEWING MACHINES!

They are acknowledged to be the BEST MACHINE ever introduced into this country. Their unrivalled success not only in this country, but all over the World, has made it by far the most popular Machine now in use.

FOR SEVERAL YEARS

They have taken the lead of all other Machines, but since the late improvements have been added, every variety of work is performed with such ease and rapidity that the

LADIES ARE IN ECSTACIES OVER IT!

And it wins the admiration of ALL. We warrant them to stitch every variety of goods, from the thinnest muslin to the thickest cloth. They make the celebrated "lock stitch," which is impossible to rip or ravel. These Machines will do the following work WITHOUT ANY BASTING OR PREPARATION, viz:

STITCH, HEM, FELL, CORD, GATHER, BRAID, TUCK, BIND & QUILT.

They make any width of hem without previously turning or basting it; they will gather and stitch or sew on the same; if you don't believe it,

COME AND SEE FOR YOURSELF.

The demand for those celebrated Machines, since we have been located in Erie, has been astonishing. At times we find great difficulty in filling the orders, but we have a full stock just received, and all who want to see any and all who may call or send an order, shall be waited on. Purchasers are elegantly fitted and furnished with all necessary instructions for conducting the business to the best advantage.

These Machines were awarded the highest premiums at

The WORLD'S FAIR, in London, 1862.
The INDUSTRIAL EXPOSITION, Paris, 1861.
The MECHANIC'S INSTITUTE, Washington, 1863,
And at almost every State and County Fair where exhibited. They are warranted three years. They are perfectly simple in construction. They run with the greatest ease. They are almost noiseless.

☞ INSTRUCTION FREE.

Call and see them in operation. If you cannot come, send for sample of work and a circular by mail.

NEW TREATMENT.

CONFIDENTIAL MEDICAL ADVICE.

Syphilis, Seminal Weakness, and the Secret Infirmities of Youth and Maturity.

DRS. W. & R. LAMERT,

Office on the first floor in the Atwater Building, foot of Superior Street, Cleveland, Ohio.

THE SILENT FRIEND.

A Report on the Nature, Treatment and Cure of Nervous and Physical Debility, Exhaustion, Spermatorrhœa and all Urino-genital Diseases of the Nervous system, and other diseases incidental to both sexes, producing depravity of both mental and physical strength terminating in total debility and incapacity; showing why these diseases so often appear incurable, when in reality they can be effectually removed by the most simple means.

A MOST SCIENTIFIC INVENTION.

An instrument for the cure of General Debility or Nocturnal Emissions, more properly known as Seminal Weakness, &c. Can be permanently cured in from 15 days to two months by the use of this instrument when used conjointly with medicines.

YOUNG MEN TAKE PARTICULAR NOTICE.

Drs. W. & R. Lamert take pleasure in announcing that they have invented a most important instrument for the cure of the above diseases. It has been subjected to a test by the most eminent physicians in London, Paris, Philadelphia and New York. It has been declared the only useful instrument ever invented for the cure of Seminal Weakness, or any disease of the genital organs, caused by the secret habits of youth.

Drs. W. & R. Lamert, in order to satisfy the most critical as to the merits of their instrument, pledge themselves that in any instance where it may prove unsatisfactory, after a fair trial, the money will be refunded by returning the instrument in good order. Price of Instrument and medicines $20.

NEW REMEDIES AND QUICK CURES.

For the Venereal Diseases and all Private Complaints—gleets, strictures, seminal weakness, pains in the joints, affections of the kidneys, diseases of the head, throat, nose and skin, and all those dreadful affections arising from a secret habit of youth, which produces constitutional debility, render marriage impossible, and in the end destroy both body and mind. The treatment they adopt is the result of upwards of thirty years extensive and successful practice in Europe and America.

COUNTRY INVALIDS.

Persons in any part of the world may be successfully treated by forwarding a correct detail of their case, with a remittance for medicines, etc.

FINKLE & LYON'S SEWING MACHINES

These Machines make the lock-stitch alike on both sides, and use less than half the thread and silk that the single or double thread loop stitch Machines do; will Hem, Fell, Gather, Cord, Braid, Bind, &c., and are better adapted than any other Sewing Machine in use, to the frequent changes and great variety of sewing required in a family, for they will sew from one to twenty thicknesses of Materials without stopping, and making every stitch perfect, or from the fine st gauze to the heaviest beaver cloth, or even the stoutest harness leather, without changing the feed, needle or tension, or making any adjustment of Machine whatever!!!

They are simple in construction and easily understood; and if any part is broken by accident, it is readily replaced.

These are PECULIAR FACTS, and will go far to determine the choice of any intelligent buyer.

Please Call and Examine or send for Circular.
