DR. INGOLDSBY'S Piles Specific, an internal remedy a certain and radical cure, whether internal, external, bleeding or blind, also, for irritation of the kidneys and bladder, pains in the back and side, habitual costiveness, strup, &c.

Females before and after confinement are often troubled with constipation of the bowels or costiveness, as well as the piles. In all such cases the Specific can be taken with perfect safety, and is a certain remedy. The Specific is not a cathartic, but is an entirely vegetable remedy, without a particle of gamboge, colocynth or aloes—pleasant to take and perfectly harmless in the most delicate cases.

This is to certify that I know Dr. Ingoldsby's Piles Specific to be a certain cure and safe remedy. Having seen its effects in several cases, amongst my family connexions, in several cases, attended with severe cases of the piles, where it made an entire cure in every case. HENRY WHITEHEAD.

TWENTY-FIVE DOLLARS will be paid to any one who will produce a spot of paint, green or dry, that cannot be extracted with Hoit's Improved Chemical Soap. I have the satisfaction of saying to the people of this place, that this article, by my own improvement on it, is now manufactured in this country for extracting grease, tar, pitch, oil, paint, or any other greasy substances, from all kinds of gentlemen's or ladies' clothing, carpets, white cloths, merino shawls, ladies' bonnets, &c., without injuring anything that may be put into it to injure. More than one thousand persons in different parts of the country have sworn to me they would not be without it, if it cost one dollar per cake. I have sold the Soap on more than 300 articles of light silks, satins, alpaccas, and calicoes, I have only found three pieces of silk, two of alpacca, and four of calico, on which it changed the colors; therefore before putting it on a light dress try it on a sample of the dress first. A. PIRNESINE'S PNEUMONIC or Cough Balsam, has a great advantage over many other Cough preparations, in its perfect innocuousness, and its total without inconvenience. But its value as a Balsam, cannot be fully appreciated, unless it be used. We have known some of its most desperate cases, and have had been running on for a considerable length of time, yield almost immediately to its power.

In such weather as we have had during the past winter every one is liable to take cold, unless great precautions are used.

We first and endue exposure to the inclemency of the weather often lays the foundation of a hacking cough which need but a little exposure to develop.

We have numerous certificates of the benefit which has performed, many of which are from persons in this city and in the neighborhood, and we are at a loss for sufficient reason without saying another word in its favor.

MEDICAL.

DR. TOWNSEND'S SARSAPARILLA.

Most extraordinary Medicine in the World.

This extract is put up in Quart bottles; it is six times cheaper, and warranted superior to any sold. It cures disease without vomiting, purging, sickness or debilitating the patient.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicine is, while it Eradicates Disease it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the whole system and strengthens the person, but it *Creates New, Pure and Rich Blood*; a power possessed by no other Medicine. And if this is the grand secret of its wonderful success. It has performed within the past two years, more than 25,000 cures of *Severe Cases of Disease*; at least 5,000 of these were considered incurable. More than

5,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
7,000 cases of different Female Complaints;
5,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of Disease of the Kidney and Dropsy;
3,000 cases of Consumption.

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c., &c.

As this case is aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the prevention of disease known. It undoubtedly saved the life of more than 5,000 CHILDREN THE PAST SEASON:

As it removed the cause of disease, and prepared them for the Summer season.

UNITED STATES OFFICER.

CAPT. G. W. MCCLEAN, OF THE UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. He fell in our city.

RARITAN, Jan. 25, 1847.

A year since I was taken with the influenza, and my whole system left in a debilitated state. I was induced to try Townsend's Sarsaparilla, and after taking two or three bottles I was very much relieved, and attribute it entirely to the use of your valuable Sarsaparilla, and feel no hesitation in recommending it to any one. I believe it saved my life, and would not be without it under any consideration.

G. W. MCCLEAN, late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons in one house is unprecedented.

THREE CURES.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have only taken four bottles; the sores have healed up, and I feel myself under deep obligation. Yours, respectfully,

ISAAC W. CRAIG, 103 Wooster st.

New York, March 1, 1847. mar6

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is the strongest and speedy cure for incipient Consumption, Barrenness, Leucorrhœa, Weakness, obstructed or difficult Menstruation, Incontinence of Urine, and all complaints incidental to the female, or general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervous weakness of the female frame, which is the great cause of barrenness.

It will not be expected of us in cases of so delicate a nature, to exhibit testimonials of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children for years, have blessed the author of this invaluable medicine, have been blest with healthy offspring.

Dr. Townsend: My wife being greatly distressed by weakness and pain in the back, and suffering continually from pain and a sensation of bearing down, failing of her breath, and with other difficulties, and having known cases where your medicine has effected great cures, I was induced to bring it recommended for such cases as I have described, obtained a bottle of your Extract of Sarsaparilla, and followed the directions given for use. In a short period it removed her complaints and restored her health. Being grateful for the benefit she received, I take pleasure in this acknowledgment, and recommend it to the public. M. D. MOORE.

Albany, Aug. 17, 1846. Cor. of Grand and Lydius sts.

CORSACKIE, Sept. 29, 1845.

Dr Townsend: To all whom this may concern—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement, under the most alarming and delicate circumstances, being troubled with the dropsy, swelling of the feet, persons affections, and very much debilitated; with my persuasion, and the strong recommendation of those who had used it, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, not only in the hours of confinement, but after the expiration of one week of its use, the dropsy and nervous affections left, to an astonishing degree, and her health is now better than it had been for a long time previous.

If this will be of any service to you or any one who doubts the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedient and obliged servant S SYMES, M.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been expressly prepared for the express female complaints. No female who has reason to suppose she is suffering from Barrenness, should, "*in the turn of life*," should neglect to take it, as it is a certain preventive of the many and numerous and horrible diseased to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Females in the vicinity of 40 or more, are approaching womanhood, and cannot use this medicine too soon, it is quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject.

It braces the whole system, removes pressure of the natural energy, removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

GIRLS READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, or pimples, and are "out of spirits" use a bottle or two of Dr Townsend's Sarsaparilla. It will clear your blood, remove the freckles and blotches, and give you animation, vivacity, clear complexion, and beautiful complexion—all of which are of immense value to unmarried ladies.

DYSPEPSIA.

No fluid or medicine has ever been discovered which so speedily remedies the disease, as this Extract, in decomposing food and strengthening the stomach and bowels, as this preparation of Sarsaparilla.

TOWNSEND'S DEPARTMENT, Albany, May 10, 1845.

Dr Townsend: Sir—I have been afflicted for several years with dyspepsia in its worst forms, attended with sourness of stomach, pain in the stomach, sick headache, and great aversion to all kinds of food, and for the last year I could eat, I there been unable to retain but a small portion of any thing, and that with great pain and distress, but they had but little or no effect in removing the complaint.

Your medicine was recommended to me by a friend, and I was persuaded to try it, and I do now, after using three bottles, I found my appetite restored, and the distress in the stomach and bowels, and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c. W. W. VAN ZANDT.

For 22, 1846. Slaten Island.

ALMOST A MIRACLE

Read the following, and doubt if you can, that consumption is incurable. Read and ponder upon the following cures that Townsend's Sarsaparilla has performed.

Dr Townsend—Dear Sir: I was taken, a little over a year ago, with a cough, which has kept pain in my side. It increased on me very fast, indeed. I was induced by physicians to have the quick consumption. I ceased large quantities of medicine, and was confined to my room, and taking very fast, and had to be carried out in my arms. I was given up by my friends, and I was thought by the use of six bottles my health has been restored, and I am now able to attend to business with as much facility as any man in the city. Yours, respectfully, ISAAC HEKS,

Of Dickinson Township.

SHERMAN'S TOOTH PASTE.

A PERFECT DENTIFRICE.

THE best article ever invented for cleaning and whitening the teeth, strengthening the gums, and giving a fragrant breath, and the delicate and most nervous tooth will not be injured by its use. It should be used every night with a stiff brush, and the teeth and mouth will scarcely require a slight washing in the morning. Wet the brush with water, or cold will answer, and rub it a few times on the paste, when enough will adhere for cleaning the teeth. It leaves a delicious taste in the mouth, and the parts have a most delightful fragrance to the breath. It stands unrivalled as a pleasant, efficacious, convenient, and safe dentifrice. It is warranted not to injure the teeth by its use.

By using it regularly, it will remove the tartar and prevent its accumulation—prevent the toothache and gum boils, and prevent all diseases of them. Chemists, physicians, and the public generally, have decidedly superior to every thing of the kind in use.—Ask for Sherman's Improved Orris Tooth Paste, and observe his signature is attached to each pot.

Recommended by Dr. Castle, 281 Broadway, one of our best Dentists, and by most of the old established ones in the United States, and is extensively used by the Nobility of England and France.

A large proportion of the diseases of the teeth arise from some derangement of the stomach and bowels, which a timely use of the Cathartic Lozenges would entirely obviate. Persons of bilious habits should always have a box at hand, and take a close now and then if they feel the least derangement in their health. Ajudicious use of these Lozenges would prevent thousands of cases.

LADIES Who Use Common Prepared Chalks, are not aware how frightfully injurious it is to the skin! how coarse! how rough! how sallow, yellow, and unhealthy the skin appears after using common chalk! Besides, it is injurious, containing a large quantity of lead. We have discovered a beautiful vegetable article, which we call JONES'S SPANISH LILLY WHITE! It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white, at the same time acting as a cosmetic on the skin, making it soft and smooth.

Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analyzing Jones's Spanish Lilly White, I find it possesses the most beautiful and innocent qualities of any preparation I have seen. I therefore can conscientiously recommend its use to all whose skin requires beautifying."

☞ Price 25 cents a box.

☞ Sold by WM. JACKSON, at his Boot and Shoe Store, 89 Liberty street, head of Wood, at the sign of the Big Boot.

Ladies, ladies, I'm astonished,
When you know that you are promised
A natural, life-like, snowy white,
That you will still use common chalk,
And look a deathly yellow fright.
The theme of laughter and of talk.
If you would use a box of JONES'S Lilly-white, it would give your skin an alabaster yet natural white, and at the same time clear and improve it. Sold at JACKSON'S, 89 Liberty st. Price 25 cents per box.

SCRATCH, SCRATCH.

TETTER, ITCH, SALT RHEUM, &c.—Who would bear a single day scratch, when afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.

'Tis horrible to be obliged to rub and scratch when alone, but more horrible to abstain from it, (for decency sake,) when in company. Let it be remembered that Dr. LEDDY'S TETTER and ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood and fluids of the body, and where such disease be of long standing, and the constitution affected thereby. If Dr. Leddy's Sarsaparilla Blood Pills be used with the Ointment, they will cure any case whatever, and if they do not, the money will be returned by Dr. Leddy. Most cases, however, will be effectually cured by Dr Leddy's Blood Pills, and the surface of the skin healed by the Ointment. Price of Ointment 25 cents. MORGAN'S COUGH SYRUP.—It proved to be the great Furnace in curing my child's distressing cough.

From the Temperance Banner, Nov. 3, '47.

COUGH SYRUP.—We are not in the habit of puffing, much less taking Patent Medicines, but we feel disposed to recommend Morgan's Syrup to those who are afflicted with a cough. After having tried the usual remedies to remove a constant and distressing cough, that had for years, we were induced to try Morgan's Cough Syrup, and by its effect was obtained in a few hours. It proved to be the panacea in this case at least.
