Ayer's SARSAPARILLA,

THE WORLD'S GREAT REMEDY FOR

Scrofula and Scrofulous Diseases.

From Emery Eden, a well-known merchant of Ashford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet sold a bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Sam Robb, Stratford, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much esteemed lady of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Harvey & Co., manufacturers of enameled ware in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time. But in a few weeks the new skin began to form under the blotches, and continued, until by the use of six bottles it was smooth as my body's, and I can attribute no symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Dyspepsia—General Debility—Purify the Blood.

From Dr. Reid, Jamaica, Kingston St., New York.

"DR. AYER: I cannot fail to acknowledge *Eruptions and Scrofulous Sores* by the persevering use of your SARSAPARILLA, and I have just now cured an attack of *Malignant Dysentery* with it. Its alterative properties equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. R. Johnston, Esq., Wahneta, Ohio.

"For twelve years, I had the yellow dyspepsia on my right side, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicine. The ulcers were so bad at times that I could not walk, and the doctors feeling that my case was incurable, I began taking your SARSAPARILLA. Took two bottles, and some of your Pills. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tuckahoe Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

From Dr. Hiram Sloat, of St. Louis, Missouri.

"I find, your SARSAPARILLA a more effectual remedy for the secondary symptoms of *Syphilis* and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"DR. AYER: My dear Sir: I have found your SARSAPARILLA an excellent remedy for *Syphilis*, both of the primary and *secondary* type, and effectual in some cases that were too obstinate to yield to other treatment. We do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Ellis, of New Brunswick, N. J., had dreadful sores on his legs, caused by the abuse of mercury, or mercurial diseases, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness, are gratifully produced by internal *Scrofulous Ulceration*, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhœa, Internal Ulceration, and local debility, arising from the scrofulous diathesis have yielded to it, and there are few that do not when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhœa of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by *Scrofula* in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

Ladies, take Particular Notice

THE REAL VELPAU FEMALE PILL.

[WARRANTED FRENCH.]

THESE PILLS, so celebrated many years ago in Paris for the relief of female irregularities, and afterward so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator, Dr. Velpau, is a physician in Paris of great wealth and strict conscientious principles, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming Female Obstructions, Falling of the Womb, Whites, Green Sickness, Suppression, Retention, or Immoderate Flow of the Monthly Discharges, they seem to be truly omnipotent, bursting open the flood-gates from whatever cause may have stopped them; but they are offered to the public only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is unlawful. Married ladies should never take them when there is any reason to believe themselves pregnant, for they will be sure to produce a miscarriage.

These pills are entirely safe under all circumstances, being composed entirely of substances from the vegetable kingdom.

Each box has the coat of arms for the City of Paris stamped on the box, with the words "Trade Mark" in French, to counterfeit which is a misdemeanor, and all persons will be dealt with according to law.

☞ Full directions accompany every box.

Ladies can obtain a box sealed from the eyes of the curious, by inclosing One Dollar and six post-office stamps to any respectable druggists, or to O. G. STAPLES, General Agent for the United States, Waterloo, N. Y.

DR. SEELYE'S CATARRH REMEDY.

☞ CURE WARRANTED ☜

IF DIRECTIONS ARE FOLLOWED.

☞ *Call for a Circular Describing all Symptoms.*

Symptoms:

The symptoms of Catarrh are that generally appear so at first very slight. Persons find that they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature. In this condition the nose may be dry, or a slight discharge, thin and acrid, afterwards becoming thick and adhesive. As the disease progresses, the discharges are increased in quantity and changed in quality; they are now thick and fishy, and are hawked or snuffed up. The secretions are offensive, causing a bad breath; the voice is altered and nasal; the eyes are weak; the sense of the smell is lessened or destroyed; headaches frequently take place. Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucus, which has fallen down from the head during the night. When this takes place the sufferer may be sure that his disease is on its way to all the great evils that follow in its train.

The above are but a few of the many Catarrhal symptoms.

A single Bottle will last a Month—to be used three times a day.

Testimonials:

FREEPORT, Oct. 21, 1863.

DR. D. H. SEELYE:

Dear Sir—I cheerfully testify to the extraordinary efficacy of your Catarrh Remedy. I was very badly afflicted with Catarrh for years, which became complicated with Asthma, and I bought two bottles of your Liquid Catarrh Remedy. Before I had used one bottle, I was sensibly improved, and before the second bottle was finished, was completely cured. I consider it the most valuable of all remedies with Catarrh.

MANHOOD:

How Lost! How Restored.

JUST PUBLISHED, a New Edition of Dr. Culverwell's Celebrated Essay on the Radical Cure (without medicine) of Premature Decline, Nervous Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, Dyspepsia, Consumption, Epilepsy and Fits, Hideous Diseases, Mental Imbecility, Insanity, etc.

☞ This, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming results of indulgence may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, can cure himself cheaply, privately and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.

Sent under seal, in a plain envelope, to any address, on the receipt of six cents, or two postage stamps, by addressing the publishers,

INSANITY AND CONSUMPTION?

Many are aware of the cause of their suffering, but none will confess. The records of the insane asylums and the melancholy deaths by consumption bear ample witness to the truth of the assertion.

The Constitution, once affected by organic weakness, requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT OF BUCHU invariably does. A trial will convince the most sceptical.

RIDDLE CONCENTRATED COMPOUND

FLUID EXTRACT SARSAPARILLA,

For purifying the Blood, removing all chronic constitutional diseases arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swellings of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all scaly Eruptions of the Skin,

NOT A FEW

of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.
