HELMBOLD'S GENUINE PREPARATIONS.

"HIGHLY CONCENTRATED" COMPOUND

FLUID EXTRACT BUCHU,

A positive and specific remedy for diseases of the Bladder, Kidneys, Gravel and Dropsical Swellings.

This Medicine increases the powers of digestion, and throws the secretions into healthy action, by which the system is relieved of deleterious depositions, and all unnatural enlargements reduced, as well as pain and inflammation, and good health restored to men, women and children.

H

HELMBOLD'S EXTRACT BUCHU,

For weakness arising from Excesses, Habits of Dissipation, Early indiscretion, attended with the following symptoms:

Indisposition to Exertion,	Loss of Power,
Loss of Memory,	Difficulty of Breathing,
Weak Nerves,	Trembling,
Horror of Disease,	Wakefulness,
Dimness of Vision,	Pain in the Back,
Hot Hands,	Flushing of the Body,
Dryness of the Skin,	Eruptions of the Face,
Universal Lassitude,	Pallid Countenance,
Muscular System.	

These symptoms, if allowed to go on (which this Medicine invariably removes) soon follow—

INSANITY, EPILEPTIC FITS, &c., in one of which the patient may expire. Who can say they are not frequently followed by those "direful diseases," INSANITY AND CONSUMPTION?

Many are aware of the cause of their suffering, but none will confess. The records of the insane asylums and the melancholy deaths by consumption bear ample witness to the truth of the assertion.

The Constitution, once affected by organic weakness, requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. A trial will convince the most sceptical.

E

In many affections peculiar to Females, the EXTRACT BUCHU is unequaled by any other remedy, and for all complaints incident to the sex, or in the

DECLINE OR CHANGE OF LIFE,

☞ See Symptoms above.

☞ No Family should be without it.

L

Take no Balsam, Mercury, or unpleasant medicine for unpleasant and dangerous diseases.

HELMBOLD'S EXTRACT BUCHU AND IMPROVED ROSE WASH

Cures Secret Diseases

In all their stages. Little expense, little or no change of diet, no inconvenience, and no EXPOSURE.

M

USE HELMBOLD'S EXTRACT BUCHU

For all affections and diseases of these organs, whether EXISTING IN MALE OR FEMALE.

From whatever cause originating, no matter how long standing. Diseases of these organs require the aid of a diuretic.

HELMBOLD'S EXTRACT BUCHU

Is the Great Diuretic.

And it is certain to have the desired effect in all diseases for which it is recommended.

B

BLOOD! BLOOD! BLOOD!

Helmbold's

HIGHLY CONCENTRATED COMPOUND

FLUID EXTRACT SARSAPARILLA,

For purifying the Blood, removing all chronic constitutional diseases arising from an impure state of the Blood, and the only reliable and established known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swellings of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all scaly Eruptions of the Skin,

AND BEAUTIFYING THE COMPLEXION.

NOT A FEW

of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made for purifying it, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the Blood, imparts the vigor of health into the system, and purges out the humors which make disease. It stimulates the Digestive functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

O

HELMBOLD'S ROSE WASH,

An excellent Lotion for diseases arising from habits of dissipation, used in connection with the Extracts Buchu and Sarsaparilla, in such diseases is recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, with hundreds of thousands of living witnesses, and upwards of 30,000 unsolicited certificates and recommendatory letters, many of which are from the highest authority, including eminent Physicians, Clergymen, Statesmen, &c. The Proprietor has never resorted to the public press in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates.

The Science of Medicine, like the Doric Column, should stand simple, pure, majestic, having Fact for its basis, Induction for its pillar, and Truth alone for its Capital.

L

My Extract Sarsaparilla is a Blood Purifier; my Extract Buchu is a Diuretic, and will act as such in all cases. Both are prepared on purely scientific principles—in vacuo—and are the most active measures of either that can be made. A ready and conclusive test will be a comparison of their properties with those set forth in the following works:

See Dispensatory of the United States.

See Professor Dewees' valuable works on the Practice of Physic.

See remarks made by the celebrated Dr. Physic, Phila.

See remarks made by Dr. Ephraim McDowell, a celebrated Physician and Member of the Royal College of Surgeons, Ireland, and published in the Transactions of the King and Queen's Journal.

HYDE & WRIGHT'S PATENT

HORSE HOE OR CULTIVATOR PLOW

The above invaluable implement has always received the first premium whenever exhibited, and all who have used it pronounce it far superior to any thing else of the kind. The following are some of the advantages this Cultivator has over every other kind now in use:

1st. Lightness and durability; being made of the best quality of steel, highly polished, and the whole implement weighing from fifty to sixty pounds.

2d. Adaptation to more kinds of work than any other cultivator known; being a perfect and thorough Cultivator when used with all the teeth on, leaving the ground even and level, and working nearer the rows than any other Cultivator.

3d. By removing the small teeth, and attaching the wings to the shovel, it is the most perfect instrument for hilling that can be found.

4th. It is the best instrument for covering and digging potatoes ever invented. A man and horse can cover potatoes as fast as a horse can walk, and a man and team can dig from 300 to 500 bushels of potatoes in a day, when the crop is a fair one.

5th. It works equally well in corn or any kind of crop requiring cultivating, and in most cases hard hoeing can be dispensed with.

6th. Its cheapness, considering the many kinds of work to which it can be applied—the farmer having in one implement all that is necessary for cultivating and hilling any kind of crop, or covering and digging potatoes.

Numberless certificates from the most influential farmers in the United States might be given of the superiority of the above implement over all others designed for like purposes.

We shall be pleased to receive a call from any one who needs a Cultivator or Shovel Plow, and explain to them the merits of the above Hoe or Hoe over all other implements of the kind. We warrant this Horse Hoe to work as a Cultivator as well as any Cultivator made—as a Shovel Plow, as well as any Shovel Plow—and as a Horse Hoe a complete success, or refund the money if it does not meet this warrantee.

We also keep on hand in connection with our Hardware, Stoves Tinware, and House Furnishing Goods, a complete assortment of Horse Rakes, Hand Rakes, Grain Cradles, Scythes, Snathes, Forks, Hoes, Shovels, Spades, &c. Don't fail to give us a call.

MANHOOD! How Lost, How Restored

Just Published a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the *radical cure* (without medicine) of SPERMATORRHŒA, or Seminal Weakness, Involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, CONSUMPTION, EPILEPSY and FITS, induced by self-indulgence or sexual extravagance.

☞ Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates, from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, can cure himself cheaply, privately and *radically.*

☞ This Lecture should be in the hands of every youth and every man in the land.

Sent under seal, in a plain envelope, to any address, on the receipt of six cents, or two postage stamps. Address the publishers, CHAS. J. C. RUNE & CO., 127 Bowery, New York, Post Office Box 4,586 mar15'66—tf.
