Helmbold's

HIGHLY CONCENTRATED COMPOUND

FLUID EXTRACT SARSAPARILLA,

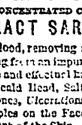
For purifying the Blood, removing all chronic constitutional diseases arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swellings of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all scaly Eruptions of the Skin,

AND BEAUTIFYING THE COMPLEXION.

NOT A FEW

of the worst disorders that afflict mankind arise from the corruption that accumulates in the blood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken.

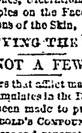
Two tablespoonsful of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.



HELMBOLD'S ROSE WASH,

An excellent Lotion for diseases arising from habits of dissipation, used in connection with the Extracts Buchu and Sarsaparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, *with hundreds of thousands* living witnesses, and upwards of 50,000 unsolicited certificates and recommendatory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c. The Proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates.

The Science of Medicine, like the Doric Column, should stand simple, pure, majestic, having Fact for its basis, Induction for its pillar, and Truth alone for its Capital.



My Extract Sarsaparilla is a Blood Purifier; my Extract Buchu is a Diuretic, and will cure such in all cases.

Both are prepared on purely scientific principles—*in vacuo*—and are the most active measures of either that can be made. A ready and conclusive test will be a comparison of their properties with those set forth in the following works:

THROAT AFFECTIONS

Are more frequently than otherwise caused by a thick, slimy mucous falling from the head, especially during the night, and resulting from Catarrh, are cured by

DR. SEELYE'S

LIQUID

CATARRH REMEDY!

SYMPTOMS.

The symptoms of Catarrh are at first very slight. Persons find they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature. In this condition the nose may be dry, or a slight discharge, thin and acrid afterwards thick and adhesive, may ensue.

As this disease becomes chronic, the discharges are increased in quantity and changed in quality; they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice thick and nasal; the eyes are weak; the sense of smell is lessened or destroyed; deafness frequently takes place.

Another common and important symptom of Catarrh is that the person is obliged to clear his throat in the morning of a sick or slimy mucous, which has fallen from the head during the night. When this takes place the person may be sure that his disease is on its way to the lungs, and should loose no time in arresting it.

The above are but few of the many Catarrhal symptoms. Write to our Laboratory for our pamphlet describing fully all symptoms; it will be sent free to any address. Also directions where to procure the medicine.

We are receiving letters from all parts of the Union, and also numerous testimonials from those using it, bearing the evidence of its infallible merits.

☞ This remedy contains no mineral or poisonous ingredients, but is prepared from vegetable extracts exclusively; therefore it is perfectly harmless even to the most tender and delicate child.

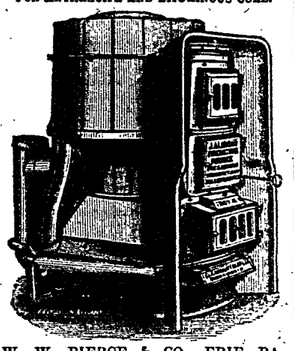
LAWSON'S HOT AIR FURNACE,

FOR ANTHRACITE AND BITUMINOUS COAL.



W. W. PIERCE & CO., ERIE, PA.,

CORNER STATE AND NINTH STS.,

SOLE AGENTS!

We recommend Lawson's Furnace as being altogether superior to any other article of the kind. It is easier managed, more powerful and less liable to get out of order than any other hot air furnace made. And as it will produce more heat with the same amount of fuel, it is also the most economical. All of these points we are ready to establish by satisfactory proof.

HOME TESTIMONY.

ERIE, PA., *June 25th, 1866.*

MESSRS. W. W. PIERCE & CO.,

Sirs—Having used during last winter, the 16 J. A. Lawson Furnace which you put into my house last autumn, I am fully prepared to offer my testimony respecting its efficiency, and will add that I take pleasure in recommending the same to any one desiring a good heating apparatus. The air that we receive from it is pure and not over heated, but coming into the rooms as it does in large quantities, supplies the required amount of heat, thus obviating that dryness which is usually experienced from furnace heat. The simplicity of its construction and the easy mode of governing the consumption of coal, make it the most complete and economical heating apparatus I have ever seen. I shall take pleasure in recommending it to my friends.

M. B. LOWRY.

ERIE, PA., February 13, 1866.

MESSRS. W. W. Pierce & Co.:

The J. A. Lawson Improved Hot Air Furnace, which you put in my house in Erie last fall, has been in use now nearly four months and gives entire satisfaction. By a proper adjustment of the draft damper, and occasionally cleaning the fire pot from slag and cinders, we can have a greater or less degree of heat and a greater or less consumption of coal, exactly suited to the changes of the weather. The air warmed by this Furnace is all that I can desire, being free from all noxious gases or smoke. I shall take pleasure in recommending it to my friends. Respectfully yours,

WILSON KING.

ERIE, PA., March 30, 1866.

MESSRS. W. W. Pierce & Co.:

Gentlemen—The Lawson Furnace that you put in the basement of the First Baptist Church in this city, has been in use almost every day and evening during the protracted meeting of fourteen weeks, and has given entire satisfaction, and we would cheerfully recommend it to any one desiring a good heating Furnace.

W. J. F. LIDDELL, for Board of Trustees

Also, of a long list of well known citizens who are using Lawson's Furnace, we refer to the following gentlemen: Messrs. Childs, Boyd and Chapin, Commissioners of Erie county; Robert Gray, Esq., Ninth St.; Captain J. S. Richards; Trustees of 1st Baptist Church, and the Commissioners of House Estate, Warren county, Pa.

We regard the Lawson Furnace as not only the best in use, but approaching very nearly to perfection as a heating apparatus. None need delay securing a hot air Furnace in the expectation that any decided improvements are yet to be made in this line of article. An examination of the Lawson Furnace is all we ask to decide this question.

It is designed to heat every kind of building and is made of different sizes, of capacity for a medium sized dwelling or the largest church or other public building. Seven different sizes are now made.

The Lawson Furnace gives universal satisfaction and is rapidly superceding all other varieties. Besides the remarkable ease with which it can be managed, one of its chief points of superiority is in the purity of the air procured from the Furnace. It is so constructed that no soot, ashes or cinders can possibly escape into the air passages, and all unpleasant odors are also prevented. It can be used equally well with hard or soft coal, and managed as easily as any ordinary stove.

We invite comparison with all other Furnaces.

Put up and set in good working order in all cases. We have the sole agency for this section of the country. All inquiries and orders addressed to us will receive prompt attention. One of the Furnaces is in operation at our establishment, corner of State and Ninth streets, to which we invite attention. We guarantee the Lawson Hot Air Furnace all that it is claimed to be.

STOP THIEF.

THE GREAT WESTERN & AMERICAN HORSE INSURANCE & DETECTIVE COMPANY

Have caught six stolen horses within the past week, and have captured more horse thieves since its organization than any other company, or than all other companies and detectives combined. It has a detective force extending from Pittsburg, Pa., to Council Bluffs, Iowa, and from Cairo to the Lakes. It has an actual cash capital of $167,510 09, and an authorized capital of $300,000. It has over 18,500 policies in force, and is the only live stock Insurance Company doing business in this State.

WAGNER & GERRISH, No. 1 Park Row, Erie, Pa., will insure your horses or cattle against death by disease or accident, and against theft, or against theft and death both, for less money than it would cost to advertise your stolen horse. We might fill up the whole paper with names of parties and certificates of individuals who have received recuneration from this company for lost animals, but one from the well known firm of Loesch & Sterrett, of this place, will be read with interest, which shows that the company is a company in fact as well as in name, and that they not only pay losses, but pay them with promptness and despatch:

We, the undersigned, hereby certify that on the 25th day of August we insured our entire livery stock, consisting of 12 horses, with Messrs. Warner & Gerrish, in the Great Western and American Horse Insurance Co., that on the 3d day of September one of them died of Cholic, and on the 10th day of September we received a draft on New York for the full amount of the insurance. LOESCH & STERRETT.

Insurance can be effected in Waterford by calling on Messrs. Terry & Vananden; in Wattsburg of Wm. Vananden; in Edinboro of Esquire Burnham.

Grovesteen, who has a practical experience of over thirty years in their manufacture, is fully warranted in every particular.

The Grovesteen Piano Forte received the highest award of merit at the celebrated World's Fair, where were exhibited instruments from the best makers of London, Paris, Germany, Philadelphia, Baltimore, Boston and New York; and also at the American Institute for five successive years, the gold and silver medals from both of which can be seen at our ware-rooms.

By the introduction of improvements we make a still more perfect piano-forte, and by manufacturing largely, with a strictly cash system, are enabled to offer these instruments at a price which will preclude all competition.
