MISCELLANEOUS

A GREAT CURE, performed by the original and only true and genuine Liver Pill, prepared and sold by R. P. SELLERS.

MORRIS' FACTORY, Westmoreland Co., Pa.,
July 20th, 1847.

Mr. R. P. Sellers:—A sense of duty to you and the afflicted induces me to add my humble testimony in favor of your justly celebrated Liver Pills. I have delivered doing so for years, adhering to Dr Dyckett's maxim, "be sure you are right, then go ahead." Most of the many preparations of empirics and quacks, landed to the skies, have sunk into oblivion since your Liver Pills have been offered to the public, and, indeed, I believe they will "survive them all," as they are just what you represent them to be. I have been afflicted with Liver Complaint from my youth; have suffered much; employed many eminent physicians, to whom I paid much money; have lost much time; been confined and physicked almost to death; salivated 5 or 6 times, and finally given up as almost incurable. In 1836-7 I was induced to try your Liver Pills, and SOON GOT WELL. One box of Pills is now sufficient to keep me clear of pain in the side, and all the other symptoms, for at least 12 months. Your Pills are also the best cathartic I ever used; mild, safe, and prying as strong as mildness at the stomach, but give as sudden relief. I have kept them in my store for 6 or 7 years; sold hundreds of boxes, and have never heard a single complaint; and I feel bound to say one who has used them. They have superceded almost every other pill in this neighborhood, and in a short time will banish them all. I unreservedly recommend them to all, as the safest family physic, whether for Liver Complaint or Bilious Affections. I consider them far superior to Calomel or the Blue Pill. Respectfully yours, J L HOBBS.

CAUTION—As there are other Pills before the public CALLED LIVER PILLS, persons who want the GENUINE should ask for sale the Pills that have been prepared and sold by R. P. SELLERS, No 57 Wood-st between Third and Fourth streets.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by Dr. Jayne's Alterative, which proves it to be a superior remedy for a certain class of disease. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with abscesses and sinuous ulcers, of various sizes, discharging which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, from the frontal and facial bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the sores to heal, while at the same time her general health has become completely restored, so that she now weighs 20 lbs more than she did before she commenced the use of this celebrated vegetable preparation. See Evi. Post.

For further information, inquire of Mrs. Rose, No. 128 Market st, Philadelphia.

For sale in Pittsburgh, at the PEKIN TEA STORE, 72 Fourth st, near Wood. jy5

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumptions, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago still prefer it to all other remedies of the kind, and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated, and have returned to the old reliable preparation, and have returned to the use of JAYNES' EXPECTORANT, as a certain cure, that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases.

VEGETABLE PULMONARY BALSAM—To the proprietors of the Vegetable Pulmonary Balsam—I am satisfied that the Vegetable Pulmonary Balsam is a valuable medicine. It has been used in this place with complete success in an obstinate complaint of the lungs, attended with a severe cough, loss of voice, and the raising of much blood which had previously resisted many approved prescriptions. After using the balsam one week the patient's voice returned, and he was enabled to speak audibly. The case occurred some time since, and the man is now engaged not only in active just in laborious business. Respectfully yours,

HIBBERT'S CHEMICAL WRITING FLUID.—In selecting the proper one of the public for the article, it is not right that a preparation which the claim for support is based should be fully and fairly set forth and also some guarantee be given that the compounds will not be imposed upon by using it.

In the first place it is well known that the generality of black "inks" are composed of a precipitate, held together by gum Arabic, and when the water, either in whole or part is evaporated the gum and precipitate are left as a pasty mass in the pen or inkstand which contains it. It is also common to add vinegar to the ink mixture to make it more fluid, which increases the evil by acting on the pen, if a steel one, corroding it through in a very short time. Now the "Writing Fluid" differs from these mixtures in every respect, as it is a chemical solution requiring no viscid matter to hold it together, therefore will never get thick, and being very fluid a large quantity flows from the pen into a given space penetrating deeper into the fibre of the paper making a more permanent stain and one less easily moved by attrition than if it was only plastered on the surface. It also contains no matter that has an affinity for metallic iron, therefore will not corrode steel pens—will not mould, and although it writes of a bluish green color yet in a few hours it becomes a deep black which will endure for ages. It is warranted superior to the foreign article known by the name of "Arnold's Writing Fluid," and one-third more given for the same price. As a guarantee against imposition of any kind being attempted the following recommendations will suffice, as all must be aware, that no manufacturer there gives such unless he has obtained by any means for an unworthy purpose.

We recommend "Hibbert's Chemical Writing Fluid" to the patronage of the public, as a first rate article in all respects; it flows free from the pen without clogging it up and in the course of a few hours becomes a deep black.

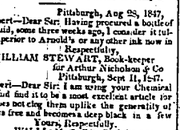
GAZZAM'S PATENT BEDSTEAD.



THIS *New Plan Ultra* improvement has now been in use about two years, and wherever it is known, preferred to all other Bedsteads.

For cheapness, strength and convenience it has not and cannot be equalled, as it is decidedly the best, cheapest and most convenient Bedstead in use, and perfectly proof against Bugs.

The principal Cabinet makers and Turners in Allegheny city and in Pittsburgh, have secured Rights to manufacture and sell the article. A number of inferior articles and imperfect imitations in the market, purchasers would do well to examine the cast iron plates on which is the genuine article the name of the patentee, E. P. GAZZAM, is invariably cast. As a proof of all that is claimed for Gazzam's Bedstead, the following certificate from Cabinet makers well known in Pittsburgh and the West, is submitted to the public:

We, the undersigned, Cabinet and Bedstead manufacturers of the cities of Pittsburgh and Allegheny, Pa., do hereby certify that we have bought the right to manufacture Gazzam's Patent Bedstead in our respective establishments, and consider the same *superior* to any fastenings with which we are acquainted.

A Challenge to the World.

TWENTY-FIVE DOLLARS will be paid to any one who will produce a spot of paint, green or dry, that Hoff's Malt Vinegar with Hoff's Improved Chemical Soap. I have the satisfaction of saying to the people of this place, that first article, by my own improvement on it, now stands preferred in this country for extracting grease, tar, pitch, oil, paint, or any other greasy substance, from all kinds of gentlemen's or ladies' clothing, carpets, table cloths, &c. without injuring anything that pure water will not injure. Sold at twenty thousand persons in different parts, and hundreds have told me they would not be without it, if it cost one dollar per cake. In trying this Soap on more than 500 articles of light silks, satins, napeces, and calicoes, I have only found three pieces of silk, two of alpaca, and four of calico, on which it changed the shade of the colors. This is a light dress fry a sample of the dress first. Use this section I am determined not to recommend it any stronger than it can be strictly true.

CIRCULAR.

WASHINGTON, D. C., Dec. 6th, 1847.

Oscar D. Thompson, Esq., Pittsburgh, Pa.—

SIR: I have just seen in one of the Pittsburgh papers with not a little surprise I find that you have copied my business Circular entire, and appropriated it to yourself. I will take the liberty to inform you that my business Circular is my own composition, and is not common property. I shall not willingly consent to be placed in a position that will induce persons who do not know me to suppose that I am not capable of composing my own business card; or that I am capable of pilfering and appropriating the card of another to my own use. I am, therefore, under the necessity of noticing and exposing your plagiarism in this manner.

Attorney for Patents, Washington, D. C.

MEDICAL.

DR. TOWNSEND'S
SARSAPARILLA.
Most extraordinary Medicine in the World.

This extract is put up in Quart bottles: it is six times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickness or debilitating the patient.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicines is, whilst it Eradicates Disease it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the whole system and strengthens the person, but it *Creates New Pure and Rich Blood*, a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 25,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than 3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
7,000 cases of different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of Disease of the Kidney and Dropsy;
3,000 cases of Consumption.

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Sick Headache, Pain in the side and Chest, Spinal Affections, &c., &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, testifying to the astonishing cures. R. Van Huskirk, Esq. one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place, and Mr. Stevens, one of the firm of Stevens and Havens, informs us that he can refer to more than 500 cures within the last two years, and he testifies that he has sold more by quickening the blood and invigorating the system, than all other medicines put together. Indeed, these are almost unparalleled in the history of the Medicine, and the wholesale and retail demand for it is unprecedented. Its sale is now greater than any other Medicine in the United States, and even Alternatively used by the Nobility of England and France.

A large proportion of the diseases that afflict mankind arise from some derangement of the stomach or bowels, which a timely use of the Celebrated Sarsaparilla will entirely obviate. Persons of bilious habits should always have a bottle at hand, and take a dose whenever they feel the least derangement in their health. Ladies, on the approach of Spring, should take a dose or two of these Lozenges would prevent thousands of cases.

For sale at WM. JACKSON'S, corner of Wood and Liberty st. dec23

LADIES Who Use Common Prepared Chalk, are often disappointed in not having the fugitive tints to relate the skin! How coarse, how rough, how salty-like, and unhealthy the skin appears after using prepared chalk! Reader, it is injurious, rubbing with a large quantity of lead. We have prepared a beautiful vegetable article, which we call JONES'S SPANISH L
