HELMBOLD'S GENUINE PREPARATIONS.

"HIGHLY CONCENTRATED" COMPOUND

FLUID EXTRACT BUCHU,

A positive and Specific Remedy for Diseases of the Bladder, Kidneys, Gravel and Dropsical Swellings.

This Medicine increases the powers of digestion, and excites the absorbents into healthy action, by which this matter of calcareous depositions, and all unnatural enlargements are reduced, as well as pain and inflammation, and is good for men, women and children.

H

HELMBOLD'S EXTRACT BUCHU,

For weakness arising from Excesses, Habits of Dissipation, Early Indiscretion, attended with the following Symptoms:

Indisposition to Exertion,	Loss of Power,
Loss of Memory,	Difficulty of Breathing,
Weak Nerves,	Trembling,

Dimness of Vision,	Pain in the Back,
Hot Hands,	Flushing of the Body,
Dryness of the Skin,	Eruptions of the Face,
Universal Lassitude,	Pallid Countenance,

Muscular System.

These symptoms, if allowed to go on (which this Medicine invariably removes), soon follow—

FATUITY, EPILEPTIC FITS, &c.,

in one of which the patient may expire. Who can say they are not frequently followed by those "direful diseases,"

INSANITY AND CONSUMPTION?

Many are aware of the cause of their suffering, but none will confess. The records of the insane asylums and the melancholy deaths by consumption bear ample witness to the truth of the assertion.

The Constitution, once affected by organic weakness, requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT OF BUCHU invariably does. A trial will convince the most sceptical.

E

In many affections peculiar to Females, the EXTRACT BUCHU is unequaled by any other remedy, and for all complaints incident to the sex, or in the

BLOOD! BLOOD! BLOOD!

Helmbold's

HIGHLY CONCENTRATED COMPOUND

FLUID EXTRACT SARSAPARILLA,

For purifying the Blood, removing all chronic constitutional diseases arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swellings of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all scaly Eruptions of the Skin,

AND BEAUTIFYING THE COMPLEXION.

NOT A FEW

of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

O

HELMBOLD'S ROSE WASH,

An excellent Lotion for diseases arising from habits of dissipation, used in connection with the Extracts Buchu and Sarsaparilla, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, with hundreds of thousands living witnesses, and upwards of 30,000 unsolicited certificates and recommendatory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c. The Proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates.

The Science of Medicine, like the Doric Column, should stand simple, pure, majestic, having Fact for its basis, Induction for its pillar, and Truth alone for its Capital.

L

My Extract Sarsaparilla is a Blood Purifier; my Extract Buchu is a Diuretic, and will act as such in all cases.

Both are prepared on purely scientific principles—in vacuo—and are the most active measures of either that can be made. A ready and conclusive test will be a comparison of their properties with those set forth in the following works:

DR. SEELYE'S

LIQUID

CATARRH REMEDY!

SYMPTOMS.

The symptoms of Catarrh are at first very slight. Persons find they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature. In this condition the nose may be dry, or a slight discharge, thin and acrid afterwards thick and adhesive, may ensue.

As this disease becomes chronic, the discharges are increased in quantity and changed in quality; they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice thick and nasal; the eyes are weak; the sense of smell is lessened or destroyed; deafness frequently takes place.

Another common and important symptom of Catarrh is that the person is obliged to clear his throat in the morning of a slick or slimy mucous, which has fallen from the head during the night. When this takes place the person may be sure that his disease is on its way to the lungs, and should loose no time in arresting it.

The above are but few of the many Catarrhal symptoms. Write to our Laboratory for our pamphlet describing fully all symptoms; it will be sent free to any address. Also directions where to procure the medicine.

We are receiving letters from all parts of the Union, and also numerous testimonials from those using it, bearing the evidence of its infallible merits.

☞ This remedy contains no mineral or poisonous ingredients, but is prepared from vegetable extracts exclusively; therefore it is perfectly harmless even to the most tender and delicate child.

GREAT DISTRIBUTION

BY THE

AMERICAN JEWELERS' ASSOCIATION.

Depots, 37 and 39 Nassau, and 54, 56 and 58 Liberty Street,

NEW YORK CITY.

Of Rosewood Pianos and Melodeons, Fine Oil paintings, engravings, silver ware, gold and silver watches and elegant jewelry, consisting of diamond pins, diamond rings, gold bracelets, coral, fibre tiles, mosaic, jet, lava, and cameo ladies' sets, gold pens, with gold and silver extension holders, sleeve buttons, sets of studs, vest and neck chains, plain & chased gold chains, &c., valued at

$1,000,000, FOR ONE DOLLAR,

which they need not pay until it is known what is drawn and its value.

The American Jewelers' Association calls your attention to the fact of its being the largest and most popular jewelry association in the United States. The business is and always has been conducted in the most candid and honorable manner. Our rapidly increasing trade is a sure guarantee of the appreciation of our patrons for this method of obtaining rich elegant and costly goods. The unfortunate stagnation of trade in Europe owing to the late German war and the recent disastrous financial crisis in England, has caused the failure of a large number of jewelry houses in London and Paris, obliging them to sell their goods at a great sacrifice, in some instances less than one-third the cost of manufacturing. We have lately purchased very largely of these bankrupt goods, at such extremely low prices that we can afford to send away their goods, and give better chances to draw the most valuable prizes than any other establishment doing a similar business. Our aim is to please, and we respectfully solicit your patronage, as we are confident of giving the utmost satisfaction. During the present year we have distributed a number of the most valuable prizes to all parts of the country. Those who patronize us will receive the full value of their money, as no article on our list is worth less than one dollar, retail, and there are no blanks. Parties dealing with us may depend on having prompt returns, and the article drawn will be immediately sent to any address by return mail or express.

The most complete Musical Instrument manufactured in America, and the model organ of the world, combining sweetness and depth of tone, beautiful and chaste in appearance, refining and elevating in its tendencies. For Churches, Parlors or the Boudoir it has no equal, and has invariably taken the

FIRST PREMIUM!

Wherever exhibited in competition with other well known manufacturers. Thirty-four different styles, and from 1 to 12 stops. Large double bellows, double blow pedals, knee swell, &c., giving great power and steadiness of tone.

THE SUB-BASS

Applied to the double reed organs, gives a volume of tone equal to a sixteen foot stop in a pipe organ, and when applied to our organs containing them, and four sets of reeds, the volume of tone is equal to a $2,000 pipe organ, and costing only about one fourth as much.

The attention of the public and the trade is invited to our new scale, seven octave, rosewood piano fortes, which for volume and purity of tone are unrivalled by any hitherto offered in the market.
