DR. SEELYE'S

CATARRH REMEDY!

SYMPTOMS.

The symptoms of Catarrh are at first very slight. Persons find they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature in this condition the nose may be dry, or a slight discharge, thin and acrid afterwards thick and adhesive, may ensue.

As this disease becomes chronic, the discharges are increased in quantity and changed in quality; they are now thick and heavy and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice thick and nasal; the eyes are weak; the sense of smell is lessened or destroyed; deafness frequently takes place.

Another common and important symptom of Catarrh is that the person is obliged to clear his throat in the morning of a slick or slimy mucous, which has fallen from the head during the night. When this takes place the person may be sure that his disease is on its way to the lungs, and should loose no time in arresting it.

The above are but few of the many Catarrhal symptoms. Write to our Laboratory for our pamphlet describing fully all symptoms; it will be sent free to any address. Also directions where to procure the medicine.

We are receiving letters from all parts of the Union, and also numerous testimonials from those using it, bearing the evidence of its infallible merits.

☞ This remedy contains no mineral or poisonous ingredients, but is prepared from vegetable extracts exclusively; therefore it is perfectly harmless even to the most tender and delicate child.

GREAT DISTRIBUTION

BY THE

AMERICAN JEWELERS' ASSOCIATION.

Depots, 37 and 39 Nassau, and 54, 56 and 58 Liberty Street,

NEW YORK CITY.

Of Rosewood Pianos and Melodeons, Fine Oil paintings, engravings, silver ware, gold and silver watches and elegant jewelry, consisting of diamond pins, diamond rings, gold bracelets, coral, florentine, mosaic, jet, lava, and cameo ladies' sets, gold pens, with gold and silver extension holders, sleeve buttons, sets of studs, vest and neck chains, plain & chased gold chains, &c., valued at

$1,000,000, FOR ONE DOLLAR.

which they need not pay until it is known what is drawn and its value.

The American Jewelers' Association calls your attention to the fact of its being the largest and most popular jewelry association in the United States. The business is and always has been conducted in the most candid and honorable manner. Our rapidly increasing trade is a sure guarantee of the appreciation of our patrons for this method of obtaining rich elegant and costly goods. The sudden stagnation of trade in Europe owing to the late German war and the recent disastrous financial crisis in England, has caused the failure of a large number of jewelry houses in London and Paris, obliging them to sell their goods at a great sacrifice, in some instances less than one-third the cost of manufacturing. We have lately purchased very largely of these bankrupt goods, at such extremely low prices that we can afford to send away finer goods, and give better chances to draw the most valuable prizes than any other establishment doing a similar business. Our aim is to please, and we respectfully solicit your patronage, as we are confident of giving the utmost satisfaction. During the past year we have forwarded a number of the most valuable prizes to all parts of the country. Those who patronize us will receive the full value of their money, as no article on our list is worth less than one dollar, retail, and there are no blanks. Parties drawing with us may depend on having prompt returns, and the article drawn will be immediately sent to any address by return mail or express.

The following parties have recently drawn valuable prizes from the American Jewelers' Association, and have kindly allowed the use of their names: Charles J. Hunter, Esq., Washington City, piano, value $300; Miss Anna G. Yates, 82 St Mark's Place, N. Y., Sewing Machine, value $75; Brig. Gen. L. L. Hanson, U. S. volunteers, Nashville, Tenn., Silver Tea Set, value $150; Miss Emma Hunter, 63 Front street, Harrisburg, Pa., sewing machine value $50; Lieut. Col. Walter Chittenden, quartermaster, Louisville, Ky., gold watch, value $150; Wm. S. Haines, 257 King street, Charleston, S. C., silver watch, value $50; Alexander Johnson, Esq., editor Muskateer Pioneer, Muskateer, Minn., ladies' enameled watch, value $150; Samuel Lee, Esq., President Colorado and Red Bank Mining Company, San Francisco, Cal., melodeon, value $200; Aaron S. Long, Esq., Principal Eckhart Collegiate Institute, Eckhart, N. J., diamond pin, value $200; R. M. Longstreet, Montgomery, Ala., Music Box, value $75; Rev. Isaac Van Duzer, Albany, N. Y., gold lined dining set, value $300; Miss Clara Lucegner, Dayton, Oh'o, pianoforte, value $400, and diamond pin value $175.

Many names could be placed on the list, but we publish no names without permission. Our patrons are desired to send United States currency, when it is convenient.

STOP THIEF.

THE GREAT WESTERN & AMERICAN HORSE INSURANCE & DETECTIVE COMPANY

Have caught six stolen horses within the past week, and have captured more horse thieves since its organization than any other company, or than all other companies and detectives combined. It has a detective force extending from Pittsburg, Pa., to Council Bluffs, Iowa, and from Cairo to the Lakes. It has an actual cash capital of $167,510 09, and an authorized capital of $300,000. It has over 18,000 policies in force, and is the only live stock Insurance Company doing business in this State.

WARNER & GERRISH, No. 1 Park Row, Erie, Pa., will insure your horses or cattle against death by disease or accident, and against theft, or against theft and death both, for less money than it would cost to advertise your stolen horse. We might fill up the whole paper with names of parties and certificates of individuals who have received remuneration from this company for lost animals, but one from the well known firm of Loesch & Sterrett, of this place, will be read with interest, which shows that the company is a company in fact as well as in name, and that they not only pay losses, but pay them with promptness and despatch:

We, the undersigned, hereby certify that on the 25th day of August we insured our entire livery stock, consisting of 12 horses, with Messrs. Warner & Gerrish, in the Great Western and American Horse Insurance Co., that on the 3d day of September one of them died of Cholic, and on the 10th day of September we received a draft on New York for the full amount of the insurance. LOESCH & STERRETT.

Erie, Sept 11, 1865.

Insurance can be effected in Waterford by calling on Messrs. Terry & Nauanden; in Wattsburg of Wm. Vanandenn; in Edinboro of Esquire Burnham.

Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual *Alterative* that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even when no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.
