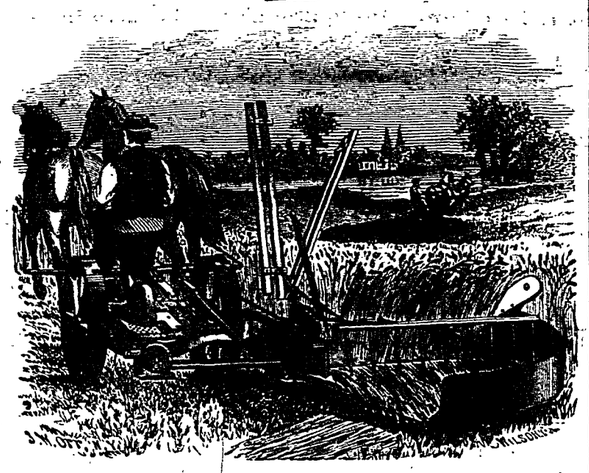
# FOR THE HARVEST OF 1867.



DODGE'S PATENT

## REAPER AND MOWER,

AND

## SELF-RAKING HARVESTER.

OHIO AND BUCKEYE COMBINED.

WITH DOUBLE DRIVING WHEELS, FLEXIBLE FINGER BAR, AND FOLDING CUTTING APPARATUS.

This machine has met with the most complete success. In every section where it has been introduced, it has taken precedence over those machines which have heretofore ranked as first class. We have endeavored to furnish the

BEST REAPER AND MOWER IN THE MARKET.

With this end in view we have secured, by lease and purchase, the control of all the desirable and standard patents now in use, among which we call attention to the Ohio and Buckeye Patents as combined in this machine. This machine embraces all those valuable features which have contributed to the great success of the Ohio and Buckeye Machines, together with a number of entirely new, novel and valuable improvements.

In compactness, lightness of draft, excellence and elegance of workmanship and finish, combined with great strength and adaptation to all kinds of work, it will surpass any machine heretofore offered to the farmer.

The following points of excellence show the advantages of Dodge's Reaper and Mower over all others:

TWO DRIVING WHEELS.

This Machine has two driving wheels, which support the whole weight of the Frame, Gearing and Driver, giving it great power and facility of operation.

DOUBLE-HEADED FINGER-BAR.

The finger-bar of Dodge's Machine is attached to the frame by a double hinge joint, which allows it to follow the surface of the ground, without being affected by the working of the frame. Over ridges and through hollows, the independant action of the Cutter is perfect, enabling either end to rise or fall without affecting the other.

CUTTING APPARATUS.

The most important part of a Mowing Machine is its cutting apparatus. Of all the numerous experiments and inventions, the OPEN, WROUGHT IRON GUARD, faced with CAST STEEL, as used in this Machine, is the only guard that has proved successful in all places. The advantages claimed for the guards are: They do not bend or break. They are all precisely alike. They do not clog.

DRAFT.

The draft of this Machine, in heavy grass or grain, is much lighter than ordinary plowing, and does not exceed an average of 100 pounds direct draft. A light pair of horses can work the machine easily all day, in any kind of grass or grain, when the machine is properly adjusted and operated.

AS A SELF-RAKER.

The Self-Rake applied to this machine has proved a perfect success. It is a Revolving Rake, and does its own reeling, saving the expense and trouble of a reel, and yet performing better in all kinds of grain than a Reel and Hand Rake can. It makes a perfect separation with the rake head, in all kinds of grain, whether tangled or lodged, long or short, by reason of the rake revolving over forward, and striking into the uncut grain, or before the sickle, carrying it along and over the platform, and delivering it in compact bundles, at the rear of the machine, entirely out of the way of the team and machine on its next round, and without any littering whatever.

AS A REAPER.

The double hinge joint and two driving wheels make it the ONLY REAPER PERFECTLY ADAPTED TO UNEVEN GROUND. The over hanging Reel is supported upon a reel post, fixed firmly in the drag-bar socket, and can be readily adjusted, up or down, or backward or forward and all times follow the movements of the platform. The grain is easily delivered at the rear of the machine, entirely out of the way of the team on the next round, in good shaped bundles for binding. THE PLATFORM is readily adjusted to any required height.

☞ Descriptive pamphlets of the Machine will be furnished on application to

ASTROLOGY.

THE WORLD ASTONISHED!

At the wonderful revelations

MADE BY THE GREAT ASTROLOGIST

MADAME H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, calamities, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property tells you the business you are best qualified to pursue, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She sees your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she declares the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, $1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair.

AFFLICTED,

SUFFER NO MORE.

When by the use of Dr. JOHNVILLE'S ELIXIR you can be cured permanently and at a trifling cost.

The astonishing success which has attended this invaluable medicine for physical and nervous weakness, general debility and prostration, loss of muscular energy, impotency or any of the consequences of youthful indiscretion, renders it the most valuable preparation ever discovered.

It will remove all nervous affections, depression, excitement, incapacity to study or business, loss of memory, confusion, thoughts of self-destruction, fear of insanity, &c. It will restore the appetite, renew the health of those who have destroyed it by sensual excess or evil practices.

Young men, be humbugged no more by "Quack Doctors" and ignorant practitioners, but send without delay for the Elixir, and be at once restored to health and happiness. A perfect cure guaranteed in every instance. Price $1, or four bottles to one address $3.

One bottle is sufficient to effect a cure in all ordinary cases.

ALSO, DR. JOHNVILLE'S SPECIFIC PILLS, for the speedy and permanent cure of Gonorrhea, Gleet, Urethral Discharges, Gravel, Stricture and all affections of the Kidneys and Bladder. Cures effected in from one to five days. They are prepared from vegetable extracts that are harmless on the system, and never nauseate the stomach or impregnate the breath. No change of diet is necessary while using them, nor does their action in any manner interfere with business pursuits. $1 per box.

Either of the above mentioned articles will be sent to any address, closely sealed and post paid, by mail or express, on receipt of price. Address all orders to

REPARATOR CAPILLI.

Throw away your false frizzes, your switches, your wigs—Destructive of comfort, and not worth a fig;
Come aged, come youthful, come ugly and fair,
And rejoice in your own luxuriant hair.

REPARATOR CAPILLI.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses, from their own experience, can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different preparations advertised for the hair and beard are an utter worthless, and you may have dreadfully thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your druggist does not keep it, send us one dollar and we will forward it, post paid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given.
