Something New.

Boy Silver Tipped Shoes for your children. A majority of the children wear holes in the toes of their shoes in a very few days; then the shoes are soon worthless, and a new pair must be bought. The only way to prevent this great waste of money is to buy shoes protected by silver tips. They never wear out at the toe, and make a pair of shoes last three times as long as without Tips. Leather Caps have been worn to some extent, but they have proved worthless. Silver Tips have a neat and substantial appearance, and do away entirely with the disagreeable sight of dirty stockings and protruding toes. We have constantly on hand the only assortment of Silver Tipped Shoes to be found in the city, including fine Sewed shoes, Balmorals, Youths' Boots, &c., which we offer, together with a large and fashionable assortment of Ladies' and Gents' Fine and Heavy goods, at the lowest cash prices.
