PITTSBURGH BOARD OF TRADE.
COMMITTEE FOR MARCH,
WM. BARKER. ROBT. DALZELL. R. E. SELLERS

OFFICE PITTSBURGH GAZETTE,
Friday Morning, March 17, 1848.

BUSINESS, yesterday, was rather dull, and we have no sales of moment to report of any of the articles of trade.

FLOUR—There seemed to be a firmer feeling in the market, though very little was done in the way of sales. The receipts, yesterday, amounted to about 1100 bbls, nearly all of which is designed for the Eastern market. Some small lots were offered on the wharf, but buyers were less disposed to take hold than on the day previous, and we heard of no sales worth reporting. Limited lots were disposed of from store at $4,50—retailing at $4,75 ⅌ bbl.

GRAIN—The market is quiet, and very little doing. The following are the fair quotations at present—Wheat 87@90c; Rye 50; Barley 45; Corn 35@37, and Oats at 27@28c from store, and 25@26 from first hand.

GROCERIES—Some accessions are daily making to the already abundant supplies of the market—We note sales only in a regular way at the following rates—N O Sugar 5@5½ by hhds, and 5½@6½ by the bbl. Molasses remain firm at 28@29c ⅌ gall, according to quality and termsof Sale. Rio Coffee ranges from 8 to 8½c, and Rice at 5½ by the pierce. Other Groceries same as before.

PROVISION—The market remains quiet, with no change in prices. Regular sales of Bacon at 3¾ and 5½c ⅌ lb. Lard is firm, but not much doing. Receipts have been liberal, and stocks are large, and mostly designed for Eastern shipment—6@6½ may be given as the present ruling rates. Butter presents no change. We note limited sales at 12@13c for roll; and 9@10c for kegs. Cheese (W R) 6½@7c; Goshen 8@9c ⅌ lb.

ORIENTAL—Capt. Vanhook's fine steamer under the above name, is now fairly freighted, and will leave for St. Louis this day at ten o'clock, positively.

The Oriental is designed as a regular packet between this city and St. Louis and Illinois River—In justice to Capt. Vanhook, we must say that he has spared no pains in rendering his boat all that is necessary to the comfort of the traveller; and that the Oriental, in all her parts, from her spacious and splendidly furnished cabins, to her finely finished engines, will not suffer by a comparison with any boat of her class on the western waters.

FOR SAINT LOUIS—The fine steamer Robert Morris, Capt. Campbell, leaves as above this day at 10 o'clock, positively.

FOR LOUISVILLE—The fine light draught steamer Lady Byron, Capt. Miller, leaves as above this day at 4 o'clock.

FOR NEW ORLEANS—The splendid steamer Diadem, will leave this day at 10 o'clock for the sunny South.

A drove of 120 beef Cattle were landed at the wharf the other day from the steamer Jewess—They were from the farm of Gen. Shelby, near Lexington, Ky., and were destined for the New York market.

The steamer Putnam, on her downward trip from Aberdeen to Mobile, loaded with 615 bales of cotton and several passengers, struck a snag on the morning of the 13th ult, near Moore's Bluff, on the Higbee river, and sunk. No lives were lost. The cotton all saved, with but very little being damaged The loss is a total loss.

BEEF BUSINESS IN THE SCIOTO VALLEY.—The Chillicothe Gazette of the 1st inst, has the following reference to the Beef business, this season, of that part of Scioto Valley:

The attendance of buyers, in our market, at present, is quite large, though we have heard, as yet, of no transactions of much consequence. From the fact that the number of cattle in the Valley is not so great as usual, this year, while the prices in the New York market range higher than they have for years, stocks in the hands of our feeders are expected to sell at fair rates. Owing to a diminished number, occasioned by injuries to the corn crop and the high prices of stock cattle, the cattle business in the southern section of the Scioto Valley, the present season, may not exceed $500,000. The sum, perhaps, will be rather less than the amount involved in the Pork business of Cincinnati, for the season just closing. Take one year with another, the Beef business of which our city is the central exchange, amounts to about one million of dollars.

Cattle Markets.

BARTSTOWN, March 13.—The range of prices for Beeves is the same as last noted, but the average rate is not quite as high as that of last week. There were 600 head offered at the scales today, of which 337 were sold to city butchers; 205 were driven to Philadelphia, and 59 head remain over unsold. Prices ranged from $3 to $4 ⅌ 100 lbs on the hoof, equal to $6@7,75 net, and averaging $3,37½ gross.

Hogs—Live Hogs are selling at $6@6,50.

☞ TO STRAWBERRY HILL AND OTHERS SUFFERING—Coneill's Magical Pain Extractor is proceeded by no medical man that Coneill's Magical Pain Extractor, manufactured by Comstock & Co, 21 Courtland st N Y, is the greatest wonder of the 19th century. Its effects are truly miraculous. All pains are removed from burns, scalds, &c, and all external sores, in a few minutes after its application; the same holds good with deep seated skin, having no scar. It is equally beneficial in all kinds of inflammatory diseases, such as sore Nipples and Eyes, Sprains, Rheumatism, Chilblains, Swelling and Ulcers, Bruises, Burns, Chilblains, Erysipelas, Piles, The Dolorous, &c. We might add as proof to all we say, the names of many eminent physicians who use it in their practice, and hundreds of the clergy who praise it to their people. Kind reader keep it constantly on hand, in cases of accident by fire, life may be lost without it, but by its use all burns are subject to its control, unless the vitals are destroyed. ☞ USE THE PROPER MEANS.—If you wish to be successful in any undertaking, you must always 'use the proper means.' Therefore, if you have a cough, use Jayne's EXPECTORANT and be cured, for it is the proper means. Have you 'Asthma' or difficulty of breathing, then the only efficient means to cure you is to use Jayne's Expectorant, which will immediately overcome the spasm which contracts the diameter of the tubes, and loosens and brings up the mucus which clogs them up, and thus removes every obstruction to a free respiration, while at the same time all inflammation is subdued, and a cure is certain to be effected. Have you Bronchitis, Spitting of Blood, Pleurisy, or in fact any Pulmonary Affection, then use Jayne's Expectorant and relief is certain, and you will find that you have used the proper means.

For sale in Pittsburgh at the Pekin Tea Store, 72 4th street, near Wood.
