ASTHMA, OR DIFFICULTY OF BREATHING.—This disease is caused by a paroxysmal constriction of the air tubes of the lungs, producing difficult and suffocation. DR. SWEETSER'S PANACEA is the only certain cure.

Hoarseness can be entirely cured by a free use of Dr Sweetser's Panacea. Price only 50 cents.

Coughs, or common cold, which, if neglected, will infallibly lead to Consumption, can be speedily relieved and cured by Dr. Sweetser's Panacea.

Bronchitis, if unchecked, will eventually lead to Bronchial Consumption, which only the use of Dr. Sweetser's Panacea will effectually cure it.

Inflammation of the Tonsils or Sore Throat—This disease often begins with a slight cough, accompanied by ...tect, such as ulceration of the throat. On the first symptoms, Dr. Sweetser's Panacea should be procured and used freely.

Coughs and Colds find a sovereign remedy in Dr. Sweetser's Panacea.

Pneumonia—A very fatal disease, resulting from a violent cough and cold on a debilitated or broken down constitution; aged persons are subject to it—Dr. Sweetser's Panacea has been used on the first symptoms, which are a cough or cold.

Night Sweats—This debilitating complaint will most ...ly follow Consumption, if the Panacea be not used.

Consumption.—If on the first appearance of consumptive symptoms, which are a pain in the side and breast, cough or spitting of blood, Dr. Sweetser's Panacea is freely used, no danger need be apprehended.

TETTER, ITCH, SALT RHEUM, &c.—Who would ...for a single day, if they could be cured, with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.

To the sufferer the itch is only and scratch when alone, but more horrible to abstain from it, for decency sake, when in company. Let it be remembered that Dr LEDDY'S TETTER AND ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin have their origin from the impurity of the blood and fluids of the body, and where such disease be of long standing, and the constitution affected thereby, if Dr. Leddy's Sarsaparilla Blood Pills be used with the ointment, they will cure any case whatever, and if they do not, the money will be returned by Dr. Leddy. Mild cases have been well effectually cured by Dr. Leddy's Tetter and Itch ointment, unless the whole system is impregnated by the diseased humors which will be generated from the system by the use of Dr Leddy's blood pills, and the surface of the skin healed by the ointment. Price of ointment 25 cents.

SELLERS'S IMPERIAL COUGH SYRUP.—It has been over a year since ... Pittsburgh, Feb. 16, 1847.

R. E. SELLERS—My wife has for years been subject to a distressing cough, accompanied with asthma, for the cure of which she tried different cough remedies, and had the advice of the most eminent physicians in England, but all was unavailing, they chiefly relied on your Imperial Cough Syrup, and was induced to buy a bottle for trial, although I had no belief that anything could cure her complaint. To my great surprise, two doses gave the remediable relief. She is at times troubled with a cough, but two teaspoonful of Syrup always stops it. As a family medicine I have used it for over years, that Seller's Cough Syrup is the best cough medicine I have ever used either in the Old or New World. ...Seventh Ward, city of Pittsburgh.

The above certificate should induce all who are troubled with coughs or asthma to try the Syrup as recommended by the Proprietor again to call upon the agent for it. R E SELLERS, 67 wood st.

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

A certain and safe cure for coughs, colds, asthma, liver complaint, spitting blood, pains in the side or breast, nervous debility, whooping cough, broken constitution, CONSUMPTION or any disease of the lungs or breast. Reader are you suffering with a cold or disease of the lungs, try this remedy, you will not perish! ...hope reprieve!

It will arrest all those disagreeable symptoms which strike such terror to the timid, & prolong your days. Beware of all preparations purporting to contain Wild Cherry, except that bearing the signature of Dr H SWAYNE, on the outside wrapper of each bottle as they are quite likely destitute of the article from which they borrow a name.

Read what it has done!

50,000 DEATHS BY CONSUMPTION—Would perhaps be a equal estimate for the ravages of this dreadful disease in a single year; then add the fearful catalogue of those cut off by inflammation of the lungs, Hemorrhage, Asthma, Coughs Influenza, Bronchitis, and other diseases of the Lungs and Liver.

And the last would present an appalling proof of the fatality of those two classes of diseases. But it is important to know that nearly all of this dreadful waste of human life might have been prevented by a timely use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

This medicine has now been before the public some eight years, and is the original preparation from the Wild Cherry Tree. Its reputation as a remedy for Coughs, Colds, Bronchitis, and Consumption of the Lungs based entirely upon its intrinsic merits, owes but little to influent newspaper puffs. Those who give it a trial, being benefitted by it, recommend it to their neighbors, and thus gradually and surely hasit gained an enviable reputation and worked its way into general use. Only ...with strict attention to the directions that accompany each bottle, its use in pulmonary complaints of long standing and the most alarming characters, has been relief, and in very many instances has effected complete and permanent cures.

Dr. SWAYNE'S Celebrated Compound Syrup of Wild Cherry.

Read the most remarkable cure of Consumption ever placed upon record.

Dr Swayne—Dear Sir: I feel it a debt of gratitude due to you—and a duty to the afflicted generally to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years since, I was violently attacked with a cough and inflammation of the lungs, which was accompanied with a very distressing cough, pain in the breast and hard pleurisy, followed by considerable discharge of offensive matter from the lungs, especially upon changes of weather however slight. At first I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew daily weaker, and a cough was scarcely able to walk about or speak above a whisper, such was the extreme weakness of my lungs. During this time I had tried various preparations and prescriptions, but found no relief—growing all the time worse. At last here I was advised and pursuaded by a dear friend in Wilmington to make a trial of your Syrup of Wild Cherry. I must confess that previously I had been prejudice against patent medicines, as I was still against those coming out of the hands of empirical but understanding your claims to the profession and practice of medicine, and having implicite faith in the saying of my friend, I forthwith purchased of Dr Shaw, one of your agents, a few bottles and commenced its use. My disease at this time was in twenty or twenty five months' standing, consequently was deeply seated. I found, however, considerable relief from the first four or five bottles—that being a public speaker I frequently attempted to preach with my increasing strength and thereby injured those weaknesses that had already begun to heal up in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently I had to use 12 or 15 bottles before I was perfectly restored. I have no question, a much smaller number of bottles would have made my good, but for the above indiscretion. The Syrup allayed the feverish habit, did away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them and the system a good state of health. I have detained offering this certificate till now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I use it perfectly well, I offer it with pleasure.

REV. J. F. JORDAN,

Dublin county, N. C.

CAUTION! CAUTION!

Avoid all spurious preparations of Wild Cherry, such as Balsams, Bitters, Syrups of Wild Cherry, Pills purporting to contain Wild Cherry, &c, &c, as they are all fabrications and counterfeit, and contain none of the virtues of the original and genuine preparation as prepared by Dr. Swayne, and the first ever prepared in this country. Doctor Swayne's Compound Syrup of Wild CHERRY is composed of vegetable ingredients, the Wild Cherry, and other medicinal substances equally efficacious, if not more so, the whole are so effectually concentrated as to render it beyond all doubt the most pleasant, strengthening, and effectual remedy ever discovered for the cure of Pulmonary consumption, and all diseases of the Lungs and Breast. The very success at having given rise to a train of spurious imitations, it stands to prove its great curative properties.

Therefore, invalids, inquire for the original preparation, each bottle of which is enveloped in a prepared wrapper, with the signature of Dr H Swayne, on the outside wrapper, and the signature of Dr H. Swayne, on the cork of each bottle, as a safeguard against counterfeits.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of our city, that she was for years a sufferer from a disease of the breast and shortness of breath, with weakness at night and partial pain and loss of my limbs—these symptoms of a deranged system being frequently attended with spitting of blood. For about two years I was occasionally thrown into convulsions, which left me in a state of freshness and begin to affect my mind. From time to time my sufferings were more or less severe, until at length they terminated in such a degree, and the symptoms were so augmented, that for a whole year I was unable to attend to my business. During this time I consulted not alone physician but all their skill was unavailing to procure me relief, and I had given up all hope of recovery as entirely hopeless—in this condition I was induced to make a trial of Dr. Jayne's Compound Syrup of Tarwood Wild Naptha, in a spirit of despair, and to my astonishment and the expectations of a recovery, I found relief, by means, yet being strongly advised to try this medicine, I was induced to do so, and I have now to say, that by the use of six bottles my health is fully restored, and I am now able to attend to business with as much facility as ever. SEVERAL REASONS WHY DR. LEDDY'S SARSAPARILLA BLOOD PILLS are becoming so universally popular.

First, Because they are prepared by DR B D Leddy, a regular Druggist, Chemist and Physician of Philadelphia, who knows the nature, the quality and character of the Medicines used in his pills and their adaptation to disease.

Second, Because the public can take them with greater confidence than most other pills which are prepared by persons ignorant both of medicine and disease.

Third, Because of their combined effects, properties not combined in any other pills; namely, purging from the stomach and bowels all morbid substances, and at the same time purifying the blood and fluids of the body.

Fourth, Because they are the cheapest and best medicine known—a single box costing but 25 cts and containing 40 pills, saving to persons as many dollars on the ... in Doctor's bills, and numerous medicines bought & tried on the recommendation of others.

WHOLESOME ADVICE.

When first you have occasion to take any medicine, do not be prejudiced against it because it is of original kinds of pills or other medicines, but be pleased and recommended by one and another but take it once.

SCROFULA AND SCROFULOUS SWELLINGS—Arising in all its multiplied forms either in that of King's evil, enlargements of the ...ands or bunches, Goitre, White Swellings, Cancer, Rheumatism, Gander, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is the universally successful, in removing so many malignant diseases. It destroys the virus of syphilis, from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. MESSRS. REED & CUTLER—It is a duty I owe to my fellow creatures, to state something touching your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect of which I then gave an account of, have had several severe complaints and attacks at my lungs, over a few days since, and in every instance have used the Balsam alone with complete and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be in many cases a preventive, and prevention is better than cure; I do therefore, for the love of my fellow men, earnestly recommend the use of this Balsam, in all pulmonary complaints. Dr. Taylor's Balsam of Liverwort.

THIS that medicine should acquire so much notoriety is not at all strange, when we take into consideration the numerous cures it has effected. For many years it has proved so astonishingly successful at the south, that nearly every family retain it in their house as a sovereign remedy for the ailments of children. That no other article possesses the same merits is equally true, and the consumptive learns that he can depend upon it for relief when all other boasted preparations have proved worthless. There is not a doubt but thousands are yearly cured by this incomparable medicine, and in many instances where those given up by the doctors, and incredible short time been entirely cured by its unrivalled efficacy. The following remarkable case of consumption was cured by this Balsam, and could be cured, at once you value life and health, and would be cured, at once resort to this article, and be assured, you will not regret it—but read and judge for yourselves.

INTERESTING CURE OF CONSUMPTION AND LIVER COMPLAINT.—Mr. Jacob Lightner, of Perry, while taking of pilgrim, a severe pain in my side, back, stomach and bowels—I was so cold as times, it seemed impossible to keep warm, even when surrounded by burning coals of the heat, and my skin was very yellow. I tell a very skin and bones, my veins sunk in and became invisible, my pulse was very low and feeble. A friend of mine recommended me to try Dr. Taylor's Balsam of Liverwort, which I got, as my physician did me no good, and this medicine restored me to good health.

Ship Carpenter, 60 water street.

Although thousands are carried to the Tomb by the ravages of Liverwort, and as many still die of that fatal malady, yet the cause is plain, neglect your first symptoms and then trifling with the relief that is to cure, death follows. But every one can be cured if they will use Taylor's medicine at the very first approach of the insidious foe, and yet so cheaply. Yet this medicine has cured consumption in advanced stages, as the testimony of hundreds of believers will prove. But the surest way is not to be sick, and to secure against sickness ...

VEGETABLE PULMONARY BALSAM—To the proprietors of the Vegetable Pulmonary Balsam is a valuable medicine. I have used this plaster with complete success in an obstinate complaint of the lungs, which ... a severe cough, loss of voice, and the raising of much blood which has prevented my using many approved prescriptions. After using the balsam one week the patient's voice returned and he was enabled to speak audibly. This case occurred in my family, and the result is now ... Respectfully yours, Concord, N.H. A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who have tested the use of it in their families ten years ago still prefer it to all other remedies of the kind, and there are few who have been induced to try other preparations they have almost invariably been disappointed to receive the benefit which was reasonably anticipated from the high praises bestowed on them by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them and which probably never had its equal in arresting pulmonary disease.
