"A Titusville oilman telegraphed his wife from the lower oil region: "Have a surprise for you." She telegraphed in reply: "And I have one for you." He came home at once and told her he had struck a thousand barrel well, and she proudly pointed to the twins in the cradle."

If the Legislature repeal the local option law, temperance people cannot appeal to Governor Hartranft on political grounds to veto the bill. If he treats it as temperance people treated the Republican candidates last fall, he will sign the repealing bill.

A report has gone abroad that the Selinsgrove and North Branch Railroad is to be sold by the Sheriff. By some one's mistake a small claim against the Company got into the hands of a lawyer who likes business, and in accord with his liking moved against the Company forthwith. His action has given rise to the reports that are afloat. The trouble has been settled.

A LEWISTOWN paper tells the following story of two ladies who called at a stable to hire a horse to go ten miles out. The proprietor was out, and the hostler, being a "new comer," and not acquainted with the horses, gave them the best looking one. On the return of the proprietor he found the ladies had gone with a horse so high spirited that he would trust but few men with him. He took another team and drove after the ladies, but did not succeed in overtaking them until they arrived at their destination. He asked them if they had any trouble in driving the horse. They replied they had not; that the animal was a splendid horse; that he ran more than half the way, and they did not touch him with the whip. He asked if they had any trouble in passing teams. They said not, as every one who saw them coming got out of the way and gave them the whole road.

SICKNESS is an affliction that waits on us all. None are exempt and there are none but need relief from its attacks. Whoever can furnish this becomes our benefactor. A conviction prevails that Dr. Ayer does it. Disorders of the blood have been healed by his Sarsaparilla, and affections of the lungs by his Cherry Pectoral, too frequently and too distinctly to be distinctly to be disputed. His Ague Cure is said, by those who use it, to never fail. Reader, if you must have medical aid, take the best of medicine. Poor remedies are dear as good are cheap, at any price you have to pay for them.—*Charleston Courier.*

CHARLIE ROSS.—Everybody would like to get the reward offered for the recovery of Charlie Ross, but never think of the rewards offered by W. F. Snyder, at his Furniture Warerooms in Mifflin. He has just what you want in the Furniture line. He keeps a full and complete stock always on hand. Remember the place, and go there if in need of any kind of Furniture.

IT was considered a great discovery when Franklin drew lightning from the clouds. Yet is it not also a great discovery to draw pain from the body *permanently?* Pain Cure Oil will surely do it. Try it and see for yourself.

Ayer's Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities or diseases that have lurked in the system for years soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of **Scrofula**, and all scrofulous diseases, **Ulcers, Eruptions**, and eruptive disorders of the skin, **Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm**, and internal **Ulcerations of the Uterus, Stomach, and Liver.** It also cures other complaints, to which it would not seem especially adapted, such as **Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility**, and **Leucorrhœa**, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

THE Beatty & Plotts celebrated Golden Tongue Parlor Organ, the best parlor organ now in use.—*Herald.*

ST CLAIR, Pa., Dec 6, 1873.

Messrs. Beatty & Plotts, Gents:—I have received the organ as sent by your firm to me, and I have had it examined, and it gives ample satisfaction. JOHN SINET.

MAHANOY CITY, Pa., Oct. 16, 1873.

The Beatty & Plotts celebrated Golden Tongue Parlor Organ is by far the best parlor organ in use. I have carefully examined it, and find its tone, workmanship and durability to be the best I ever saw, and I can with pleasure recommend it to any one in any one in want of a first-class parlor organ. PROF. O. H. UNGER.

Messrs. Beatty & Plotts, Gents:—Having had one of your Golden Tongue Parlor Organs for six months past, I thought before recommending it to give it a fair trial, and am happy to testify that it surpasses all that has been said or advertised about it. I have had professors of music and celebrated organists come and try it, and one and all say that it is one of the sweetest and best toned instruments in the market. It has taken the shine out of all the others around here. I am perfectly satisfied with it, and if I could not get another of the same kind, money could not entice me to part with it. You may publish this if you see fit, as my organ can be tried by any one wishing to do so, in proof of what I say.
