"It Saved My Life"

Is a common expression, often heard from those who have realized, by personal use, the curative powers of Ayer's Cherry Pectoral. "I cannot say enough in praise of Ayer's Cherry Pectoral, believing as I do that, but for its use, I should long since have died from lung troubles.—L. Bragdon, Palestine, Tex.

About six months ago I had a severe Hemorrhage of the Lungs, brought on by a distressing Cough, which deprived me of sleep and rest. I had used various cough balsams and expectorants, without obtaining relief. A friend advised me to try

Ayer's Cherry Pectoral.

I did so, and am happy to say that it helped me at once. By continued use this medicine cured my cough, and, I am satisfied, saved my life.—Mrs. E. Coburn, 15 Second st., Lowell, Mass.

I have used Ayer's Cherry Pectoral for over a year, and sincerely believe I should have been in my grave, had it not been for this medicine. It has cured me of a dangerous affection of the lungs, for which I had almost despaired of ever finding a remedy.—D. A. McMullen, Windsor, Province of Ontario.

Ayer's Cherry Pectoral saved my life. Two years ago I took a very severe Cold which settled on my lungs. I consulted physicians, and took the remedies they prescribed, but failed to obtain relief until I began using Ayer's Cherry Pectoral. Two bottles of this medicine completely restored my health.—Lizzie M. Allen, West Lancaster, Ohio.
