GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASE IN LUNGS—The unprecedented success which has attended the use of the

GINSENG PANACEA

in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this

I. WONDERFUL PREPARATION.

The changable weather which marks our fall and winter months, is always a fruitful source of

COLDS AND COUGHS.

These, if neglected, are but the precursors of that fell destroyer,

COSUMPTION!

The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.

II. THE GREAT AND ONLY REMEDY

will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its curative powers. These, with a mass of testimony from all parts of the country—from

III. MEDICAL MEN OF THE FIRST STANDING,

Ministers of the Gospel, &c., together with copious notices from the

IV. JOURNALS OF THE DAY,

we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.

HUNDREDS OF BOTTLES

have been used in this city.

THOUSANDS AND TENS OF THOUSANDS throughout the United States and Canada, and we challenge any man to point out a

V. SINGLE INSTANCE

in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to

VI. EFFECT A PERFECT CURE.

Why, then, need the afflicted hesitate? why resort to the miserable nostrums, gotten up by some individuals for the assumed name of some celebrated physician, and puffed into notoriety by certificates from persons equally unknown? Whilst a medicine of

UNFAILING EFFICACY

is to be had, whose vouchers are at home,—our neighbors,—many of whom it has

In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at

ONLY FIFTY CENTS,

just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it.

Broadway, Cincinnati, Ohio.

ASTHMA, OR DIFFICULTY OF BREATHING.—A disease caused by a paroxysmal constriction of the air cells; it is very debilitating, almost causing suffocation. DR. SWEETSER'S PANACEA is the only certain cure.

Bronchitis, if not cured, is effectually lead to Bronchial Consumption, but a timely use of Dr. Sweetser's Panacea will effectually cure it.

Influenza, with its train of Sore Throat—This disease often leads to serious consequences from neglect, such as ulceration of the throat. On the first symptom, Dr. Sweetser's Panacea should be procured and used freely.

Coughs and Colds find a sovereign remedy in Dr. Sweetser's Panacea.

Pneumonia Notha.—A very fatal disease, resulting from a violent cough and cold on a debilitated or broken down constitution. Children are subject to it—Dr. Sweetser's Panacea should be used on the first symptoms, which are a cough or cold.

Scratchi Scratchi

ITTER, ITCH, SALT, RHEUM, &c.—Who would be a slave to a single day's scratch, when afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.

The hurried to be relieved by rub and scratch when alone, but more horrible to abstain from it, (for decency sake,) when in company. Let it be remembered that Dr. LEIDY'S TETTER AND ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin arise from the impurity of the blood and fluids of the body, and where such disease be of long standing, and the constitution affected therewith, if Dr. Leidy's Blood Purifier Pills be used with the ointment, they will cure any case whatever, and if they do not, the money will be returned by Dr. Leidy. Most cases, however, will be effectually cured by Dr. Leidy's Tetter and Itch ointment, unless the whole system is impregnated by the diseased humors which will be completely expelled from the system by Dr Leidy's blood pills, and the surface of the skin healed up by the ointment in from 25 to 48 hours.

PEACE! PEACE!!

NOT IN HEAVEN,

BUT IN EVERY MOTHER'S HOMESTEAD.

THE undersigned has long been convinced of the necessity for some medicine adapted to the use of children and infants to supersede the use of all those medicines which contain opium, and has at length succeeded in preparing and offering to the public a medicine fully answering every purpose of all diseases of the bowels, whether the use of that deleterious drug, or any other calculated to injure in the least. The Infant Preservative has been fully tested and tried, the last twelve months, by numerous persons, and found to possess all the qualities and to produce all the effects of the astonishing effects as set forth on the bill of directions. Diarrhea, Vomiting, Cholic, Griping, Pains, Sickness and Wasting away of the body, are speedily and immediately without disturbing any of the functions of the body, producing the happiest and most pleasant transition from pain and misery to a tranquil and joyous state of feeling in the little sufferer.

SELLERS' IMPERIAL COUGH SYRUP.—It has power to cure! Pittsburgh, Feb. 14, 1847.

Mr. Sellers—My wife has for years been subject to a distressing cough, accompanied with asthma, for the cure of which she used different cough remedies, and had the advice of the most eminent physicians in England, but all was unavailing. By chance I heard of your Imperial Cough Syrup, and was induced to buy a bottle for trial, although I had no belief that anything could remove her complaint. To my great surprise, two doses gave her immediate relief. She is at times troubled with a cough, but two spoonfuls of Syrup always stops it. I am satisfied, after a trial of three or four years, that Seller's Cough Syrup is the best cough medicine I have ever tried either in the Old or New World. WM. FAIRBOURNE,

Seventh Ward, city of Pittsburgh.

The above certificate should be read by all who are troubled with cough or asthma, to give the Syrup a trial. It may be had for 25 cents a bottle, at the drug store of R E SELLERS, 57 Wood st.

Pulmonary Balsam.

MESSRS. REED & CUTLER—I feel it a duty I owe to my fellow creatures, to state something more regarding your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect of which I then gave an account of, I have kept it in constant use in my family for all our lungs, one a few days since, and in every instance I have used the Balsam alone with complete and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be as many cases a preventive and prevention is better than cure; I do therefore, for the love of my fellow men, earnestly recommend the use of this Balsam, in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day.

SELLER'S VERMIFUGE—The greatest of all Worm medicines! New Lisbon, Ohio, Jan. 8, 1848

This is to certify that after using different preparations for expelling worms, I bought of R. E. Hellman, of New Lisbon, two vials of R E Sellers' Vermifuge, and gave the contents of one vial to three of my children. From the first, aged 6 years, it expelled 45 worms; from the second, 9 years old, 76; and from the third, 2½ years old, 110; making 231 worms expelled by using the second vial. I recommend Sellers' Vermifuge as a safe and one of the most effectual Worm medicines before the public. Hiram Mounsey.

Patent Block Spring Truss,

NEWLY INVENTED, for the Speedy and Permanent Cure of HERNIA or RUPTURE. (Sulted to all sizes.)

The superior claims of this Truss consist in the comparative ease with which it may be worn. The pad of wood being nearly balanced on springs, yields to pressure on the part of it and thoroughly adapts itself to any movement made by the wearer. It can be worn without intermission, until a cure is effected. The proprietors have made arrangements for the manufacture of these valuable Trusses, in a superior style, in Philadelphia, and have them now for sale at their office, No. 72, Smithfield st. near Sixth, Pittsburgh.

B A FAHNESTOCK'S Pneumonic or Cough Balsam, has a great advantage over many other Cough preparations, as its pleasant taste permits it to be used without inconvenience. But its value as a Balsam consists in the speediness of its cure. We have known some of the most desperate coughs, some of which had been running on for a considerable length of time, yield almost immediately to its power.

In such weather as we have had during the past winter, everyone is liable to take cold, unless great precautions are used.

Wet feet and undue exposure to the inclemency of the weather often lays the foundation of a hacking cough, which needs a quick remedy to prevent serious results.

We have numerous certificates of cures which it has performed, many of which are from persons in this city and the neighborhood, and they are a sufficient reference without using another word in its favor.

VEGETABLE PULMONARY BALSAM.—To the proprietors of the Vegetable Pulmonary Balsam:—I am satisfied that the Vegetable Pulmonary Balsam is a valuable medicine. It has been used in this place with complete success in an obstinate complaint of the lungs, attended with a severe cough, loss of voice, and the raising of much blood which had previously resisted many approved prescriptions. After using the balsam one week the patient's voice returned, and he was enabled to speak audibly. This case occurred some time since, and the man is now engaged not only in active but in laborious business. Respectfully yours,

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago, still prefer it to all other remedies of the kind; and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNES' EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases. JNO. MORRIS & Co's BLACK WRITING INK, for a steel or quill pen, and for copying purposes. This ink is the result of the experiments of several years, devoted to the manufacture, on an extensive scale, of an article adapted to all the purposes of writing ink. The perfection of this writing fluid consists in the following properties: Durability—in which property it will be found to surpass all previous compositions; it will flow with perfect freedom either from quill or steel pen, and will not corrode the pen nor corrosive qualities. Color—The color of this article is a very large deep blue black. It is necessary, however, to give consumers the following caution:

If All good black ink, from its necessary chemical constitution, requires exposure to the air to impart a deep color. It must not, therefore, be expected, that the moment the bottle is opened, the ink will be found to be a jet black. The first appearance will be pale blue; but after exposure to the chemical action of the atmosphere either on paper or in the inkstand, it will assume a brilliant jet black.

PERMANENCY—The color is unalterable by the lapse of time. It will never fade. On this account, all important records should be made in this article, as years only deepen and strengthen its tint.

N. B. This ink is suitable for all kinds of metallic pens, and for pens made of quills, and what is more to the point and very desirable with many, will give a perfect impression by the copying press.

If We are using in the institutions with which we are connected, Morris' blue black writing ink, and in respect to durability, fluidity of color and permanency, believe it superior to any ink we have heretofore used.
