SCHENCK'S MANDRAKE PILLS will be found to possess those qualities necessary to the total eradication of all billious attacks, prompt to start the secretions of the liver, and give a healthy tone to the entire system. Indeed, it is no ordinary discovery in medical science to have invented a remedy for these stubborn complaints, which develop all the results produced by a heretofore free use of calomel, a mineral justly dreaded by mankind, and acknowledged to be destructive in the extreme to the human system. That the properties of certain vegetables comprise all the virtues of calomel without its injurious tendencies, is now an admitted fact, rendered indisputable by scientific researches; and those who use the Mandrake Pills will be fully satisfied that the best medicines are those provided by nature in the common herbs and roots of the field.

These Pills open the bowels and correct all billious derangements without salivation or any of the injuries effects of calomel or other poisons. The secretion of bile is promoted by these pills as will be seen by the altered color of the stools, and disappearing of the sallow complexion and cleansing of the tongue.

Ample directions for use accompany each box of pills. Prepared only by J. H. Schenck & Son, at their principal office, corner of Sixth and Arch Streets, Philadelphia, and for sale by all druggists and dealers.

Price 25 cents per box. 47w6
