RESOLUTION

RELATIVE TO THE AMENDMENT OF THE CONSTITUTION.

Resolved by the Senate and House of Representatives of the Commonwealth of Penn'a. in General Assembly met, That the Constitution of this Commonwealth be amended in the second section of the fifth article, so that it shall read as follows: The Judges of the Supreme Court, of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, shall be elected by the qualified electors of the Commonwealth in the manner following, to wit: The Judges of the Supreme Court, by the qualified electors of the Commonwealth at large. The President Judges of the several Courts of Common Pleas and such other Courts of Record as are or shall be established by law, and all other Judges required to be learned in the law, by the qualified electors of the respective districts over wich they are to preside or act as Judges: And the Associate Judges of the Courts of Common Pleas by the qualified electors of the Counties respectively.—The Judges of the Supreme Court shall hold their offices for the term of fifteen years if they so long behave themselves well: (subject to the allotment hereinafter provided for, subsequent to the first election:) The President Judges of the several Courts of Common Pleas, and of such other courts of Record as are or shall be established by law, and all other Judges required to be learned in the law, shall hold their offices for the term of ten years, if they shall so long behave themselves well: The Associate Judges of he Courts of Common pleas shall hold their offices for the term of five years, if they shall so long behave themselves well: all of whom shall be commissioned by the Governor, but for any reasonable cause which shall not be sufficient grounds of impeachment, the Governor shall remove any of them on the address of two-thirds of each branch of the Legislature. The first election shall take place at the general election of this Commonwealth next after the adoption of this amendment, and the commissions of all the Judges who may be then in office shall expire on the first Monday of December following, when the terms of the new judges shall commence. The persons who shall then be elected Judges of the Supreme Court shall hold their offices as follows; one of them for three years, one for six years, one for nine years one for twelve years, and one for fifteen years; the term of each to be decided by lot by the said judges as soon after the election as convenient; and the result certified by them to the Governor, that the commissions may be issued in accordance thereto. The judge whose commission will first expire shall be Chief Justice during his term, and thereafter each judge whose commission shall first expire shall in turn be the Chief Justice, and if two or more commissions shall expire on the same day, the judges holding them shall decide by lot which shall be the Chief Justice. Any vacancies happening by death, resignation, or otherwise, in any of the said courts, shall be filled by appointment by the Governor, to continue till the first Monday of December succeeding the next general election. The Judges of the Supreme Court, and the Presidents of the several Courts of Common Pleas, shall at stated times, receive for their services an adequate compensation, to be fixed by law which shall not be diminished during their continuance in office, but they shall receive no fees or perquisites of office, nor hold any other office of profit under this Commonwealth, or under the government of the United States, or any other State of this Union. The Judges of the Supreme Court during their continuance in office shall reside within this Commonwealth, and the other Judges during their continuance in office shall reside within the district or county for which they were respectively elected.

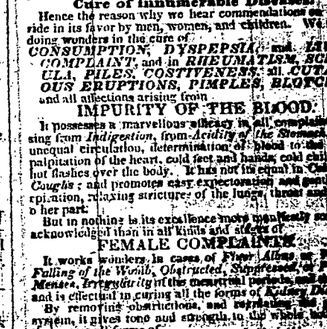
TRICKS OF QUACKS.

LET EVERYBODY READ THIS CAREFULLY.—The Sarsaparillas for sale in the different towns called Townsend's Sarsaparilla, &c. &c. advertised as the ORIGINAL, GENUINE, and all that. This Townsend who and never was; but was formerly a worker on railroads, canals, and the like—yet, he assumes the title of Doctor for purpose of gaining credit for what he sells. He says he has attended two medical schools, and practiced for years!!! Now the truth is, he never practiced medicine a day in his life! Such *cunning, wicked misrepresentations* looks bad to the character and veracity of the man. I most sincerely, he had never made title to that name of self or of me. When will men learn to be honest and faithful in all their dealings and intercourse with their fellow men? He applied to one Ruel Clapp to assist him in manufacturing his mixture, stating the large sums he was rich, as an inducement to embark in the business. Men have been insulting and libelling me in all forms, in order to impress the public with the belief the Old Doctor's Sarsaparilla was not the *genuine or Sarsaparilla,* made from the *Old Doctor's Original Recipe.* This S. P. Townsend says I have sold the use of my name for a week. I will give him $500 if he will produce one single solitary proof of this. The statements of Thompson, Skillman & Co., are nothing but a tissue of falsehoods, simply made to deceive the public, and keep the truth down in regard to his *spurious Sarsaparilla compound.* This is to caution the public to purchase the genuine Old Dr. JACOB Townsend's Sarsaparilla, having on it the Old Doctor's likeness, his *family Coat of Arms,* and his signature across the Coat of Arms.

Principal Office, 102 *Nassau-street, N. Y. City.*

JACOB TOWNSEND.



Old Dr. Jacob Townsend

THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHOR* and *DISCOVERER* of the *GENUINE ORIGINAL TOWNSEND SARSAPARILLA.*" Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those who had proved its worth, and known its value. It had reached the ears of many, nevertheless, as those in every part have been healed of sore diseases, and saved from death, claimed its wonderful

HEALING POWER.

This GRAND AND UNEQUALLED PREPARATION is manufactured on the largest scale, and is called for throughout the length and breadth of the land, especially as it is found incapable of deterioration.

Unlike young S. P. Townsend, who is improving upon and never changes but for the better; because he is proceeding on *scientific principles* by a *scientific man.* The vast knowledge of Chemistry, and the latest discoveries in the art, have all been brought into requisition in the manufacture of the Old Dr's Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medicinal properties, and some properties which have lain dormant and others, which if retained in preparing it for use, produce *fermentation* and *acid,* which is injurious to the system. Some of the properties of Sarsaparilla are so volatile that they entirely evaporate and are lost in the process, unless if they are not preserved by a *scientific process.* Especially those properties which are most active, are these *volatile principles,* which fly off in vapor, or are dissipated by heat, under heat, are the very essential and valuable properties of the root, which give to it all its value.

Any person can boil or stew the root till they get a dark colored liquid, which is more from the coloring matter of the root than from anything else; they can then strain the insipid or rapid liquid, sweeten it with some molasses, and then call it "SARSAPARILLA EXTRACT or SYRUP," but such is not the article known as the

GENUINE OLD DR. JACOB TOWNSEND SARSAPARILLA.

This is so prepared that all the inert properties of Sarsaparilla root are first removed, everything capable of becoming acid or fermentation is extracted and rejected, then every particle of medical virtue is secured in a pure and concentrated form, and thus it is rendered impossible of losing any of its valuable and healing properties, and is prepared in this way, it is made the most powerful system purifier.

Cure of Inflammatable Diseases.

Hence the reason why we hear commendations on every side in its favor by men, women, and children. It is doing wonders in the cure of CONSUMPTION, DYSPEPSIA, and LIVER COMPLAINT, and in RHEUMATISM, SCROFULA, PILES, COSTIVENESS, all CUTANEOUS ERUPTIONS, PIMPLES, BLOTCHES and all affections arising from

IMPURITY OF THE BLOOD.

It possesses a marvellous efficacy in all complaints arising from *Indigestion,* from *Acidity of the Stomach,* in unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and hands, cold chills, hot flashes over the body. It has not its equal in Coughs; and promotes easy expectoration and gentle perspiration, relaxing strictures of the lungs, throat and every other part.

But in nothing is its
