GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicines, whether Exclusive Disease it targets the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the system and strengthens the person, but it *Drains Away Pain and Sick Blood*, a power possessed by no other Medicine. And in this season a good special of its wonderful Powers. It has performed within the past two years, more than 20,000 cases of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than

2,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
7,000 cases of different Female Complaints;
5,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
1,000 cases of Disease of the Kidney and Dropsy;
2,000 cases of Consumption.

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c., &c.

This, we are aware, is a most incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Benskirk, Esq. one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we can refer to with pleasure and to men of character. It is the best medicine for the Preventive of disease known. It undoubtedly saved the life of more than

5,000 CHILDREN THE PAST SEASON!

As it removed the cause of disease, and prepared them to the diseases season.

UNITED STATES OFFICES.

CAPT. G. W. MCLEAR, of the UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 25, 1847.

AFTER since I was taken with the Indians, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the good Sarsaparilla. I have continued taking it, and find that it improves every day. I believe it saved my life, and would take it under any consideration.

G. W. MCLEAR, late U. S. N.

SCROFULA CURED

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented.

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your valuable medicine. They were afflicted very severely with bad sores; have only taken four bottles; it took them away, for which I feel myself under deep obligation. Very respectfully,

ISAAC W. CRANE, 105 Wooster st.

GREAT FEMALE MEDICINE.

DR. TOWNSEND'S Sarsaparilla is powerful in strength and speed for Suppressed Menstruation, Barrenness, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary Bleeding of Urine, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languor, from wasting in the constitution, have left their bed and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of barrenness.

It will not be expected if we, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds have been restored to health by its use. Several cases where families have been without children, after trying a few bottles of this invaluable medicine, have blessed God for such a blessing.

Dr. Thompson: My wife being greatly distressed by weakness and general debility, and suffering continually from pain and weakness in the lower bowels, dimness of sight, and with other difficulties, and having known cases where your medicine has effected great cures; and also having it recommended for such cases I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it received her complaints and restored her to health. Being grateful for the benefits she received, I take pleasure in this acknowledging it, and recommending it the public. ALD. SLOOM,

Albany, Sept. 17, 1844. Cor of Grand and Lydius st.

COTACHIE, Sept. 22, 1845.

Dr Townsend: To all whom this may concern—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement, under the most alarming and delicate circumstances, being troubled with the dropsy, swelling of the feet, nervous affections, and very much debilitated; with my persuasion, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, and she is in the bloom of health, and has not had a return of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it has been for a long time previous.

If this will be of any service to you or any one who doubts the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedient and obliged servant,

S. S. JAMES, M.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been strongly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, or Change of Life, should neglect to make use of it as a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed, or prevented altogether by this medicine. Not as it has validity to those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system, that the medicine is invaluable for all of the delicate diseases to which women are subject.

It purges the whole system, removes permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent reaction, which is the case with other medicines taken for female weakness and disease.

GIRLS READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, or freckles, and are "out of spirits;" use a bottle or two of Dr Townsend's Sarsaparilla. It will purify the blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexion—all of which are of immense value to unmarried ladies.

DYSPEPSIA.

We find no medicine has been discovered which so nearly resembles the gastic juice or saliva in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla.

CLERK DEPARTMENT, Albany, May 10, 1845.

Dr Townsend: Sir—I have been afflicted for several years with dyspepsia in its worst form, accompanied with soreness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I eat) I have been unable to retain it, but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was indeed almost persuaded to try your Extract of Sarsaparilla, and I must say with little confidence, but after using ... bottles, I found my appetite restored, and the Dyspepsia entirely removed. I feel myself warmly recommend the use of it to those who have been afflicted as I have been.

Yours, &c. W. W. VAN ALLEN.

Nov 22, 1846. Staten Island.

ALMOST A MIRACLE

Read the following, and doubt if you can, that consumption is incurable! Read the cure of one of the several hundred cases that Townsend's Sarsaparilla has cured:

Dr Townsend—Dear Sir: I was taken, a little over a year ago, with a cough and pain in my side. It increased on me very fast, indeed. I was pronounced by physicians to have the quick consumption. I tried many celebrated cures, but all failed, and I was fast sinking very fast; my doctor said he could do nothing for me. I went into the hospital in hope of being benefited, but it only pronounced there as before. I was now greatly distressed at the lungs and had hardly breathe; I soon became emaciated, and expected to die; was confined to my bed, and was obliged to have watcher. Indeed I cannot give you any description that would do justice to my case. I was supposed by my friends to be past recovery, and had a great number of remedies, and all advised me to be no patient. I read of some most extraordinary cures performed by your medicine, and to tell you the truth, I was somewhat prejudiced against the humbug in them. But I was induced to try it. I did so, and am very thankful I did. I cannot say that I am entirely well, but am so far recovered that my friends and myself hope to be entirely well in a few weeks. My cough and pain in the side, and night sweats have left me, and I raise but very little, and am fast gaining my health. I feel it is a duty to give you a statement of my case, to publish it if you please.

PETER BROWN, 47 Little st, Brooklyn.

From the New York Daily Express of April 9, 1847.

A pretty thing appeared in the streets yesterday. It was the advertising cab, or Sarsaparilla Express of Dr Townsend. The whole thing is got up in good taste; some of the international landscape paintings are beautiful, which, together with the scroll work, in gold, glittering in the sun, made a show rarely equalled in this city. We take this opportunity to say a word to believe this extract of the Sarsaparilla deserves the very great popularity it has acquired.

NERVOUS DEBILITY.

NEW YORK, March 27, 1847

Dr Townsend:—I have been afflicted more or less for 3 years, with a debilitated state of the stomach, giddiness in the head, loss of appetite, pain in the limbs, and general debility, brought on no doubt by the continual heat and cold to which I am subject in my business as a gilder. I have taken other medicines, too numerous to mention, but with little or no success. I was induced by what I saw in the paper to try a bottle of your Sarsaparilla, from which I found great relief; I have since taken several more bottles, and I can unhesitatingly say it is the best medicine I have ever taken—the pain in my chest is gone, and I feel quite well, and altogether since I have taken your Sarsaparilla. I have now a better appetite than ever I had. My wife has taken it with the same beneficial effect. I would recommend it as a family medicine generally, and I feel convinced that if so used there would not be half the sickness there is, and consequently but so many Doctor's bills, for while it restores health, it also gives to the stomach and bowels their regular tone; it keeps the blood in a healthy state, so that disease is not so likely to attack the system. And to all those who are not in a healthy state, I say try Dr Townsend's Sarsaparilla.

VEGETABLE PULMONARY BALSAM—The proprietors of the Vegetable Pulmonary Balsam are so fully satisfied that the Vegetable Pulmonary Balsam is a certain cure for the most obstinate complaint of the lungs, attended with severe cough, loss of voice, and the raising of much blood, which had previously resisted many approved prescriptions, that they will pay any one a reward of $100 for any case of Consumption they shall not cure within one month, if the directions be properly followed, and the medicine used. It has been used in this place with complete success in the obstinate complaint of the lungs, attended with severe cough, loss of voice, and the raising of much blood. A few days ago a man was taken with the patient's voice returned, and he was enabled to speak audibly. This is the first case of the same kind since, and the man is now engaged not only in attending to his business. Respectfully yours,

RELIANCE PORTABLE BOAT LINE,

1848.

FOR TRANSPORTATION OF MERCHANDIZE BETWEEN PITTSBURGH AND PHILADELPHIA.

THE Proprietors of this old established and first Portable Boat Line, having removed their depot in Philadelphia, to a much larger Warehouse on Market st., thus they formerly occupied, and also increased their room for storage at Pittsburgh, are now prepared to offer much greater facilities to their friends and patrons.

Goods carried by this line are not transhipped between Pittsburgh and Philadelphia, being carried entirely in Boats, thus lessening the chance of injury or pilferage, and consequently avoiding careful handling, this is of importance. No charge made for receiving or shipping goods, or advancing charges. All goods forwarded promptly, and upon as reasonable terms as by any other line.
