MEDICAL.

DR. TOWNSEND'S SARSAPARILLA.

Most extraordinary Medicine in the World.

This extract is put up in Quart bottles; it is six times cheaper, and more efficacious than any other Sarsaparilla extract sold. It cures disease without vomiting, purging, sickness or de-bility. Mildness and perfection are its characteristics.

GREAT SPRING AND SUMMER MEDICINE.

The great property and superiority of this Sarsaparilla over all other Medicine is, which it Eradicates Disease it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system and strengthens the person, but it Creates New, Pure and Rich Blood; a power possessed by no other Medicine. And in this line the grand secret of its wonderful success. It has performed within the past two years, more than 25,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than

3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
500 cases of Chronic Debility and Want of Energy;
7,500 cases of different Female Complaints;
1,000 cases of Scrofula;
1,000 cases of Liver Complaint;
2,000 cases of Disease of the Kidney and Dropsy;
2,000 cases of Consumption;

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c., &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of astonishing cures. E. Van Buskirk, Esq., one of the most respectable druggists in Newark, N.J., informs us that he can refer to more than 150 cures in that place alone. There are thousands of cures in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the prevention of disease known. It undoubtedly saved the lives of more than

5,000 CHILDREN THE PAST SEASON!

Certificates of Sarsaparilla Cures.

This certifies that Townsend's Sarsaparilla is the best medicine in the world for the most obstinate disease of the blood. Three persons cured in a short space is unprecedented. J. P. FREEZE, Chemist.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have only taken four bottles; it took them away, for which I feel myself under deep obligation. Yours, respectfully,

ISAAC W. CRIM, 195 Wooster st.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla, for speedily and speedily cures the obstructed or difficult Menstruation, Incontinence of Urine, or irritation of the urinary organs, and for the general debility of the system, no matter whether the result of inherent cause or causes, produced by irregularity, illness or exposure.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languishing, from taking it, have become healthy and full of energy and life. It immediately counteracts the nervous tremor of the female frame, which is the great cause of half the diseases.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the public that the cures have been astonishing. Several cases where families have been without children, while using a few bottles of this invaluable medicine, have blessed us for our recommendation.

Dr. Townsend:—My wife being greatly distressed by weakness and general debility, and suffering continually by pain in her side, and unable to walk, being down, for the month, and with other difficulties, and having known cases where your medicine has effected great cures; and having tried a bottle of your Extract of Sarsaparilla, and followed the directions you gave me—in a short period it recovered her health and restored her to perfect health. I am grateful for the benefits she received, I take pleasure in thus acknowledging it, and remaining truly yours, D. D. MOSS,

Albany, Aug. 15, 1846. Firm of Grant and Lydius st.

Dr. Townsend:—Dear Sir: I feel a pleasure in being able to certify that my wife used one bottle of your Sarsaparilla previous to her confinement, and was much benefited by the use of it, while it lessened the pain of her sickness and hastened her recovery. Yours, respectfully,

ISAAC PARKER, 179 Division st.

To MOTHERS AND MARRIED LADIES.

The Extract Sarsaparilla is especially prepared to meet the peculiar wants of female complaints. No female who has recourse to it can fail to be satisfied that it is the most powerful and efficacious medicine for the purpose of invigorating the system, and of curing the diseases and horrible distresses to which females are subject at the time of life. This period is the most critical and dangerous in the female constitution. Not to be fortified against it by the use of a proper medicine, is to be subject to all the dangers and sufferings which are the consequence of its approach. Nothing can be more surprising than its invigorating effects on the female frame. Persons, all weakness and languishing, from taking it, have become healthy and full of energy and life. It immediately counteracts the nervous tremor of the female frame, which is the great cause of half the diseases.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the public that the cures have been astonishing. ISAAC PARKER, 179 Division st.

Dr. Townsend:—I have been afflicted more or less for 3 years with a painful stiffness in the chest, giddiness in the head, loss of appetite, pain in the limbs, and general debility, brought on as I think by the exposure of my limbs and cold to which I was subjected in my business as a dyer. I have taken other medicines, too numerous to mention, but with little or no success. I was induced to try your Extract of Sarsaparilla, made a short time previously, from which I found great relief. I have since taken several more bottles, and I can confidently say it is the best medicine I have ever taken—the pain in my side and chest, and I feel quite a different man altogether since I have taken your Sarsaparilla. I have seen a lady afflicted with the same complaint, to whom I recommended it, and it was attended with the same beneficial effect. I would recommend it as a family medicine generally, and I feel convinced that if so used it would prevent much sickness. Indeed, I believe it would generally not so much as require a bilio for which it restores appetite, it also gives to the stomach and bowels their regular tone; it keeps the blood in a healthy state, and consequently it is not likely to attack the system. And to all those who are not in a healthy state, I say try Dr. Townsend's Sarsaparilla.

J S MORRIS & Co's BLACK WRITING INK, for steel or quill pens, and the copying press. This ink is the result of the experience of many years, and the manufacture, on an extensive scale, for an article suited to all the purposes of the consumer. The perfection of this writing fluid is its adhesion to the Proprietors Patent—in which property it will be found to surpass all previous preparations. It will flow with perfect freedom from the pen, and will be found entirely free from corrosive qualities. Caution—The color of this article is a rich, beautiful blue black. It is necessary, however, to give caution for the following caution.

If all good black ink, from its necessary chemical composition, be exposed to the action of the atmosphere, it will change color. It must not, therefore, be expected, that the moment the bottle is opened, the ink will be found a blue black. The first appearance, and it will be pale. But after exposure to the chemical action of the atmosphere either on paper or in the inkstand, it will assume its brilliant black hue, and for ever.

PERMANENCY—The color is unalterable by the lapse of time. It will never fade. On this account, all important writings should be made in this article, as years only deepen and strengthen its tint.

N B. This ink is suitable for all kinds of metallic pens, for steel pens and quills, and what is important and very desirable with many, will give a perfect impression by the copying press.

This ink is now in use in institutions with which we are connected, Morris' blue black writing ink, and in respect to fluidity, brilliancy of color and permanency, there is none equal to it, we have heretofore said.
