MEDICAL.

DR. TOWNSEND'S SARSAPARILLA.

Most Extraordinary Medicine in the World.

The best is not yet, as Quack boilers it is not time enough yet, to make a fair and impartial comparison of its many cures. It cures disease without vomiting, purging, sickness or distress.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this remedy is its ease all ages. Medicine is, when it Kindlesses Disease it invigorates the body, and in case of the very best SPRING AND SUMMER MEDICINE ever known, it not only purifies the whole system and strengthens the person, but it *Dwells, Sweetens and Blooms*, a power possessed by no other Medicine, and is the fabled fount and secret of its wonderful success. It has performed within the past two years, more than 25,000 cures of Scurvy, Cases of Disease; at least 5,000 of the worst cases considered incurable. More than 2,000 cases of Chronic Rheumatism;

2,000 cases of Dyspepsia,

400 cases of Inactive Liability and Want of Energy;

7,000 cases of delicate Female Complaints;

3,000 cases of Scrofula,

1,500 cases of the Liver and Kidneys;

3,000 cases of Disease of the Kidney and Dropsy;

This, we are well aware, must appear incredible, but we have facts, the testimony and oath of agents from all parts of the United States, to the extraordinary cures. If Van Buskirk, Esq. one of the most respectable druggists in Newark, N. J. informs us that he can refer to more than fifty cases in that place alone, there are thousands of cases in the City of New York, which we will refer to with pleasure and to note of character. It is the best medicine for the Prevention of disease known. It undoubtedly saved the life of more than

50,000 CHILDREN THE PAST SEASON!

As it removes the cause of disease, and prepared them for the Summer season.

UNITED STATES OFFICER.

CAPT. G W ALLCLAR OF THE UNITED STATES NAVY, and member of the New Jersey Legislature, has a kindly sent us the following certificate. It tells its own story

HACKNEY, Jan 25, 1847.

A year since I was taken with the Influenza, and my whole system has an exhausted state. I was induced to try Dr Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the good Sarsaparilla. I have continued taking it, and find that it improves every day I believe it saved my life, and would not be without it under any consideration.

G. W. ALLCLAR, late U. S. N.

SCROFULA CURED

This certificate is sufficiently proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented

THREE CHILDREN.

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted with it for a long time, but now they are in good health. I have tried other remedies, but they had little effect in removing the complaint. I was induced to try your Extract of Sarsaparilla, and I must say with little confidence but after using the first bottle, I perceived a decided improvement in their appetite restored, and in a short time entirely removed and I would earnestly recommend the use of it to those who have been afflicted as I have been.

Yours respectfully,

ISAAC W. CRAIN, 105 Wooster st.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Leucorrhœa, or Whites, characteristic of delicate Constitutions, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of bad or improper diet, or excess, produced by irregularity, illness or age.

Nothing can be more surprising than its invigorating effects on the human frame; persons of weakness and languor, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the evil consequences of the female frame, which is the great cause of half mankind.

It will not be expected of us, in case of so delicate a nature, to exhibit testimonials of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without child for years, after using the Sarsaparilla a short period it seems have been blest with healthy offspring.

Dr. Townsend: My wife being greatly distressed by pain and weakness, and suffering almost continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your Sarsaparilla has effected great cures; and also being recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions for use. In a short period it removed her complaints and restored her health. Being grateful for the benefit she received, it is my pleasure to make public my testimony, if it may be of service to others.

CONSTITUTIONAL DEBILITY.

CONSUMPTION, SPITTING BLOOD, PAIN IN THE SIDE AND BREAST, SORE THROAT, HOARSENESS, PALPITATION OF THE HEART, WHOOPING COUGH, CROUP, HIVES, NERVOUS TREMORS, LIVER COMPLAINT, AND DISEASED KIDNEYS, ARE RADICALLY CURED BY

Dr. Swayne's Compound Syrup of Wild Cherry.

Its mild and pleasant to the taste, perfectly safe and harmless in its operations, and yet it is one of the most powerful and certain remedies for Consumption of the Lungs, Coughs, Colds, Asthma, Spitting Blood, Liver Complaint, Pains in the Side or Breast, and general Debility of the Constitution, that was ever invented by the skill of man for the relief of the afflicted public. Certificates and evidences of its wonderful curative powers are daily received from all quarters. It is impossible to conceive the aggregate of suffering and misery that has been relieved or banished by it; nor can we calculate the immense benefit that shall accrue from it hereafter. All ages, sexes, and constitutions are alike affected by it, and the disease is eradicated from the system, the constitution repaired, and health restored by the use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth, from their relatives and friends, afflicted with that fatal malady, CONSUMPTION, which wastes the miserable sufferer until he is beyond the power of human skill. If such sufferers would only make a trial of Dr. Swayne's Compound Syrup of Wild Cherry, they would find themselves sooner relieved than by gulping the various ineffective remedies with which our newspapers abound; this Vegetable Hermitage lessens the ulcerated lungs, stopping profuse night sweats, at the same time inducing a natural and healthy expectoration, and the patient will soon find himself in the enjoyment of comfortable health. The public should bear in mind that Dr. Swayne is a regular practising physician, and has had years of experience in diseases of the Lungs, Chest, &c. The original and only genuine article is only prepared by DR. SWAYNE, N W corner of Eighth and Race streets, Philadelphia.

ANOTHER HOME CERTIFICATE.

Of all the cures that has ever been recorded, we may safely say the annals of medicine cannot furnish one to surpass this, which now stands as a living proof of the curability of consumption, even when life had been despaired of. Dr. Swayne's Compound Syrup of Wild Cherry is all it professes to be, the greatest medicine in the known world.

The True Riches of Life is Health.

DR. SWAYNE—Dear Sir,—For the good of the public, I feel myself in duty bound to testify to the great cure which your Compound Syrup of Wild Cherry performed on me. For my part, I feel as if every body ought to know it. I was afflicted with a violent cough, spitting of blood, night sweats, hoarseness, and sound of the voice indicating an alarming state of the disease, my appetite was gone, and my strength had so far failed me that my friends and physician were persuaded I could not survive many days. My sister, who was my anxious care-taker, made inquiry where she would be able to procure the most certain relief. She was told that if Dr. Swayne's Compound Syrup of Wild Cherry failed in the cure, my life was then hopeless. You may imagine my feelings, I was prejudiced, and the first bottle gave relief, and by the time I had consumed the sixth bottle, my cough had left me and my strength was greatly increased. In short, it has made a perfect cure of me, and I am at this present time as hearty a man as I wish, and have good reason to believe that the use of your medicine has saved me from a premature grave. I shall be pleased to give any information respecting my case.

CAUTION! CAUTION!!

Consumptives, Read! Read!! Dr. Swayne's Compound Syrup of Wild Cherry.

In about the year 1837, I found it necessary in my professional practice, to compound a medicinal preparation for diseases of the chest and lungs, possessing many powerful healing properties than any other kindred one known for such diseases. In my COMPOUND SYRUP OF WILD CHERRY, I have been very successful. The truly astonishing cures effected by my medicine soon spread its fame abroad; for it seems now to be the universal remedy for whatever purpose puffs or fond certificates—the real intrinsic merit of my compound is the only cause of its popularity. Its extensive sales prevent the carry-on of certain speculators in the adulterations of his so-low consumers, so much so that in a few years from the time that my preparation was introduced to the public and in great demand, a firm in this city, finding that my preparation had gained a high reputation for its curative properties, cared not with whom it interfered, and commenced the manufacturing of a spurious article, which at the same time, it was generally believed by the public, was my preparation, and thus they were enabled to sell their preparation for more than double the price of mine. Dr. Swayne's Balsam of Wild Cherry. This respectable and popular physician had no more to do with the article than poor Sam Patch. The name of this impudent imposition was taken from an eminent practitioner who was the original inventor of the preparation; such is not the fact. The above firm, the retail dealers, and the public will now understand that I know to be strictly true. N H HORE.

R. E. A GREAT CURE, performed by the original and celebrated and genuine Liver Pills, prepared and sold by R E SELLERS.

MORRIS' FACTORY, Westmoreland Co., Pa.,

July 19th, 1847.

Mr. R. E. Sellers:—A sense of duty to you and the afflicted induces me to add my humble testimony in favor of your justly celebrated Liver Pills. I have delivered doing so for years, adhering to Dary Crockett's maxim, "be sure you are right, then go ahead." Alone of the many preparations of cant and quacks, lauded to the skies, have sink into oblivion since your Liver Pills have been offered to the public and, indeed, I believe they will "outlive pills" as they are just what you represent them to be. I have been afflicted with Liver Complaint from my youth, have suffered much; employed many eminent physicians, (which I told them honestly I have not much blood,) been vesicated and physicked almost to death; and extend 5 or 6 times, and finally given up as incurable. In 1843-7 I was induced to try your Liver Pills, and CONTINUE it still. One box of which is now sufficient to keep me free of pain in the side and all the other symptoms for at least 12 months. Your Pills are also the best cathartic I ever used; being mild, not griping or giving much sickness at the stomach, but give one much relief. I have kept them in my store for 6 or 7 years, sold hundreds of boxes and have never heard a single complaint uttered by any one who has used them. They have superceded almost every other pill in this neighborhood, and in a short time will banish them all. I entirely recommend them to all persons needing physic, whether for Liver Complaint or Bilious Affections. I consider them far superior to Calomel or the Blue Pill. Respectfully yours,

D. W. KAUFFMAN.

CAUTION—As there are other Pills here called the Pills called Liver Pills persons who want the GENUINE should ask for and take no other than those prepared and sold by R E SELLERS, No 57 Wood st between Fourth and Fourth streets.

Hydropathy, or the Water Cure.

A large number of persons have recently given their thanks to the citizens of Pittsburgh and Allegheny city for the very liberal support and encouragement be has received since the last six months. That the Water cure should acquire such celebrity is neither strange nor mysterious, when it is considered how great a number of persons have been cured of diseases, both acute and chronic, have been cured by a judicious use of it. In Germany, where it originated, six thousand of the worst cases, that were given up by over twenty medical physicians of Europe as incurable, were cured by the immortal Priessnitz, the founder of the Water Cure. In England, France and the United States, the most desperate cases have been cured by it, and the numerous Hydropathic establishments now in successful operation in the United States, speak volumes in favor of the practice

Dr Morris having permanently established himself in the city of Pittsburgh, three miles out on Penn street, will now prepared to take a number of boarders and treat them at his house, and those who prefer it, will be treated at their own dwellings will be punctually and faithfully attended. He may be consulted at his office from 1 o'clock till 3 P. M., and from 7 to 10 in the evening.

N. B.—Every variety of baths made use of in the Water cure, both for ladies and gentlemen, can be obtained at the Institution, or Liberty street, where they have been recently erected for the express use of Hydropathic patients, and where every attention will be given by the polite and attentive proprietors.

Boston—so the number of hands into which it may have changed is an enigma.

In some places they assert it emanated from a physician in Philadelphia; in others, from a physician in Massachusetts. So it has falsehood and stratagem stamped in every feature.

There have been a number of other preparations purporting to contain Wild Cherry put out since, from the hands of inexperience, which the public should guard against, as they contain none of the virtues of the original and only genuine preparation, which bears the signature of Dr. Swayne on each bottle. The present manufacturers of their puffs and false certificates have the daring effrontery to caution the public against purchasing my medicine, the only truly genuine and original preparation of Wild Cherry before the public, which is proved satisfactorily by the public rec rds of the Commonwealth of Pennsylvania, as well as various other official documents. DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs Rose of a cure performed on her by DR. JAYNE'S ALTERATIVE, which proves its superiority over every other remedy of the kind. She has been afflicted for the last fifteen years with Scrofula or WHITE SWELLING, attended with ulcerations and exfoliation of various bones. Her ring which dice many pieces have been discharged from the skin, also from the cranium, from both her arms, wrists and hands, and from both legs, and from the inner and bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been extremely painful and dangerous. About three months since she was induced to try Dr. Jayne's Alterative which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored; so that she now weighs 15 lbs more than she did before she commenced the use of this truly valuable preparation.—Test Eye Fort.

SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms whether in the form of King's Evil, enlargements of the glands of the neck, Tumors, Ulcers, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter either whitlows the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases, it destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. Prepared and sold at No. 5 South Third Street, Philadelphia.
