MEDICAL.

Dr. TOWNSEND'S SARSAPARILLA

Most extraordinary Medicine in the World.

This extract is just as good a Quart bottle; it is not times cheaper, is stronger, and warranted superior to any add. It cures disease, without vomiting, purging, sickness or debilitating the system.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this curse, with one all other Medicine is, while it eradicates disease it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the whole system and strengthens the person, but it Cures. *New, Pure and Rich Blood*, a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years more than 20,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than

2,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
1,000 cases of different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
1,500 cases of Disease of the Kidney and Dropsy,
20,000 cases of Consumption.

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Sick Headache, Pain in the side and Chest, Spinal Affections, &c., &c.

This, we are aware, must appear incredible, but we have letters in our possession and can produce them at all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq. one of the most respectable druggists in New-York, N. Y. informs us that he has sold more than half a ton in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character. It is the best medicine for the Preventive of disease known. It undoubtedly saved the live of more than

50,000 CHILDREN THE PAST SEASON!

As it removed the cause of disease, and prepared them for the Summer season.

UNITED STATES OFFICER.

CAPT. O. W. BUCKLAN, OF THE UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

HARWAY, JAN 23, 1847.

A year since I was taken with the Influenza, and my whole system fell in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W. BUCKLAN, late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla is far, far ahead of any other blood purifier yet discovered. Three persons cured in one house is unprecedented.

THREE CHILDREN.

Dr. TOWNSEND—Sir: It gives me the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were sick a long time, and had tried many other Sarsaparilla bottles; it took them away, for which I feel myself under deep obligation. Yours, respectfully,

JOHN W. CRANE, 105 Wooster st.

New York, March 1, 1847.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Leucorrhea, or Whites, Irregularity or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of labour and excess or causes, producing impotency, libidinous desires.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languishe, from taking it, at once become robust and full of energy under its influence. It is remarkable concerning the new balance of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been repeated to us. Several cases where barrenness has been without failing, after using a few bottles of this invaluable medicine, have been lived with healthy offspring.

Dr. Townsend: My wife has long greatly distressed my feelings by general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other diseases. Your Sarsaparilla, which I have taken since your medicine has effected great cures; and also bear testimony to its efficacy, I have described. I obtain a dozen bottles of your Sarsaparilla, and followed the directions you give me. In a short period it removed the complaints and restored her health. Being grateful for the benefit received, I feel a pleasure in thus acknowledging it, and recommending it the public. M. D. MORAN,

Albany, Aug. 17, 1844. Cor of Grand and Lydius sts.

CONTRACTED, Sept. 29, 1843.

Dr Townsend: To all whom this may concern—This is to certify that my wife had one bottle of your Sarsaparilla service to her confinement, under the most alarming attendant circumstances, being troubled with the dropsy, and in a state of delirium, raving, and very much debilitated; with my persuasion, and the recommendation of those who had used it, she was induced to try it, with little or no faith; and relief in the first dose, and before she had the bottle half exhausted, not only in the hours of confinement, but after the expiration of one week of its use, the dropsy and nervous debility were so far abated, that she was able to do her own work, and in a little more than it had been for a long time previous.

If this will be of any service to you or any one who doubts the success of the medicine, you are entirely authorised to it.

I subscribe myself your most obedient and obliged servant.

S. SLAWSON.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has resorted to it, ever regretted the resolution. Mothers, in a *time of life*, should neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this period of life. This period may be delayed for several years by using this medicine. Now is it less valuable to those who are approaching women, and who it is calculated to assist in their gradual transition from childhood to manhood. Indeed, this medicine is invaluable for all of its delicate diseases to which women are subject.

It braces the whole system, renews permanently the catamenial functions, purifies and invigorates the body so much so for stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

GIRLS READ THIS.

If you who have pale complexions, dull eyes, blotches on the face, pimples, ringworms, or freckles, and you want to try a bottle or two of Dr Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you a healthy complexion, fine spirits, and beautiful complexion—all of which are of immense value to unmarried ladies.

DYSPEPSIA.

No field or medicine has ever been discovered which so nearly resembles the gastic juice or saliva in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla.

FAIR WARNING. Albany, May 10, 1845.

Dr Townsend: Sir—I have been afflicted for several years with dyspepsia in its worst form, attended with sour, nose of stomach, loss of appetite, extreme heartburn, and a great aversion to food. I could not digest food, or if I could eat, I have been unable to retain but a small portion at any season. I tried the usual remedies, but they had but little or no effect; I tried your Sarsaparilla. It was indeed, about two months since to try your Extract of Sarsaparilla, and I must say with little confidence, but after using two bottles, I found my appetite was greatly restored, and the heartburn entirely removed; and I would certainly recommend the use of it to those who have been afflicted as I have been. Yours, &c., W. W. VAN ZANDT.

Nov 23, 1846. Staten Island.

ALMOST A MIRACLE

Read the following most decided cure, that consumption cannot be cured. This is only one of the several hundred cases that Townsend's Sarsaparilla has cured.

Dr Townsend: Dear Sir, I was taken, a little over a year ago, with a severe cough and pain in my side. It increased on me very fast, indeed. I was pronounced by physicians to have the consumption. I tried legal quantities of bad matter, and night sweats, and sinking very fast; my doctor said he could do nothing for me. I dried into the hospital to hope of dying. I was pronounced there incurable. I was now greatly distressed at the lungs and could hardly breathe; I was become emaciated, and expected to die; was confined to my bed, and was obliged to have watchers; indeed I cannot give you any description that would do justice to my case. I was supposed by my friends to be past recovery; I had tried a great number of remedies and all seemed to be to no purpose. I read of some most extraordinary cures performed by your medicine, and in full faith, I expected there was some humbug in them. I was induced to try it, I did so, and am very thankful I did. I commenced to use it, I was entirely well, but am so far recovered as to be about my business, and hope to be entirely well in a few weeks. My cough and pain in the side, and night sweats have left me, quite but very little, and I am gaining my usual strength. I felt it a duty to give you a statement of my case, to publish if you please.

Opinions of Physicians.

Dr Townsend is obtaining orders from physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous instances prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.

This is to certify that we, the undersigned, practising Physicians of the City of Albany, have frequently prescribed Dr Townsend's Compound Extract of Sarsaparilla, and from its known qualities, would recommend it to public notice. We have found it a powerful alterative in many cases, in preference to any of the advertised remedies in common use.

From the New York Daily Express of April 9, 1847.

A pretty thing appeared in the streets yesterday. It was the revival of a well known Sarsaparilla Express of Dr Townsend. The whole thing is got up in good taste: some of the cuts and landscape paintings are beautiful, which, together with the revival work, is good, glamour, and in the end, made a show nearly equalled in Broadway. We take this opportunity to say we believe the extract of the Sarsaparilla deserves the very great popularity it has acquired.

Nervous Debility.

New York, March 27, 1847

Dr. Townsend:—I have been affected nearly or less for 3 years, with a dreadful sinking in the chest, giddiness in the head, loss of appetite, pain in the limbs, and general debility, and I tried your Sarsaparilla, and I feel better and cold to which I am subject to in my business as a dyer. I have taken other medicines, too numerous to mention, but with little or no success. I was induced by a friend to try a bottle, or to a bottle of your Sarsaparilla, from which I found great relief. I have since taken several more bottles, and I can unhesitatingly say it is the best medicine I have ever taken—the pain in my chest is gone, and I feel quite a different man altogether since I have taken your Sarsaparilla. I have now a better appetite than I have for years. I have taken it with the same beneficial results. I would recommend it as a family medicine generally, and I feel convinced that if more of it were used there would be less sickness in my family, and consequently not so many Doctor's bills; for while it restores appetite, it also gives to the stomach and bowels their regular tone, it keeps the blood in a healthy state, so that disease is not so likely to attack the system. And to all those who are not in a healthy state, I say try Dr Townsend's Sarsaparilla.

ECLIPSE TRANSPORTATION LINE.

To and from the eastern cities, via Cumberland.

THE proprietors of the popular line, have since their re-organization to the present time, been fortunate to meet the wishes of shippers, and are now prepared to forward a greater amount by the FIVE DAY LINE, as also by additional regular waggon dispatch.

This line will run throughout the year, delivering goods thus. Their agents in Innsmore and Pittsburgh are prepared to receive and forward goods, forwarding regulations which are generally used.

Shippers who are in the habit of sending their flour, should at once purchase a bottle of the Chinese Hair Cream, as it is so composed that it will not injure the hair like most other preparations, but will beautify it, and give perfect satisfaction in every instance.

For testimony to its very superior qualities, see the following letter from Rev. Dr. Laughlin, of Baltimore, Hendershott & Stretch, Nashville, General Agents for the Western States:

Letter from the Rev. R. Caldwell, pastor of the Presbyterian Church, Pulaski.

Messrs. Hendershott & Stretch—Gentlemen: I take pleasure in adding my testimony in favor of the excellent preparation called Dr. Parish's Chinese Hair Cream—for about two years ago, my hair was very dry, brittle, and disposed to commence falling. You procured a bottle of the Cream, and used it according to the prescription, my hair is now soft, elastic and firm to the head. My hair has not fallen since I commenced, each leaving my hair in a worse state than before—This Cream, therefore, has met my expectations.

As an article for the Toilet, I think it a preference over all others, being delicately perfumed, and not disposed to injure the hair. The ladies especially will find the Chinese Cream to be a desideratum in their preparations for the toilet. Respectfully, &c.
