U. BURROWS & CO.

Gibson, June 24, 1852.

LIVER COMPLAINT

Jaundice, Dyspepsia, Chronic or Nervous Debility, Diseases of the Kidneys,

AND ALL DISEASES ARISING FROM A DISORDERED LIVER OR STOMACH, such as CONSTIPATION, INWARD PILES, FULLNESS OF BLOOD TO THE HEAD, ACIDITY OF THE STOMACH, NAUSEA, HEART-BURN, DISGUST FOR FOOD, FULLNESS OR WEIGHT IN THE STOMACH, SOUR ERUCTATIONS, SINKING OR FLUTTERING AT THE PIT OF THE STOMACH, SWIMMING OF THE HEAD, HURRIED AND DIFFICULT BREATHING, FLUTTERING AT THE HEART, CHOKING OR SUFFOCATING SENSATIONS WHEN IN A LYING POSTURE, DIMNESS OF VISION, DOTS OR WEBS BEFORE THE SIGHT,

Fever and dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the side, back, Chest, Limbs, &c., sudden flushes of heat, burning in the flesh, constant imaginings of evil, and great depression of spirits, can be effectually cured by

DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS,
PREPARED BY
Dr. C. M. Jackson,
At the German Medicine Store, 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of disease of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal, safe certain and pleasant.

Read and be convinced.

From the Boston Bee.

The editor said, Dec. 22nd:

Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"Scott's Weekly," one of the best Literary papers published, said, Aug. 25—

"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

More Evidence.

The Hon. C. D. Hineline, Mayor of the City of Camden, N. J. says:

"Hoofland's German Bitters.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.

If this medicine was more generally used we are satisfied there would be less sickness, as from the stomach, liver, and nervous system the great majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at at all indisposed, to give a fair trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit.

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor is, that there is more of it used in the practice of the regular physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to any other bitters or bitters of the kind, in that it is immediate. They can be administered to female or infant with safety and reliable benefit at any time.

Look well to the marks of the genuine.

They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, without which they are spurious.

For sale Wholesale and Retail at the German Medicine Store, No. 120 Arch street, one door below Sixth, Philadelphia; and by respectable dealers generally through the country.

Prices Reduced.

To enable all class of invalids to enjoy the advantages of their great restorative powers.

Single Bottle 75 cents.

All for sale by ABEL TURRELL, Druggist, &c. Montrose, Pa.

E. G. BABCOCK.

Montrose, Pa., October, 1850.

N. B.—Those marked thus (*) have been sold.

To the Inhabitants of Montrose and its vicinity.

IN addition to my most sincere thanks for the very liberal patronage received, I beg to announce that in consequence of the numerous and repeated solicitations (to commence business within the limits of this Borough.) that I have most willingly complied, and take this opportunity to inform the Public that all and every garment intrusted to me to cut or make, will be accompanied with a *warrantry* of *perfect* fit of any style: country, Costume or Fashion, and at the same time shall feel much pleasure in giving instructions *gratis* in respect to making up any Garment or Garments cut by me. Trimmings &c. &c. constantly on hand of the latest and most approved patterns and style.

Taylors taught the most approved method of cutting terms liberal.

W. P. WYATT,
Merchant and Military Taylor,
Mr. John Dimock's District Attorney's late residence, Turnpike st. Montrose.

March 17th, 1852.

The Saturday Evening Post.

The Leading Literary Weekly.

OVER thirty-one years have now elapsed since the POST began its weekly round of blended instruction and amusement; and never, in all that period, was its success so marked as at the present moment. Possessing undeniably the largest circulation, by many thousands, of any paper of its class in the Union, its subscribers have the best of reasons for believing that it stands upon a permanent basis, and that they will receive the full value of every dollar entrusted to its publishers. In announcing some of our preparations for the coming year, we may begin by stating our continued connection with Mrs. Southworth, a writer who, in vigor and fertility of genius, is not surpassed by any, male or female, in the Union. Mrs. Caroline Lee Hentz, a lady whom it would be almost superfluous to praise, in view of the general popularity of such tales as the "Mob Cap," "Ecoline," "Linda," "Rena," etc., also is enrolled among our contributors.

We are now engaged in the publication of a story entitled Clara Moreland, by Emerson Bennett, author of "Viola," "Prairie Flower," "Bandits of the Osage," etc. and at the opening of the ensuing year we design commencing the publication of the following Novelet: *Mizz Thusa's Spinning Wheel*, by Mrs. Lee Hentz, of Florida, author of "Ecoline," "Linda," "Rena," &c. This novelet we design following by a story entitled, A Stray Patch from Aunt Hannah's Quilt, by Mrs. Frances D. Gage, of Ohio, widely known as the author of some admirably written and very effective household poems, The Lost Heiress; A story of Howlet Hall, by the author of "The Curse of Clifton," "Virginia and Magdalene," "Shannondale," "The Deserted Wife," etc.

In addition to these and other original tales, involving a large expenditure of money, we shall lay before our readers, as heretofore, choice tales, sketches, essays, narratives, etc. from the English Magazines—such as have given the Post a name for the excellence of its selections.

Engravings.—In the way of engravings we present at least two weekly—one of an instructive, and the other of a humorous character.

Agricultural Articles, miscellaneous matter, general news, witty and humorous sketches and anecdotes, letters from Europe, Editorials, view of the produce and stock market, bank note list, etc. shall also be duly given.

☞ Of course, we shall maintain for the Post the character it has acquired, of being a strictly moral paper—not ridiculously squeamish and straight-laced, but really and truly moral—such as may be taken into the family circle without fear. Advertisements of an improper character shall be, as heretofore, rigorously excluded.

Cheap Postage.—The postage on the Post to any part of the United States, when paid quarterly in advance, is only 26 cents a year. And we trust that the public generally will show their appreciation of this commendable reduction of postage, by largely increasing the number of papers taken at the various offices—that thus there may be no falling off in the revenue of the Post Office Department. This will insure a continuance of the present reduced rates.

Terms.—The terms of the Post are $2 if paid in advance—$3 if not paid in advance. For $5 in advance, one copy is sent three years. We continue the following low terms for clubs, to be sent, in the city to one address, and in the country to one post office. 4 copies, $5 per annum—8 copies (and one to the agent,) $10—13 copies (and one to the agent,) $15—20 copies, (and one to the agent,) $20. The money for clubs must be sent in advance. Subscriptions may be sent at our risk. When the sum is large, a draft should be procured if possible—the cost of which may be deducted from the amount. Address, post-paid,

Deacon & Peterson,
No. 66 South 3d st. Phila.

☞ N. B.—Any persons desirous of receiving a copy of the Post, as a sample, can be accommodated by notifying the publishers by letter, post-paid.

☞ To Editors.—Editors who give the above one insertion, or condense the material portions of it, (the notices of new novelets, and our terms,) for their editorial columns, shall be entitled to an exchange, by sending us a marked copy of the paper containing the advertisement or notice.

SAGE, for sale by J. LYONS & SON.

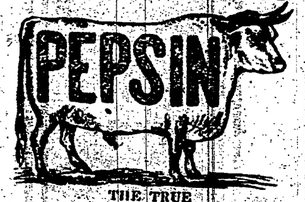
Entered according to Act of Congress, in the year 1851, by R. S. HOUGHTON, M. D., in the clerk's Office of the District Court for the Eastern District of Pennsylvania.

Another Scientific Wonder!

GREAT CURE FOR

DYSPEPSIA!

Dr. J. S. HOUGHTON'S



THE TRUE

DIGESTIVE FLUID,

OR, GASTRIC JUICE.

Prepared from *RENNET*, or the fourth *STOMACH OF THE OX*, after directions of *BARON LIEBIG*, the great Physiological Chemist, by *J. S. HOUGHTON, M. D.* Philadelphia, *Pa.*

This a truly wonderful remedy for *INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION* and *DEBILITY*, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

☞ Half a teaspoonful of *Pepsin*, infused in water, will digest or dissolve, *Five pounds of Roast Beef in about two hours*, out of the stomach.

Pepsin is the chief element, or Great Digesting Principle of the Gastric Juice—the *Solvent of the Food, the Purifying, Preserving, and Stimulating* agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an *artificial digestive fluid*, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of *Indigestion* and *Dyspepsia* are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of *Debility, Emaciation, Nervous Decline*, and *Dyspeptic Consumption*, supposed to be on the verge of the grave. The Scientific Evidence upon which this is based, is in the highest degree *curious* and *remarkable*.

Scientific Evidence.

BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed and digested, just in the same manner as they would be in the human stomach."

☞ Call on the agent and get a descriptive Circular, gratis, giving a large amount of scientific evidence similar to the above, together with reports of remarkable cures, from all parts of the United States.

As a Dyspepsia Cure

Dr. Houghton's *Pepsin* has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement, but authenticated certificates have been given of more than two hundred remarkable cures, in Philadelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to bilious disorder, liver complaint, fever and ague, and the evil effects of quinine, mercury, and other drugs upon the Digestive Organs, after a long sickness. Also for excess in eating, and the too free use of ardent spirits. It also reconciles Health with Intemperance.

Dr. Houghton's *Pepsin* is prepared in powder and fluid form—and in prescription vials for the use of physicians.

Private Circulars for the use of Physicians may be obtained of Dr. Houghton or his agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a secret remedy, no objection can be raised against its use by physicians in respectable standing and regular practice. *Price*, ONE DOLLAR per bottle.

☞ Observe This.—Every bottle of the genuine *Pepsin* bears the written signature of J. S. HOUGHTON, M. D., sole proprietor, Philadelphia, *Pa.* Copy right and Trade-mark secured.

☞ Sold by all Druggists and Dealers in Medicines.

Jan. 1, 1852.

Buswell's Mineral Paint.

A SUPERIOR ARTICLE for painting on Wood Brick, Stone, Iron or Tin, *proof against fire water, and weather*, and unchangeable in its color It mixes readily with oil or composition, and is beautiful dark brown or Free Stone color.

☞ This paint received the premium at the New York State Fair, in 1850, in competition with the Ohio Fire proof Paint, and several other kinds of mineral paint, as being superior to any thing of the kind now in use. For sale by

ABEL TURRELL.

Montrose, May 29, 1851.

LOOK TO YOUR LAND-MARKS!

THE subscriber will attend to occasional calls at his old business of *SURVEYING* in this vicinity when desired. Many of the old Farms in this county should be re-surveyed, to look up and renew the old land-marks, which are liable to get lost or obliterated by time so as to occasion disputes and difficulties for time to come. Every man who does not know the precise location of all his lines and corners therefore, should see to it in season, to prevent future trouble and litigation.

☞ *CONVEYANCING* also attended to, by

J. W. CHAPMAN

Montrose, Oct. 29, 1851.
