UNITED STATES OFFICES.

CAPT. G. W. MCCLEAN, OF THE UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story:

HACKENSACK, Jan. 20, 1847.

A year since, I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and feel that it improves every day. I believe it to be a very fine medicine, not to be without it under any consideration.

G. W. MCLEAN, late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla is a perfect control over the most obstinate disease of the blood. Three persons cured in one house! Scrofula is unprecedented.

DEAR DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula, by the use of your excellent medicine. They were afflicted very severely with head sores; have used four bottles; it took them every, for which I feel myself under deep obligation. ISAAC W. CRANE, 165 Wooster st.
